- (b) the terms, conditions and trusts set forth in this Trust Indenture.

Without limiting the generality of the foregoing and, insofar as possible, the terms of this Trust Indenture, insofar as they are inconsistent with the provisions of the *Trustee Act* (Ontario), shall prevail.

The Trust is not, is not intended to be, shall not be deemed to be and shall not be treated as, a general partnership, limited partnership, syndicate, association, joint venture, company, corporation or joint stock company nor shall the Trustees or the Unitholders or Annuitants or any of them or any officers or other employees of the Trust or any one of them or any person for any purpose be, or be deemed to be, treated in any way whatsoever as liable or responsible hereunder as partners or joint venturers. Neither the Trustees nor any officer or other employee of the Trust shall be, or be deemed to be, agents of the Unitholders. Any written instrument creating an obligation which is or includes the granting by the Trust of a lease, sublease or mortgage or which is, in the judgment of the Trustees, a material obligation, shall contain a provision to the effect that the obligation being created is not personally binding upon, and that resort shall not be had to, nor shall recourse or satisfaction be sought from, the private property (including, without limitation, any property consisting of or arising from a distribution of any kind or nature by the Trust) of any of the Unitholders or Annuitant or officers, employees and agents of the Trust, but the property of the Trust or a specific portion thereof only shall be bound. If the Trust acquires any real property investment subject to existing contractual obligations, the Trustees shall use their reasonable efforts to have any such obligations under material contracts (including mortgages), other than leases, modified so as to achieve the aforesaid disavowal of contractual liability. Further, the Trustees shall cause the operations of the Trust to be conducted in such a way and in such jurisdictions as to avoid, as far as reasonably possible, any material risk of liability on the Unitholders or Annuitant for claims against the Trust, and shall, to the extent which they determine to be possible and reasonable, including in the cost or premiums, to cause the Trust to carry insurance for the benefit of such persons in such amounts as they consider adequate to cover any foreseeable non-contractual or non-excluded contractual liability. Any potential liability of the Trustees with respect to their foregoing obligations or their failure to perform the same shall be governed by the provisions of Sections 10.7, 10.10 and 10.11. Nothing in this Declaration will preclude the Trustees from exercising any rights granted to them under the Tax Act or any other applicable taxation legislation to withhold from amounts payable to Unitholders or otherwise recover from Unitholders any taxes that the Trustees have paid on behalf of Unitholders.

Upon such delivery the transfer shall be recorded on the Register.

3.10 Transfer of Trust Units

- (a) Subject to the provisions of Section 3.9 and Article 14, the Trust Units shall be, for all purposes of the Trust and this Trust Indenture, personal and moveable property, and shall be fully transferable without charge as between persons, but no transfer of Trust Units shall be effective as against the Trust or the Trustees or shall be in any way binding upon the Trust or the Trustees until the transfer has been recorded on the Register or one of the branch transfer registers maintained by the Trustees, the Trust or the Registrar. No transfer of a Trust Unit shall be recognized unless such transfer is of a whole Trust Unit.
- (b) Subject to the provisions of Section 3.9 and Article 14, Trust Units shall be transferable on the Register or one of the branch transfer registers only by the holders of record thereof or their executors, administrators or other legal representatives or by their agents or attorneys duly authorized in writing, and only upon delivery to the Trust or to the Registrar of the Unit Certificate, properly endorsed or accompanied by a duly executed instrument of transfer or power of attorney and accompanied by all necessary transfer or other taxes imposed by-law, together with such evidence of the genuineness of such endorsement, execution and authorization and other matters that may reasonably be required by the Trustees or the Registrar, if applicable. Upon such delivery the transfer shall be recorded on the Register or branch transfer registers and a new Unit Certificate for the Trust Units shall be issued to the transferee and a new Unit Certificate for the balance of Trust Units not transferred shall be issued to the transferor.
- (c) Unit Certificates representing any number of Trust Units may be exchanged without charge for Unit Certificates representing an equivalent number of Trust Units in the aggregate. Any exchange of Unit Certificates may be made at the offices of the Trust or the Registrar where registers are maintained for Unit Certificates pursuant to the provisions of Article 14. Any Unit Certificates tendered for exchange shall be surrendered to the Trustees or appropriate Registrar and then shall be cancelled.

3.11 Successors in Interest to Unitholders

Subject to the provisions of Article 14, any person becoming entitled to any Units as a consequence of the death, bankruptcy or incompetence of any Unitholder or otherwise by operation of law, shall be recorded as the holder of such Units and shall receive a new Unit Certificate therefor upon production of evidence thereof satisfactory to the Trustee and delivery of the existing Unit Certificate to the Trustee or the Registrar to the Trust, but until such record is made, the Unitholder of record shall continue to be and be deemed to be the holder of such Units for all purposes whether or not the Trust, the Trustee or the Registrar or registrar of the Trust shall have actual or other notice of such death, bankruptcy, incompetence or other event.

3.12 Units Held Jointly or in Fiduciary Capacity

The Trust may treat two or more persons holding any Unit as joint tenants of the entire interest therein unless their ownership is expressly otherwise recorded on the register of the Trust, but no entry shall be made in the register or on any certificate that any person is in any other manner entitled to any future, limited or contingent interest in any Unit; provided, however, that any person recorded as a holder of any Unit may, subject to the provisions herein contained, be described in the register or on any certificate as a fiduciary of any kind and any customary words may be added to the description of the holder to identify the nature of such fiduciary relationship.

3.13 Performance of Trusts

The Trustees, the officers of the Trust, the Unitholders, any transfer agent or other agent of the Trust or the Trustees, shall not be bound to see to the performance of any trust, express, implied or constructive, or of any charge, pledge or equity to which any of the Units or any interest therein are or may be subject, or to ascertain or inquire whether any sale or transfer of any such Units or interest therein by any such Unitholder or his personal representative is authorized by such trust, charge, pledge or equity, or to recognize any person as having any interest therein, except for the person recorded on the Register as Unitholder.

3.14 Death of Unitholders

The death of a Unitholder during the continuance of the Trust shall not terminate the Trust or give such Unitholder's legal representatives a right to an accounting or to take any action in the courts or otherwise against other Unitholders or the Trustees or the property of the Trust, but shall only entitle the legal representatives of the deceased Unitholder, subject to the provisions of Article 14, to the rights described in Section 3.11, at which time such legal representative shall, subject to the provisions of Article 14, succeed to all rights of the deceased Unitholder under this Trust Indenture.

3.15 Unclaimed Distributions

In the event that the Trustees hold amounts to be paid to Trust Unitholders under Article 5, Article 6 and Article 15 or otherwise which are unclaimed or which cannot be paid for any reason, neither the Trustees nor any distribution disbursing agent shall be under any obligation to invest or reinvest the same and shall only be obligated to hold the same in a current or other non-interest bearing account with a chartered bank or trust company pending payment to the person or persons entitled thereto. The Trustees shall, as and when required by law, and may any time prior to such required time, pay all or part of the distributions so held to a court in the province in which the Trust has its principal office or to the Public Guardian and Trustee of Ontario (or other

similar government official or agency in the province in which the Trust has its principal office) whose receipt shall be a good and sufficient discharge of the obligations of the Trustees.

3.16 Repurchase of Trust Units

The Trust shall be entitled to purchase for cancellation at any time the whole or from time to time any part of the outstanding Trust Units, at a price per Trust Unit and on a basis to be determined by the Trustees in compliance with all applicable Securities Laws, regulations or policies.

3.17 Re-Purchase of Initial Unit by the Trust

Immediately after Closing or at such other time as may be determined by the Trustees, the Trust will purchase the Initial Unit from the Initial Unitholder, and the Initial Unitholder shall sell the Initial Unit to the Trust, for a purchase price of \$10 and, upon the completion of such purchase and sale, the Initial Unit shall be cancelled and shall no longer be outstanding for any of the purposes of this Trust Indenture.

3.18 Consolidation of Trust Units

Unless the Trustees determine otherwise, immediately after any pro rata distribution of additional Trust Units to all Trust Unitholders pursuant to Section 2.6, the number of the outstanding Trust Units will automatically be consolidated such that each Trust Unitholder will hold after the consolidation the same number of Trust Units as the Trust Unitholder held before the distribution of additional Trust Units. In this case, each Unit Certificate representing a number of Trust Units prior to the distribution of additional Trust Units is deemed to represent the same number of Trust Units after the non-cash distribution of additional Trust Units and the consolidation.

Notwithstanding the foregoing, where tax is required to be withheld from a Trust Unitholder's share of the distribution, the consolidation will result in such Trust Unitholder holding that number of Trust Units equal to (i) the number of Trust Units held by such Trust Unitholder prior to the distribution plus the number of Trust Units received by such Trust Unitholder in connection with the distribution (net of the number of whole and part Trust Units withheld on account of withholding taxes) multiplied by (ii) the fraction obtained by dividing the aggregate number of Trust Units outstanding prior to the distribution by the aggregate number of Trust Units that would be outstanding following the distribution and before the consolidation if no withholding were required in respect of any part of the distribution payable to any Trust Unitholder. Such Trust Unitholder will be required to surrender the Unit Certificates, if any, representing such Trust Unitholder's original Trust Units, in exchange for a Unit Certificate representing such Trust Unitholder's post consolidation Trust Units.

3.19 No Pre-Emptive Rights

Other than under the Exchange Agreement and pursuant to the terms of any Exchangeable Securities, no person shall be entitled, as a matter of right, to subscribe for or purchase any Trust Unit.

Article 4

4.1 Investment Guidelines

After Closing, the assets of the Trust may be invested only, and the Trust shall not permit the assets of any subsidiary to be invested otherwise, than in accordance with the following investment guidelines:

 - (ii) which principally involves the ownership, maintenance, improvement, leasing or management, directly or indirectly, of real property;
- (g) notwithstanding any other provisions of this Section 4.1, the securities of a reporting issuer in Canada may be acquired provided that:
 - (i) the activities of the issuer are focused on Focus Activities; and

 - (ii) the security therefore includes a mortgage registered on title to the real property which is security thereof; and

- (iii) the amount of the investment (not including any mortgage insurance fees incurred in connection therewith) does not exceed 85% of the market value of the real property which is the security thereof;
- (j) notwithstanding subsection (i), the Trust may also invest in mortgages where:

- (k) notwithstanding subsection (i) and (j), the Trust may invest in mortgages of related entities that do not deal at arm’s length to the Trust provided that:
 - (i) the purpose of the mortgage is to finance the redevelopment of a property that when complete, would be within the Investment Restrictions of the Trust;
 - (ii) the Trust has a right of first refusal to purchase the property at less than or equal to its fair market value as determined by an independent third party appraiser;
 - (iii) the mortgage bears interest at a commercial rate of interest;

- (l) loans (other than mortgage investments) may only be made where:

- (i) the security thereof is (a) real property or (b) an asset that the Trust could otherwise hold in accordance with this Section 4.1;
 - (ii) the security interest includes a (a) mortgage or similar security interest registered on title to the real property which is the security thereof; (b) security interest registered against such other asset which is the security thereof; or (c) other security interest acceptable to the Trustees that, in the opinion of the Trustees, protect the Trust's investment; and
 - (iii) the amount of the loan (not including any loan insurance fees incurred in connection therewith) does not exceed 85% of the market value of the asset which is the security thereof,
- (m) no investment shall be made in raw land (except for the acquisition of properties adjacent to existing properties of the Trust for the purpose of renovation or expansion of existing facilities where the total cost of all such investments does not exceed 5% of Gross Book Value); and notwithstanding any other provisions hereof, investments may be made which do not comply with the provisions of this Section 4.1 provided (i) the aggregate cost thereof (which, in the case of an amount invested to acquire real property, is the purchase price less the amount of any indebtedness assumed or incurred in connection with the acquisition and secured by a mortgage on such property) does not exceed 15% of the Adjusted Unitholders' Equity of the Trust and (ii) the making of such investment would not contravene subsection (b);
- (n) notwithstanding any other provisions of this Section 4.1, the Trust may invest either directly or indirectly, in the equity of real estate development projects and opportunities and structure the transaction as a Debt Instrument which will not be subject to the value limits in this Section 4.1;
- (o) notwithstanding any other provisions of this Section 4.1, for risk management purposes only, the Trust may increase a given investment to more than the limits referred to in Section 4.1(c) in order to remedy the default by a borrower of its obligations in respect of a prior ranking security or satisfy the indebtedness secured by a prior ranking security or for any other reason if such action is required to, in the opinion of the Trustees, protect the Trust's investment and if such proposed increase in the Trust's investment is approved by Trustees;
- (p) notwithstanding any other provisions of this Section 4.1, the Trust may participate in mortgage investments or other Debt Instruments on a syndication basis, subject to any required approval by the Independent Trustees pursuant to Section 10.15;
- (q) notwithstanding any other provisions of this Section 4.1, the Trust may acquire mortgage investments (or exposure to mortgage investments) and growth-oriented real estate investments, ancillary real estate and other investments through warehouse transactions with Centurion Financial Trust pursuant to the warehouse agreement dated January 16, 2017 between the Trust and Centurion Financial Trust;

- (r) the Trust may enter into any arrangement (including the acquisition of securities for the investment portfolio of the Trust) where the result is a “dividend rental arrangement” for the purposes of the Tax Act;
- (s) the Trust may hold (i) securities of any non-resident corporation or trust or other entity (or of a partnership which holds such securities) if the Trust (or partnership) would be required to include any significant amounts in income pursuant to the offshore investment fund property rules in section 94.1 of the Tax Act, (ii) any interest in a non-resident trust (or a partnership which holds such an interest) other than an “exempt foreign trust” for the purposes of section 94 of the Tax Act, or (iii) any interest in a trust (or a partnership which holds such an interest) which would require the Trust (or the partnership) to report income in connection with such interest pursuant to the rules in section 94.2 of the Tax Act;
- (t) the Trust may engage in securities lending that does not constitute a “securities lending arrangement” for purposes of the Tax Act;
- (u) the Trust may invest in any security that would be a “tax shelter investment” within the meaning of the Tax Act;
- (v) the Trust may make or hold any investments in entities that would be “foreign affiliates” of the Trust for purposes of the Tax Act; and
- (w) notwithstanding any other provisions of this Section 4.1, the Trust shall not acquire any securities unless the Trust has appointed a service provider that has the necessary registrations under applicable securities laws to permit the Trust to purchase and hold such securities or is exempt from any such requirements.

For the purpose of the foregoing guidelines, the assets, liabilities and transactions of a corporation, trust or other entity wholly or partially owned by the Trust will be deemed to be those of the Trust on a proportionate consolidation basis. In addition, any references in the foregoing to investment in real property will be deemed to include an investment in a joint venture arrangement or a limited partnership, the whole subject to Section 4.1(a). Except as specifically set forth in this Trust Indenture to the contrary, all of the foregoing prohibitions, limitations or requirements for investment shall be determined as at the date of investment by the Trust, but always subject to Section 4.1(a).

For greater certainty, Sections 4.1(a) through 4.1(m) are intended to set out generally the parameters under which subsidiaries in which the Trust is permitted to invest will be empowered under their constating documents to re-invest. References to the Trust in those paragraphs shall be read as applying to such subsidiary where the actual activity that is the subject of the policy is carried on by such subsidiary. Further, any determinations in respect of the investment restrictions that are determinations reserved to the Trustees, where the actual activity is carried on by a subsidiary, will be made by the trustees or directors of the relevant subsidiary. Nothing in Section 4.1 and paragraphs (a) through (l) empowers or entitles the Trust or the Trustees to carry on business or to otherwise undertake any activity that would violate Section 4.3.

4.2 Operating Policies

After Closing, the operations and affairs of the Trust will be conducted in accordance with the following operating policies and the Trust shall not permit any subsidiary to conduct its operations and affairs other than in accordance with the following policies:

- (a) title to each real property shall be held by and registered in the name of CAP I LP, CAP II LP, CAP II GP or a corporation or other entity wholly-owned directly or indirectly by the Trust or jointly owned directly or indirectly by the Trust with joint venturers; provided, that where land tenure will not provide fee simple title, CAP I LP, CAP II LP, CAP I GP, CAP II GP or a corporation or other entity wholly-owned, directly or indirectly by CAP I LP, CAP II LP or jointly owned, directly or indirectly, by the Trust with joint venturers shall hold a land lease as appropriate under the land tenure system in the relevant jurisdiction;
- (b) no indebtedness shall be incurred or assumed if, after giving effect to the incurring or assumption thereof of the indebtedness, the total indebtedness as a percentage of Gross Book Value would be more than 75% for indebtedness, including amounts drawn under an acquisition facility;
- (c) except for any indebtedness existing at Closing, no new indebtedness (otherwise than by the assumption of existing indebtedness) will be incurred or renewed or refinanced or secured by a mortgage on any of the real property of the Trust unless, at the date of the proposed incurring of the indebtedness, the aggregate of (i) the amount of all indebtedness secured by such real property, and (ii) the amount of additional indebtedness proposed to be incurred, does not exceed 75% of the market value of such real property, on or after that date which is 12 months from the acquisition date thereof, in either case not including mortgage insurance fees incurred in connection with the incurrence or assumption of such indebtedness, which amount shall be added to the amount of the permitted indebtedness;
- (d) subject to the approval of the Trustees, the Trust may, directly or indirectly, guarantee any indebtedness, liabilities or other obligations of any kind of a third party, where such indebtedness, liabilities or other obligation, if granted, incurred or assumed by the Trust directly, would not cause the Trust to otherwise contravene the restrictions set out in Section 4.1 of this Declaration of Trust. For greater certainty, the Trust will not directly or indirectly guarantee any indebtedness, liabilities or other obligations of any Person if doing so would contravene Section 4.1(b);
- (e) except for the Contributed Assets acquired pursuant to the Rollover Agreement, an engineering survey or physical review by an experienced third party consultant will be obtained for each real property intended to be acquired with respect to the physical condition thereof;
- (f) at all times insurance coverage will be obtained and maintained in respect of potential liabilities of the Trust and the accidental loss of value of the assets of the Trust from risks, in amounts and with such insurers, in each case as the Trustees consider appropriate, taking into account all relevant factors including the practices of owners of comparable properties;

- (g) except for the Contributed Assets acquired pursuant to the Rollover Agreement, a Phase I environmental audit shall be conducted for each real property to be acquired and, if the Phase I environmental audit report recommends that further environmental audits be conducted, such further environmental audits shall be conducted, in each case by an independent and experienced environmental consultant;
- (h) at least 8.5% of gross consolidated annual rental revenues generated from properties where the associated mortgage financing is insured by the Canadian Mortgage and Housing Corporation ("**insured properties**") as determined pursuant to IFRS shall be expended annually on sustaining capital expenditures, repairs and maintenance, all determined on a portfolio basis for all insured properties. For this purpose, capital expenditures and repairs and maintenance include all onsite labour costs and other expenses and items associated with such capital expenditures, repairs and maintenance; and
- (i) the Trust may engage service providers, including asset managers and mortgage managers, under terms and conditions acceptable to the Trustees. As at the date hereof, the Trust and CAP I LP have engaged CAMI by the terms of the Trust Asset Management Agreement, which agreement shall remain in full force and effect until terminated by a party thereto in accordance with its terms. It is intended that the fees payable by CAP I LP and the Trust under the Trust Asset Management Agreement shall not be duplicative and the Trustees shall take such steps to ensure that the terms of the Trust Asset Management Agreement is honoured in accordance with the foregoing provisions of this Section 4.2.

For greater certainty Sections 4.2(a) through 4.2(i) are intended to set out generally the parameters under which the Trust (and subsidiaries in which the Trust is permitted to invest) will operate. References to the Trust in those paragraphs shall be read as applying to such subsidiary where the actual activity that is the subject of the policy is carried on by such subsidiary (with the exception of Section 4.2(b) which is only intended to apply to the Trust). Further, any determinations in respect of the operating policies that are determinations reserved to the Trustees, where the actual activity is carried on by a subsidiary, will be made by the trustees or directors of the relevant subsidiary. Nothing in Sections 4.2(a) through 4.2(i) empowers or entitles the Trust or the Trustees to carry on business or otherwise undertake any activity that would violate Section 4.3.

For the purposes of the foregoing investment guidelines and operating policies, the assets, indebtedness, liabilities and transactions of a corporation, partnership or other entity wholly or partially owned by the Trust will be deemed to be those of the Trust on a proportionate, consolidated basis. A "**joint venture arrangement**" means an arrangement through which two or more parties have joint control that has the following characteristics: (a) the parties to the arrangement are bound by a contractual agreement, (b) the contractual agreement gives two or more of those parties joint control of the arrangement, and (c) is either a joint operation or a joint venture. In addition, any references in the foregoing investment guidelines and operating policies to investment in real property will be deemed to include an investment in a joint venture arrangement. In addition, the term "**indebtedness**" means (without duplication):

- (i) any obligation of the Trust for borrowed money;

- (ii) any obligation of the Trust incurred in connection with the acquisition of property, assets or business other than the amount of future income tax liability arising out of indirect acquisitions;
- (iii) any obligation of the Trust issued or assumed as the deferred purchase price of property;
- (iv) any capital lease obligation of the Trust; and
- (v) any obligation of the type referred to in clauses (i) through (iv) of another person, the payment of which the Trust has guaranteed or for which the Trust is responsible for or liable;

provided that (A) for the purposes of (i) through (iv), an obligation will constitute indebtedness only to the extent that it would appear as a liability on the consolidated balance sheet of the Trust in accordance with generally accepted accounting principles; (B) obligations referred to in clauses (i) through (iii) exclude trade accounts payable, distributions payable to Trust Unitholders and accrued liabilities arising in the ordinary course of business.

4.3 Mutual Fund Trust Status

The Trustees have caused the Trust to elect, in respect of the first taxation year of the Trust following the date on which the Trust qualifies therefor, pursuant to Subsection 132(6.1) of the Tax Act, that the Trust be deemed to be a “mutual fund trust” for the purposes of the Tax Act from the date it is established. Notwithstanding anything else contained in this Trust Indenture, the Trust shall not make any investment, take any action or omit to take any action that would result in the Trust failing or ceasing to qualify as a “mutual fund trust” within the meaning of the Tax Act; that would result in the Trust Units being disqualified for investment by Deferred Income Plans; or that would result in COT being liable to pay tax imposed under Part XII.2 of the Tax Act.

4.4 Application of Investment Restrictions and Operating Guidelines

With respect to the investment restrictions and operating guidelines contained in Sections 4.1 and 4.2, where any maximum or minimum percentage limitation is specified in any of the restrictions therein contained, such restrictions shall be applied on the basis of the relevant amounts calculated immediately after the making of such investment. Any subsequent change relative to any percentage limitation which results from a subsequent change in the book value of the assets of the Trust or the amount of Gross Book Value will not require divestiture of any investment.

4.5 Regulatory Matters

If at any time a regulatory authority having jurisdiction over the Trust or any property of the Trust shall enact any law, regulation or requirement which is in conflict with any investment restriction of the Trust then in force, such restriction in conflict shall, if the Trustees on the advice of legal counsel to the Trust so resolve, be deemed to have been amended to the extent necessary to resolve any such conflict, and, notwithstanding anything to the contrary herein contained, any such resolution of the Trustees shall not require the prior approval of Unitholders.

4.6 United States Taxation Matters

- (a) The Trustees will use their best efforts to conduct the activities of the Trust in a manner to ensure that the Trust will not be a “publicly traded partnership” that would be taxable as a corporation under Section 7704 of the Code.
- (b) The Trust may, directly or indirectly, make such investments, do all such things and carry out all such activities as are necessary or desirable in connection with the conduct of its activities provided they are not otherwise specifically prohibited by the Declaration of Trust.
- (c) Unless otherwise specifically prohibited by this Declaration of Trust, the Trust may invest in freehold, leasehold, or other interests in property (real, personal, moveable or immovable).

Article 5 DISTRIBUTIONS

5.1 Computation of Distributable Income

The Distributable Income of the Trust for or in respect of any period shall be based on the applicable net income of the Trust and its applicable subsidiaries for such period set out in its consolidated financial statements as determined in accordance with generally accepted accounting principles, subject to certain adjustments, including:

- (a) adding or adding back the following items, as the case may be: depreciation, amortization (except for amortization of deferred financing costs incurred after the Closing), future income tax expense, losses on dispositions of assets and amortization of any net discount on long-term debt assumed from vendors of properties at rates of interest less than fair value incurred after the Closing;
- (b) deducting the following items: future income tax credits, maintenance capital expenditures, interest on the CAP I LP Grid Note to the extent not already deducted in computing net income, gains on dispositions of assets and amortization of any net premium on long-term debt assumed from vendors of properties at rates of interest greater than fair value incurred after Closing; and
- (c) any other adjustments as determined by the Trustees in their discretion.

Distributable Income may be estimated by the Trustees whenever the actual amount has not been fully determined. Such estimates shall be adjusted as of a subsequent Distribution Date when the amount of Distributable Income has been determined by the Trustees.

Distributable Income shall be calculated for each Distribution Period or other calendar period selected by the Trustees.

5.2 Class Entitlement

If there are any Class M Trust Units issued, each Investor Trust Unit shall receive an equal undivided beneficial interest in and to the Investor Trust Unit Percentage Interest of any distributions from the Trust, whether of Net Income, net realized capital gains or other amounts. If there are no Class M Trust Units issued, each Investor Trust Unit shall receive an equal

undivided beneficial interest in and to all distributions from the Trust, whether of Net Income, net realized capital gains or other amounts.

If there are any Investor Trust Units issued, each Class M Trust Unit shall receive an equal undivided beneficial interest in and to the Class M Trust Unit Percentage Interest of any distributions from the Trust, whether of Net Income, net realized capital gains or other amounts. If there are no Investor Trust Units issued, each Class M Trust Unit shall receive an equal undivided beneficial interest in and to all distributions from the Trust, whether of Net income, net realized capital gains or other amounts.

5.3 Distribution of Distributable Income

The Trust may distribute to Trust Unitholders on or about each Distribution Date such percentage of the Distributable Income of the Trust for any Distribution Period or other period as the Trustees in their discretion may determine and declare. Notwithstanding the foregoing, the Trust currently intends to distribute in each year, subject to appropriate reserves as determined by the Trustees, in the range of 85% of the Distributable Income of the Trust for such year provided that the Trust receives amounts equal to such distributions from its investments. Trust Unitholders at the close of business on each Distribution Record Date shall be entitled to receive and to enforce payment of any distribution of Distributable Income declared by the Trustees for such Distribution Period. The total amount due and payable pursuant to this section on or before December 31 of any calendar year shall not be less than the amount necessary to ensure that the Trust will not be liable to pay income tax under Part I of the Tax Act for such year. The distribution for any Distribution Period will be paid on the Distribution Date for such Distribution Period. In addition to the distributions which are made payable to Trust Unitholders, the Trustees may designate and make payable any income or capital gains realized by the Trust (including any income or capital gains realized by the Trust on the redemption of Trust Units in specie) to redeeming Trust Unitholders. The Trustees, if they so determine when income has been accrued but not collected may, on a temporary basis, transfer sufficient monies from the capital to the income account of the Trust to permit distributions of income which are payable to be effected.

5.4 Year End Distribution of Net Income

On the last day of each Taxation Year an amount equal to the Net Income for such Taxation Year not previously made payable to or treated as having been paid to Trust Unitholders in the Taxation Year (including pursuant to Section 6.5) shall be payable to Trust Unitholders at the close of business on such day.

5.5 Year End Distribution of Net Realized Capital Gains

On the last day of each Taxation Year, an additional distribution equal to the Net Realized Capital Gains for such Taxation Year not previously made payable or treated as having been paid to Trust Unitholders in the Taxation Year (including pursuant to Section 6.5) shall be payable to Trust Unitholders at the close of business on such day except to the extent that the distributions previously payable or treated as having been paid to Trust Unitholders in the Taxation Year (including pursuant to Sections 5.4 and 6.5) exceed the aggregate of (A) the Net Income for such Taxation Year, and (B) any Net Realized Capital Gains previously made payable or treated as having been paid to Trust Unitholders in the Taxation Year (such excess is hereinafter referred to as an **"Excess Distribution"**).

To the extent that an additional distribution of Net Realized Capital Gains is not made by reason of an Excess Distribution, pursuant to this Section 5.5, the distributions of Distributable Income made pursuant to Section 5.1 shall be deemed to have included payment of an amount of Net Realized Capital Gains equal to the lesser of the Net Realized Capital Gains for the Taxation Year and the Excess Distribution.

5.6 Payment of Distributions

- (a) Distributions paid on each Trust Unit shall be equal to that paid on each other Trust Unit, provided that the Trustees may, in their discretion, allocate distributions among the classes of Investor Trust Units to adjust for the commissions, trailers and other costs attributable to the sales channels relating to each class of Investor Trust Unit. Cash distributions shall be made by cheque payable to or to the order of the Trust Unitholder, by electronic funds transfer or by such other manner of payment approved by the Trustees from time to time. The payment, if made by cheque, shall be conclusively deemed to have been made upon hand-delivery of a cheque to the Trust Unitholder or to his agent duly authorized in writing or upon the mailing of a cheque by prepaid first-class mail addressed to the Trust Unitholder at his address as it appears on the Register unless the cheque is not paid on presentation. In the case of joint registered Trust Unitholders, any cash payment required hereunder to be made to a Trust Unitholder shall be deemed to be required to be made to such Trust Unitholders jointly and shall be paid by cheque or bank draft but may also be, paid in such other manner as the joint registered Trust Unitholders or any one of the joint registered Trust Unitholders has designated to the Trustees and the Trustees have accepted. For greater certainty, a Trust Unitholder or any one of the joint Trust Unitholders may designate and the Trustees may accept that any payment required to be made hereunder shall be made by deposit to an account of such Trust Unitholder or to a joint account of such Trust Unitholder and any other person or in the case of joint registered Trust Unitholders to an account of joint registered Trust Unitholders or to an account of any one of the joint registered Trust Unitholders. A cheque or bank draft shall, unless the joint registered Trust Unitholders otherwise direct, be made payable to the order of all of the said joint registered Trust Unitholders, and if more than one address appears on the books of the Trust in respect of such joint unit holding, the cheque or bank draft or payment in other acceptable manner as aforesaid shall satisfy and discharge all liability of the Trustees or the Trust for the amount so required to be paid unless the cheque or bank draft is not paid at par on presentation at any other place where it is by its terms payable. The receipt by the registered Trust Unitholder in another acceptable manner of any payment not mailed or paid in accordance with this Section 5.6(a) shall be a valid and binding discharge to the Trust and to the Trustees for any payment made in respect of the registered Units and if several Persons are registered as joint registered Trust Unitholders or, in consequence of the death, bankruptcy or incapacity of a Trust Unitholder, one or several Persons are entitled so to be registered, subject to the provisions of Article 14, in accordance with this Trust Indenture, respectively, receipt of payment by any one of them shall be a valid and binding discharge to the Trust and to the Trustees for any such payment. The Trustees may issue a replacement cheque if they are satisfied that the original cheque has not been received or-has been lost or destroyed upon being

furnished with such evidence of loss, indemnity or other document in connection therewith that they may in their discretion consider necessary. A Trust Unitholder shall be entitled on the day on which a distribution is payable pursuant to Sections 5.1, 5.4 or 5.5 to enforce payment of the amount payable to the Trust Unitholder. However, no Trust Unitholder will be entitled to recover by action or other legal process against the Trust any distribution that is represented by a cheque that has not been duly presented to the Trust's banker for payment or that otherwise remains unclaimed for a period of six years from the date on which such distribution was payable.

- (b) Distributions under Section 5.3 shall be paid in cash or in Units (in the absolute discretion of the Trustees) as provided in Section 5.3, and may be reinvested in Units pursuant to any distribution reinvestment plan. Where the Trustees determine that the Trust does not have available cash in an amount sufficient to pay the full amount of any distribution which is payable hereunder on the due date for such payment, or where the Trustees otherwise determine in their absolute discretion that all or a portion of such distribution should not be paid in cash, the payment may, at the option of the Trustees, include the issuance of additional Units, or fractions of Units, if necessary, having a fair market value as determined by the Trustees equal to the difference between the amount of such distribution and the amount of cash which either has been determined by the Trustees in their absolute discretion to be available, or which the Trustees have otherwise determined shall be distributed in their absolute discretion as the case may be, for the payment of such distribution. Immediately after a distribution has been made in Units in accordance with the foregoing, the Units distributed shall be reinvested in additional Units, and then the number of outstanding Units will be consolidated so that each Unitholder will hold, after the consolidation, the same number of Units as the Unitholder held before the Unit distribution. Such additional Units will be issued pursuant to applicable exemptions under applicable security laws, discretionary exemptions granted by applicable securities regulatory authorities or a prospectus or similar filing.
- (c) For greater certainty, it is hereby expressly declared that a Unitholder shall have the legal right to enforce payment of any amount which is determined by the Trustee to be payable, or is otherwise required or deemed to be payable, to a Unitholder in accordance with this Declaration of Trust.

5.7 Withholding Taxes

- (a) The Trustees may deduct or withhold from distributions payable to any Trust Unitholder all amounts required by law to be withheld from such distributions, whether such distributions are in the form of cash, additional Trust Units or otherwise. In the event of a distribution in the form of additional Trust Units, the Trustees may sell Trust Units of such Trust Unitholder to pay such withholding taxes and to pay all the Trustees' reasonable expenses with regard thereto and the Trustees shall have the power of attorney of such Trust Unitholder to do so. Upon such sale, the affected Trust Unitholder shall cease to be the holder of such Trust Units.
- (b) If (i) any of the entities in which the Trust has invested is required under U.S. federal income tax law to deduct and withhold and remit any amount to any

governmental agency or body from any payment made by such entity to the Trust because of a particular Unitholder's status or for any other reason which is specifically attributable to a particular Unitholder (including, without limitation, the failure of a particular Unitholder to provide any required Form W-8BEN) (the particular Unitholder referred to herein as the "**relevant Unitholder**") and (ii) under applicable U.S. federal income tax law, such amount is required to be deducted and withheld and remitted on account of a U.S. federal income tax liability of the relevant Unitholder relating to the payment, then the Trust shall have the right to recover from each relevant Unitholder the full amount of such U.S. tax in such manner as is deemed appropriate by the Trust, including, without limitation, reducing distributions which would otherwise be made to such Unitholder until the Trust has recovered or selling Units of such Unitholder so as to recover, the amount so deducted, withheld and paid.

5.8 Reinvestment

The Trustees may in their sole discretion establish a distribution reinvestment plan at any time providing for the voluntary reinvestment of distributions by some or all Trust Unitholders as the Trustees determine. Such plan may entitle those Trust Unitholders that elect to participate in a bonus distribution from the Trust or otherwise be entitled to receive additional Trust Units in respect of each distribution.

5.9 Income Tax Matters

In computing the Net Income for income tax purposes for any year, except as the Trustees otherwise determine, the Trust shall claim the maximum amount of any discretionary deductions available to the Trust under the Tax Act.

5.10 Allocations of Net Income and Net Realized Capital Gains for Tax Purposes

- (a) In accordance with and to the extent permitted by the Tax Act, the Trustees shall, in each year, make such designations for Canadian income tax purposes in respect of amounts paid or payable or deemed to be paid to the Trust Unitholders for such amounts that the Trustees consider to be reasonable in all the circumstances, including designations relating to taxable dividends received or deemed to be received by the Trust in the year on shares of taxable Canadian corporations, net taxable capital gains of the Trust in the year, and foreign source income of the Trust and foreign taxes in respect of such foreign source income for the year, if any.
- (b) For U.S. federal income tax purposes, items of income, gain, loss, credits and deductions shall be allocated to Unitholders in the same proportions as distributions received by the Unitholders.

5.11 Definitions

Unless otherwise specified or the context otherwise requires, any term in Article 1 and this Article 5 which is defined in the Tax Act shall have for the purposes of Article 1 and this Article 5 the meaning that it has in the Tax Act.

Article 6

REDEMPTION OF TRUST UNITS

6.1 Right of Redemption

Each Trust Unitholder shall be entitled to require the Trust to redeem on the 15th day of any month, or if the 15th day is not a Business Day, on the next Business Day after the 15th day of the month, such date being the “**Redemption Date**”, at the demand of the Trust Unitholder as set out below all or any part of the Trust Units registered in the name of the Trust Unitholder at the prices determined and payable in accordance with the conditions hereinafter provided.

6.2 Exercise of Redemption Right

- (a) A Trust Unitholder who desires to exercise their right to require redemption, must deliver a duly completed and properly executed notice requiring the Trust to redeem Trust Units, in a form approved by the Trustees, specifying the number of Trust Units to be so redeemed, such notice to be sent to the Trust at its head office along with the Unit Certificate(s) representing the Trust Unit(s) to be redeemed. The Notice must be received 30 days before the Redemption Date to be considered for that particular Redemption Date. If 30 days notice is not given, the Trustees will not be required to consider redeeming the Unit(s) until the next subsequent Redemption Date. No form or manner of completion or execution is sufficient unless the same is in all respects satisfactory to the Trustees and is accompanied by any evidence that the Trustees may reasonably require with respect to the identity, capacity or authority of the person giving such notice. The Trustees shall be entitled in their sole discretion to accelerate the Redemption Date specified by the Trust Unitholder in the notice.
- (b) All notices shall be time and date stamped.
- (c) Upon receipt by the Trust of the notice to redeem Trust Units, the Trust Unitholder shall thereafter cease to have any rights with respect to the Trust Units tendered for redemption (other than to receive the redemption payment therefor) including the right to receive any distributions thereon which are declared payable to the Trust Unitholders of record on a date which is subsequent to the day of receipt by the Trust of such notice. Trust Units shall be considered to be tendered for redemption on the date that the Trust has, to the satisfaction of the Trustees, received the notice and other required documents or evidence as aforesaid.
- (d) All Trust Units which are redeemed under this Article 6 shall be cancelled and such Trust Units shall no longer be outstanding and shall not be reissued.

6.3 Cash Redemption

Trust Unitholders whose Trust Units are redeemed will be entitled to receive a redemption price per Trust Unit (hereinafter the “**Redemption Price**”) equal to:

- (a) in the case of the Investor Trust Units, 100% of their Fair Market Value reduced by any Early Redemption Charge that may apply; and

- (b) in the case of Class M Trust Units, an amount equal to the amount determined according to (a) above in respect of an Investor Trust Unit.

For the purposes of this Section 6.3, “**Fair Market Value**” shall be determined by the Trustees and is shall be determined by the Trustees, in their sole discretion, using other reasonable methods of determining fair market value.

Notwithstanding Section 6.2(a) and Section 6.2(b), the Trustees may reduce the Redemption Price by any Early Redemption Charge that may apply if the Units being redeemed are within the Early Redemption Period specific to the Units being redeemed. The initial Early Redemption Charge will be 6.0% of redemption proceeds in the first three years of the purchase of the Trust Units. This Early Redemption Charge may be increased, decreased, amended or waived at any time and from time to time at the discretion of the Trustees.

6.4 **No Cash Redemption in Certain Circumstances**

Section 6.3 shall not be applicable to Trust Units tendered for redemption by a Trust Unitholder, if the total amount payable by the Trust pursuant to Section 6.3 in respect of such Trust Units and all other Trust Units tendered for redemption in the same calendar month exceeds \$50,000 (the “**Monthly Limit**”); provided that the Trustees may, in their sole discretion, waive such limitation in respect of all Trust Units tendered for redemption in any particular calendar month. In the absence of such waiver, Trust Units tendered for redemption in any calendar month in which the total amount payable by the Trust pursuant to Section 6.3 exceeds the Monthly Limit will be redeemed for cash pursuant to Section 6.3 and, subject to any applicable regulatory approvals, by a distribution in specie of securities under Section 6.5 on a pro rata basis.

6.5 **In Specie Redemption**

If, pursuant to Section 6.4, Section 6.3 is not applicable to Trust Units tendered for redemption by a Trust Unitholder, the price per Trust Unit (“**Redemption Price**”) to which the Trust Unitholder is entitled shall be the fair market value thereof as determined by the Trustees and, subject to any applicable regulatory approvals, shall be paid out and satisfied by way of a distribution in specie, at the sole discretion of the Trustees by way of either of the following:

- (a) issuance and delivery of a number of the COT Notes (each in the principal amount of \$100) having an aggregate principal amount equal to the Redemption Price per Trust Unit multiplied by the number of Trust Units tendered for redemption. The Redemption Price payable pursuant to this Section 6.5(a) in respect of Trust Units tendered for redemption during any calendar month shall be paid by the issuance of the COT Notes (each in the principal amount of \$100) to or to the order of the Trust Unitholder who exercised the right of redemption, on the last day of the calendar month following the calendar month in which the Units were tendered for redemption. Payments by the Trust of the Redemption Price will conclusively be deemed to have been made upon the mailing of the relevant COT Notes by registered mail in a postage prepaid envelope addressed to the former Trust Unitholder and/or any party having a security interest in the Trust Units being redeemed. Upon such payment, the Trust shall be discharged from all liability to the former Trust Unitholder and any party having a security interest in respect of the Trust Units so redeemed. No fractional COT Notes in a principal amount less than \$100 will be issued and, where the number of securities to be received by the former Trust Unitholder

includes a fraction or a principal amount less than a multiple of \$100, such number shall be rounded to the next lowest number or multiple of \$100, as the case may be; or

- (b) a distribution in specie to the Trust Unitholder of a number of Debt Securities (each in the principal amount of \$100) having an aggregate principal amount equal to the Redemption Price per Trust Unit multiplied by the number of Trust Units tendered for redemption. To the extent that there are insufficient Debt Securities, the Trust may, in the Trustees' discretion, transfer further property to a Subsidiary (in the case of COT Notes, by exercise of the Exchange Agreement) in exchange for additional Debt Securities. The Debt Securities will then be distributed in satisfaction of the Redemption Price. The Redemption Price payable pursuant to this Section 6.5(b) in respect of Trust Units tendered for redemption during any calendar month shall be paid by the transfer of the Debt Securities (each in the principal amount of \$100) to or to the order of the Trust Unitholder who exercised the right of redemption, on the last day (the "**Transfer Date**") of the calendar month following the calendar month in which the Trust Units were tendered for redemption. The Trust shall be entitled to all interest accrued on the Debt Securities to and including the Transfer Date. Payments by the Trust of the Redemption Price will conclusively be deemed to have been made upon the mailing of the relevant Debt Securities by registered mail in a postage prepaid envelope addressed to the former Trust Unitholder and/or any party having a security interest in the Trust Units being redeemed. Upon such payment, the Trust shall be discharged from all liability to the former Trust Unitholder and any party having a security interest in respect of the Trust Units so redeemed. No fractional Debt Securities in a principal amount less than \$100 will be distributed and, where the number of securities to be received by the former Trust Unitholder includes a fraction or a principal amount less than a multiple of \$100, such number shall be rounded to the next lowest number or multiple of \$100, as the case may be.

6.6 Capital Gains and Income on In Specie Distribution

Where the Trust makes a distribution in specie of a pro rata number of Debt Securities on a redemption of Trust Units pursuant to Section 6.5(b):

- (a) the Trustees may, in their sole discretion, designate as payable to the particular redeeming Trust Unitholders receiving Debt Securities portions of the amount of the value of such Debt Securities:
 - (i) not exceeding the amount of any capital gain of the Trust as a result of the distribution of such property as an amount payable out of the Net Realized Capital Gains of the Trust; and
 - (ii) not exceeding the amount of accrued interest on Debt Securities distributed on such redemption as an amount payable out of the Trust Income;
- (b) if the Trust determines to make a payment of in specie redemption proceeds to Trust Unitholders pursuant to Section 6.5(b) with Debt Securities which are COT Notes, the Trust will exercise its rights under the Exchange Agreement to

transfer the Trust property, or an undivided beneficial interest in the Trust property, to COT in exchange for COT Notes, to make such payment using COT Notes; and

- (c) the amount of any capital gains or income realized in a year by the Trust as a result of any disposition of property by the Trust to COT pursuant to the Exchange Agreement, or to another Subsidiary pursuant to a transfer of property in exchange for Debt Securities, to permit the payment of in specie redemption proceeds to Trust Unitholders pursuant to Section 6.5(b), may, for purposes of computing the net income of the Trust under the Tax Act or other tax legislation, be treated as having been paid in the year by the Trust to the Trust Unitholders redeeming Trust Units in such year proportionate to the number of Trust Units of each such Trust Unitholder redeemed by the Trust and such portion of any capital gain will be designated by the Trust to be a taxable capital gain for the year of each particular Trust Unitholder.

Article 7

REDEMPTION OF SPECIAL VOTING UNITS

7.1 Redemption of Special Voting Units

Upon the exchange or surrender of an Exchangeable Security for a Trust Unit, the Special Voting Unit attached to such Exchangeable Security will automatically be redeemed and cancelled for no consideration without any further action of the Trustees, and the former holder of such Special Voting Unit will cease to have any rights with respect thereto shall be cancelled and shall no longer be outstanding and shall not be reissued.

Article 8

TRUSTEES

8.1 Number of Trustees

The number of Trustees shall consist of not less than five and not more than eleven Trustees, with the number of Trustees from time to time within such range being fixed by resolution of the Trustees; provided that until otherwise so determined by resolution, the number of Trustees following completion of the Rollover shall be five.

8.2 Calling and Notice of Meetings

The Trustees may act with or without a meeting. Meetings of the Trustees shall be called and held at such time and at such place in Canada as the Trustees, the Chairman of the Trustees or any two Trustees may determine, and any one Trustee or officer of the trust may give notice of meetings when directed or authorized by such persons. Notice of each meeting of the Trustees shall be given to each Trustee not less than 48 hours before the time when the meeting is to be held, provided that if a quorum of Trustees is present, the Trustees may without notice hold a meeting immediately following an annual meeting of Unitholders. Notice of a meeting of the Trustees may be given verbally, in writing or by telephone, fax or other means of communication. A notice of a meeting of Trustees need not specify the purpose of or the business to be transacted at the meeting. Notwithstanding the foregoing, the Trustees may by resolution from time to time fix a day or days in any month or months for regular meetings of the Trustees at a place and hour to be named, in which case, provided that a copy of such resolution is sent to each Trustee

forthwith after being passed and forthwith after each Trustee's appointment, no other notice shall be required for any such regular meeting. A trustee who attends a meeting of Trustees, in person or by telephone, is deemed to have waived notice of such meeting except when the Trustee attends the meeting for the purpose of objecting to the transaction of any business on the grounds that the meeting has not been lawfully called or convened. Each committee of Trustees appointed by the Trustees may adopt its own rules or procedures for the calling, conduct, adjournment and regulation of the meetings of such committees as it sees fit and may amend or repeal such rules or procedures from time to time; provided, however, that the Trustees' Resolutions and any such rules or procedures shall not be inconsistent with this Trust Indenture.

8.3 Place of Meetings

Meetings of the Trustees may be held at any place in Canada. A Trustee who attends a meeting of Trustees, in person or by telephone, is deemed to have consented to the location of the meeting except when he or she attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting has not lawfully called or convened.

8.4 Meetings by Telephone

With the consent of the chairman of the meeting or a majority of the other Trustees present at the meeting, a Trustee may participate in a meeting of the Trustees or of a committee of the Trustees by means of telephone or other communication facilities that permit all persons participating in the meeting to hear each other. A Trustee participating in such a meeting in such manner shall be considered present at the meeting and at the place of the meeting.

8.5 Quorum

The quorum for the transaction of business at any meeting of the Trustees shall consist of a majority of the number of Trustees then holding office, provided that a majority of the Trustees comprising the quorum must be Residents and Independent Trustees. Notwithstanding any vacancy among the number of Trustees, a quorum of Trustees may exercise all of the powers of the Trustees.

8.6 Chairman

The chairman of any meeting of the Trustees shall be the Trustee present at the meeting who holds the office of Chairman of the Trustees or if such person is not present, the Trustees present shall choose one of their numbers to be chairman for the purposes of that meeting. The Chairman of the Trustees and the chairman of any meeting of Trustees shall be a Resident and an Independent Trustee.

8.7 Action by the Trustees

At all meetings of the Trustees every question shall be decided by a majority of the votes cast on the question, provided, however, that the approval required with respect to any Independent Trustee Matter shall be that of a majority of the independent Trustees who have no interest in the Independent Trustee Matter. In the case of equality of votes, the chairman of the meeting shall not be entitled to a second or casting vote. The powers of the Trustees may be exercised by resolution passed at a meeting at which a quorum is present provided that the majority of the Trustees in favour of such resolution are Residents or by resolution in writing signed

by all Trustees. Resolutions in writing may be signed in counterparts each of which shall be deemed to be an original and all originals together shall be deemed to be one and the same instrument.

8.8 Adjourned Meeting

Any meeting of Trustees may be adjourned from time to time by the chairman of the meeting with the consent of the meeting to a fixed time and place. Further notice of the adjourned meeting need not be given. The adjourned meeting shall be duly constituted if a quorum is present and if it is held in accordance with the terms of the adjournment. If there is not a quorum present at the adjourned meeting, the original meeting shall be deemed to have terminated upon its adjournment.

8.9 Remuneration and Expenses

The Trustees shall be paid such compensation for their services as the Trustees may from time to time determine. The Trustees shall also be reimbursed for reasonable travel and other expenses properly incurred by them in attending meetings of the Trustees or any committee thereof, held on separate occasions, or in connection with their services as Trustees. Nothing herein contained shall preclude any Trustee from serving the Trust in any other capacity and receiving remuneration therefor. The Trustees shall be eligible to participate in any incentive plan for employees and/or officers adopted by the Trust or COT.

8.10 Officers

The Trustees from time to time may appoint one or more officers of the Trust, including without limitation a Chairman of the Trustees, and, may remove any officer of the Trust. The powers and duties of each officer of the Trust shall be those determined from time to time by the Trustees and, in the absence of such determination, shall be those usually applicable to the office held.

8.11 Residency of Trustees

A majority of the Trustees must be Residents. If at any time a majority of the Trustees are not Residents or there are no Trustees who are Residents, the Trustee or Trustees who are Non-Residents shall be deemed, immediately before that time, to have resigned and shall cease to be Trustees with effect from the time of such deemed resignation. If at any time the number of Trustees is less than the number required under this Trust Indenture and the remaining Trustee or Trustees fail or are unable to act in accordance with Sections 9.2 and/or 9.7 to appoint one or more additional Trustees or if, upon the resignation or deemed resignation of one or more Trustees there would be no Trustees, then the Unitholders shall appoint one or more Trustees so that following such appointment a majority of the Trustees are Residents and, failing such appointment, any remaining Trustee or Unitholder or officer of the Trust or the Auditors, as the case may be, may apply to the Superior Court of Ontario for an order appointing one or more Trustees so that following such appointment a majority of the Trustees are Residents, to act until the next annual meeting of Unitholders or on such other terms as the Court may order. Any Trustee who is a Resident who proposes to become a Non-Resident shall notify the other Trustees thereof as soon as reasonably practicable.

8.12 Independent Trustees

A majority of the Trustees and a majority of the members of any committee of the Trustees must be Independent Trustees, except that all members of the audit committee must be Independent Trustees. If at any time a majority of the Trustees are not Independent Trustees because of the death, resignation, bankruptcy, adjudicated incompetence, removal or change in circumstance of any Trustee who was an Independent Trustee, this requirement shall not be applicable for a period of 60 days thereafter, during which period of time the remaining Trustees, whether or not they constitute a quorum, shall appoint a sufficient number of Independent Trustees to comply with this requirement.

Article 9 APPOINTMENT, RESIGNATION AND REMOVAL OF THE TRUSTEES

9.1 Qualification of Trustees

The following persons are disqualified from being a Trustee of the Trust:

- (a) anyone who is less than 18 years of age;
- (b) anyone who is of unsound mind and has been so found by a court in Canada or elsewhere;
- (c) a person who is not an individual; and
- (d) a person who has the status of bankrupt.

A majority of the Trustees must be Independent Trustees, unless the absence of such a majority arises between meetings of the Unitholders by reason of any Trustee's resignation, death or failure to meet the above qualifications.

9.2 Appointment of Trustees

Except as otherwise provided herein, Trustees shall be appointed (including the reappointment of incumbent Trustees) at each annual meeting of Unitholders, and may be appointed at a special meeting of Unitholders, in each case to hold office, subject to Section 9.6, for a 3-year term expiring at the close of the next annual meeting of Unitholders following such an appointment. Any such appointment shall be made either by a resolution approved by a majority of the votes cast at a meeting of Unitholders or shall be made by resolution in writing in the manner set out in Section 13.14. Notwithstanding the foregoing:

- (a) if no Trustees are appointed at the annual meeting of Unitholders held immediately before the term of office of the existing Trustees expires, such existing Trustees shall continue to hold the office of Trustees under this Trust Indenture until successors have been appointed or they cease to hold office;
- (b) CAMI shall be entitled two (2) Trustees if there are less than six (6) Trustees; three (3) Trustees if there are between seven (7) and eight (8) Trustees; four (4) Trustees if there are between nine (9) and ten (10) Trustees and five (5) Trustees if there are eleven (11) Trustees;
- (c) the Trustees may, between annual meetings of the Unitholders, appoint one or more additional Trustees for a term to expire (subject to further appointment) at

the close of the next annual meeting of Unitholders, but the number of additional Trustees so appointed shall not at any time exceed one-third of the number of Trustees who held office at the expiration of the immediately preceding annual meeting of Unitholders and provided that if the appointment of an additional Trustee is to replace one of CAMI's nominees, CAMI will be entitled to appoint the Trustee; and

- (d) a majority of the Trustees holding office at any time shall be Residents.

9.3 **Consent to Act**

- (a) A person who is appointed a Trustee hereunder, other the persons appointed pursuant to Section 9.2, shall not become a Trustee until the person has, either before or after such appointment, executed and delivered to the Trust a consent substantially as follows:

"To: Centurion Apartment Real Estate Investment Trust (the "**Trust**")

And To: The Trustees thereof

The undersigned hereby consents to act as a Trustee of the Trust and hereby agrees, upon the later of the date of this consent and the date of the undersigned's appointment as a Trustee of the Trust, to thereby become a party, as a Trustee, to the third amended and restated Declaration of Trust made as of the 13th day of January, 2022, as supplemented, amended or amended and restated from time to time, constituting the Trust, and to be bound by the obligations and liabilities of a Trustee thereunder.

Dated: _____

[Signature]

[Print Name]"

- (b) Except as provided in Section 9.2, upon the later of a person being appointed a Trustee hereunder and executing and delivering to the Trust a consent substantially as set forth in Section 9.3(a), such person shall become a Trustee hereunder and shall be deemed to be a party (as a Trustee) to this Trust Indenture, as supplemented, amended or amended and restated from time to time.
- (c) The right, title and interest of the Trustees to control and exclusively administer the Trust and have title in and to the property of the Trust drawn up in their names and all other rights to the Trustees at law shall vest automatically in all individuals who may hereafter become Trustees upon their due election or appointment and qualification (including pursuant to Section 9.3(a)) without any further act, and they shall thereupon have all the rights, privileges, powers, authorities, obligations and immunities of Trustees hereunder, whether or not conveyancing documents have been executed and delivered pursuant to this Section 9.3(c) or otherwise.

9.4 Failure to Elect Minimum Number of Trustees

If a meeting of Unitholders fails to elect the minimum number of Trustees required by this Trust Indenture by reason of the disqualification or death of any nominee, the Trustees elected at the meeting may, subject to Sections 8.11 and 8.12, exercise all of the powers of the Trustees if the number of Trustees so elected constitutes a quorum.

9.5 Ceasing to Hold Office

- (a) A Trustee ceases to hold office when:
 - (i) he or she dies or resigns;
 - (ii) he or she is removed in accordance with Section 9.6;
 - (iii) he or she ceases to be duly qualified to act as a Trustee as provided under Section 9.1;
 - (iv) at the time of his appointment he was not a Resident and his appointment would result in a majority of Trustees being Non-Residents;
or
 - (v) he or she ceases to be a Trustee in accordance with Section 8.11.
- (b) A Trustee may resign at any time by an instrument in writing signed by him/her and delivered or mailed to the Chairman of the Trustees or, if there is no Chairman of the Trustees, the President of the Trust. A resignation of a Trustee becomes effective at the time a written resignation is received by the Trust upon 30 days' written notice, or at the time specified in the resignation, whichever is later, provided that if, upon the resignation becoming effective, the number of remaining Trustees would be less than the number necessary to constitute a quorum for a meeting of Trustees, the resignation is not effective until the resigning Trustee's successor is duly appointed as a Trustee, except in the case of a deemed resignation under Section 8.11 which shall be effective at the time therein prescribed.
- (c) Upon a Trustee ceasing to hold office as such hereunder, such Trustee shall cease to be a party (as a Trustee) to this Trust Indenture; provided, however, that such Trustee shall continue to be entitled to be paid any amount owing by the Trust to the Trustee and to the benefits of the indemnity provided in Section 10.11. Upon the resignation or removal of any Trustee, or his/her otherwise ceasing to be a Trustee, he or she shall: (i) cease to have the rights, privileges and powers of a Trustee hereunder; (ii) execute and deliver such documents as the remaining Trustees shall reasonably require for the conveyance of any Trust property held in his/her name; (iii) account to the remaining Trustees as they may require for all property which he or she holds as Trustee; and (iv) resign from all representative or other positions held by him or her on behalf of the Trust, including as a director or officer of any corporation in which the Trust owns any securities (directly or indirectly); upon which he or she shall be discharged from his/her obligations as Trustee. Upon the incapacity or death of any Trustee, his or her legal representative shall execute and deliver on his or

her behalf such documents as the remaining Trustees may require as provided in this Section 9.5. In the event that a Trustee or his or her legal representative, as applicable, is unable or unwilling to execute and deliver such required documents, each of the remaining Trustees is hereby appointed as the attorney of such Trustee for the purpose of executing and delivering such required documents.

9.6 Removal of Trustees

The Unitholders may remove any Trustee or Trustees from office by resolution approved by at least a majority of the votes cast at a meeting of Unitholders called for that purpose or by the written consent of the Unitholders holding in the aggregate not less than a majority of the outstanding Units entitled to vote thereon. Any Trustee or Trustees may be removed from office for cause by resolution passed by not less than two-thirds of the remaining Trustees. Any removal of a Trustee shall take effect immediately following the aforesaid vote or resolution, and any Trustee so removed shall be so notified by the Chair or another officer of the Trust forthwith following such removal. A vacancy created by the removal of a Trustee may be filled at the meeting of Unitholders at which the Trustee is removed or, if not so filled, may be filled as set forth in Section 9.7.

9.7 Filling Vacancies

No vacancy among the Trustees shall operate to annul this Trust Indenture or affect the continuity of the Trust. Until vacancies are filled, the remaining Trustee or Trustees (even if less than a quorum) may exercise the powers of the Trustees hereunder. A quorum of Trustees may fill a vacancy among the Trustees, except a vacancy resulting from an increase in the number of Trustees other than in accordance with Section 8.1 or from a failure of the Unitholders to elect the minimum number of Trustees fixed by or pursuant to this Trust Indenture, or in the case of a vacancy created by a CAMI nominee no longer serving as Trustee, CAMI shall fill such vacancy. - (a) Subject to Section 10.6, none of the Trustees nor any officers or any agents of the Trust shall be liable to any Unitholder or holder of Exchangeable Securities or any other person in tort, contract or otherwise for any action taken or not taken in good faith in reliance on any documents that are, prima facie, properly executed; for any depreciation of, or loss to, the Trust incurred by reason of the sale of any security, for the loss or disposition of monies or securities; or for any other action or failure to act including, without limitation, the failure to compel in any way any former Trustee to redress any breach of trust or any failure by any person to perform obligations or pay monies owed to the Trust, unless such liabilities arise out of a breach of the standard of care, diligence and skill as set out in Section 10.6. If the Trustees have retained an appropriate expert, advisor or legal counsel with respect to any matter connected with their duties under this Trust Indenture, the Trustees may act or refuse to act based on the advice of such expert, advisor or legal counsel and, notwithstanding any provision of

this Trust Indenture, including, without limitation, the standard of care, diligence and skill set out in Section 10.6 hereof, the Trustees shall not be liable for and shall be fully protected from any action or refusal to act based on the advice of any such expert, advisor or legal counsel which it is reasonable to conclude is within the expertise of such expert or advisor to give.

The Trustees shall not be subject to any personal liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Trust arising out of anything done or permitted or omitted to be done in respect of the execution of the duties of the office of Trustees for or in respect to the affairs of the Trust. No property or assets of the Trustees, owned in their personal capacity or otherwise, will be subject to any levy, execution or other enforcement procedure with regard to any obligations under this Trust Indenture or under any other related agreements. No recourse may be had or taken, directly or indirectly, against the Trustees in their personal capacity or against any incorporator shareholder, director, officer, employee or agent of the Trustees or any successor of the Trustees. The Trust shall be solely liable therefor and resort shall be had solely to the Trust's property for payment or performance thereof.

In the exercise of the powers, authorities or discretion conferred upon the Trustees under this Trust Indenture, the Trustees are and shall be conclusively deemed to be acting as trustees of the Trust's property.

10.11 Indemnifications

- (a) Each Trustee, each former Trustee, each officer of the Trust and each former officer of the Trust shall be entitled to be and shall be indemnified and reimbursed out of the Trust's property in respect of any and all taxes, penalties or interest in respect of unpaid taxes or other governmental charges imposed upon the Trustee or former Trustee or officer or former officer in consequence of the performance of its duties hereunder, other than in respect of remuneration received by such person for the performance of such duties, and in respect of any and all costs, charges and expenses, including amounts paid to settle an action or satisfy a judgment, reasonably incurred in respect of any civil, criminal or administrative, investigative or other action or proceeding to which the Trustee, former Trustee, officer or former officer is made a party by reason of being or having been a Trustee or officer of the Trust or any subsidiary thereof, provided that a Trustee, former Trustee, officer or former officer shall not be indemnified out of the Trust's property in respect of unpaid taxes or other governmental charges or in respect of such costs, charges and expenses that arise out of or as a result or in the course of a breach of the standard of care, diligence and skill set out in Section 10.6. A Trustee, former Trustee, officer or former officer shall not be entitled to satisfy any right of indemnity or

reimbursement granted herein, or otherwise existing under law, except out of the Trust's property, and no Trust Unitholder, Annuitant or other Trustee or officer shall be personally liable to any person with respect to any claim for such indemnity or reimbursement as aforesaid.

Romundt, his heirs, personal representatives, executors and administrators, 2075294, CAMI, CAPI, each of their respective affiliates and each is hereby indemnified from and against all claims, actions, causes of action (including amounts paid to settle an action or satisfy a judgment) and all reasonable expenses, charges and disbursements of every kind and nature incurred by him/it, including those for the services of any experts, legal fees, charges and disbursements on an as between a solicitor and his/its own client basis incurred by him in defending any proceeding giving rise to any claim, action or judgment in respect of any guarantee or indemnity given by him/it regarding any of the obligations of the Trust or any Affiliate of the Trust to persons dealing at arm's length with him out of the Trust's property. No Trust Unitholder, Annuitant or Trustee or officer shall be personally liable to any person with respect to any claim for such indemnity or reimbursement as aforesaid.

10.12 Contractual Obligations of the Trust

In respect of any obligations or liabilities being incurred by the Trust or the Trustees on behalf of the Trust, the Trustees and the Trust shall make all reasonable efforts to include in any written instrument which is, in the judgment of the Trustees, a material obligation as a specific term of such obligations or liabilities a contractual provision or be subject to an acknowledgement to the effect that the obligation being created is not personally binding upon and that resort shall not be had to, nor shall recourse or satisfaction be sought from, by way of lawsuit or otherwise, the private property of any of the Trustees, Unitholders, Annuitants or officers, employees or agents of the Trust, but that only property of the Trust or a specific portion thereof shall be bound. The Trust, however, is not required, but shall use all reasonable efforts, to comply with this requirement in respect of obligations assumed by the Trust upon the acquisition of real property. The omission of such statement from any such document or instrument shall not render the Trustees or the Unitholders or Annuitants liable to any person, nor shall the Trustees or the Unitholders or Annuitants be liable for such omission. If, notwithstanding this provision, any of the Trustees or any Unitholder or Annuitant shall be held liable to any person by reason of the omission of such statement from any such agreement, undertaking or obligation, then such Trustee, Unitholder or Annuitant shall be entitled to indemnity and reimbursement out of the Trust's property to the full extent of such liability.

10.13 Conflicts of Interest

After Closing, if a Trustee or an officer of the Trust is a party to a Material Contract or transaction or proposed material contract or transaction with the Trust or its subsidiaries, or is a director or officer or employee of, or otherwise has a material interest in, any person who is a party to a Material Contract or transaction or proposed material contract or transaction with the Trust or its subsidiaries, such Trustee or officer of the Trust, as the case may be, shall disclose in writing to the Trustees or request to have entered in the minutes of meetings of Trustees or a committee of the Trustees, as the case may be, the nature and extent of such interest.

 - (iii) if the Trustee or officer becomes interested after a contract is made or a transaction is entered into, at the first meeting after he or she becomes so interested; or
 - (iv) if a person who is interested in a contract or transaction later becomes a Trustee or officer, at the first such meeting of Trustees after he or she assumes that capacity.
- (b) Notwithstanding paragraph (a), where this Section 10.13 applies to any person in respect of a Material Contract or transaction or proposed material contract or transaction that, in the ordinary course of the affairs of the Trust, would not require approval by the Trustees or the Unitholders, such person shall disclose in writing to the Trustees or request to have entered in the minutes of meetings of Trustees the nature and extent of his interest forthwith after that person becomes aware of the contract or transaction or proposed contract or transaction.
- (c) A Trustee referred to in this Section 10.13 shall not vote on any resolution to approve the contract or transaction unless the contract or transaction is:

In the event that a meeting of the Unitholders is called to confirm or approve a contract or transaction which is the subject of a general notice to the Trustees, the nature and extent of the interest in the contract or transaction of the Persons giving such general notice shall be disclosed in reasonable detail in the notice calling the said meeting of the Unitholders or in any information circular to be provided by this Trust Indenture or by law.

- (i) the Trustee or officer, as applicable, is not accountable to the Trust or to the Unitholders for any profit or gain realized from the contract or transaction; and
- (ii) the contract or transaction is neither void nor voidable;

by reason only of that relationship or by reason only that the Trustee or officer is present at or is counted to determine the presence of a quorum at the meeting of Trustees or committee of Trustees that authorized the contract or transaction, if the Trustee or an officer disclosed his or her interest in accordance with this Section 10.13 and the contract or transaction was reasonable and fair to the Trust at the time it was so approved.

- (f) Notwithstanding anything in this Section 10.13, but without limiting the effect of paragraph (e) hereof, a Trustee or officer of the Trust, acting honestly and in good faith, is not accountable to the Trust or to the Unitholders for any profit or gain realized from any such contract or transaction by reason only of holding the office of Trustee or officer, and the contract or transaction, if it was reasonable and fair to the Trust at the time it was approved, is not by reason only of the Trustee's or officer's interest therein void or voidable, where:

- (g) Subject to paragraphs (e) and (f) hereof, where, after Closing, any Trustee or officer of the Trust fails to disclose his interest in a Material Contract or transaction in accordance with this Trust Indenture or otherwise fails to comply with this Section 10.13, the Trustees or any Unitholder, in addition to exercising any other rights or remedies in connection with such failure exercisable at law or in equity, may apply to a court for an order setting aside the contract or transaction and directing that the Trustee or officer account to the Trust for any profit or gain realized.

10.14 Conditions Precedent

The obligation of the Trustees to commence or continue any act, action, suit or proceeding or to represent the Trust in any action, suit or proceeding shall be conditional upon sufficient funds being available to the Trustees from the Trust's property to commence or continue such act, action, suit or proceeding or to represent the Trust in any action, suit or proceeding and an indemnity reasonably satisfactory to the Trustees to protect and hold harmless the Trustees against the costs, charges and expenses and liabilities to be incurred therein and any loss and damage it may suffer by reason thereof. None of the provisions contained in this Trust Indenture shall require the Trustees to expend or risk their own funds or otherwise incur financial liability in the performance of their duties or in the exercise of any of their rights or powers unless it is given an indemnity and funding satisfactory to the Trustees, acting reasonably.

10.15 Independent Trustee Matters

Notwithstanding anything herein to the contrary, in addition to requiring the approval of a majority of the Trustees, the approval of not less than a majority of the Independent Trustees holding office at such time who have no interest in the matter (given by vote at a meeting of Trustees or by written consent) shall be required with respect to any decision regarding Independent Trustee Matters.

Article 11 COMMITTEES OF TRUSTEES

11.1 Delegation

Except as prohibited by law, the Trustees may appoint from their number a committee of Trustees and may delegate to the committee of Trustees such authority as the Trustees may in their sole discretion deem necessary or desirable to effect the administration of the duties of the Trustees under this Trust Indenture, without regard to whether such authority is normally granted or delegated by Trustees, provided that a majority of the Trustees appointed to any committee shall be Residents and, subject to Section 11.2, a majority of the Trustees appointed to any committee shall be Independent Trustees.

11.2 Audit Committee

The Trustees shall appoint an audit committee (the “**Audit Committee**”) to consist of not less than three Trustees all of whom shall be Independent Trustees and who shall meet any requirements imposed by applicable law, including without limitation the requirements of Multilateral Instrument 52-110 – Audit Committees, for the purpose of membership on such committee.

The Auditors are entitled to receive notice of every meeting of the Audit Committee and, at the expense of the Trust, to attend and be heard thereat and, if so requested by a member of the Audit Committee, shall attend any meeting of the Audit Committee held during the term of office of the Auditors. Questions arising at any meeting of the Audit Committee shall be decided by a majority of the votes cast. Decisions may be taken by written consent signed by all of the members of the Audit Committee. The Auditors of the Trust or a member of the Audit Committee may call a meeting of the Audit Committee on not less than 48 hours’ notice.

11.3 Procedure

Unless otherwise determined by the Trustees, a quorum for meetings of any committee shall be a majority of its members provided that a majority of the Trustees comprising such quorum must be Residents. Each committee shall have the power to appoint its chairman who must be a Resident and the rules for calling, holding, conducting and adjourning meetings of the committee shall be the same as those governing meetings of the Trustees. Each member of a committee shall serve during the pleasure of the Trustees and, in any event, only so long as he or she shall be a Trustee. The Trustees may fill vacancies in a committee by appointment from among their members. Provided that a quorum is maintained, the committee may continue to exercise its powers notwithstanding any vacancy among its members.

Article 12 AMENDMENT

12.1 Amendment

Subject to Section 12.2, the provisions of this Trust Indenture, except where specifically provided otherwise, may only be amended by the vote of a majority of the votes cast at a meeting of Unitholders duly called for that purpose; provided that the provisions of this Trust Indenture may be amended by the Trustees without the consent, approval or ratification of the Unitholders or any other person:

- (a) at any time and in any manner prior to the Closing; or
- (b) after the Closing for the purpose of:
 - (i) ensuring continuing compliance with applicable laws (including the Tax Act and maintaining the Trust's status as a "mutual fund trust" under the Tax Act), regulations, requirements or policies of any governmental or other authority, having jurisdiction over the Trustees, the Trust or over the distribution of Trust Units;
 - (ii) providing additional protection, in the opinion of the Trustees, for the Unitholders;
 - (iii) removing any conflicts or inconsistencies in this Trust Indenture or making minor corrections including the rectification of any ambiguities, defective provisions, errors, mistakes or omissions which are, in the opinion of the Trustees, necessary or desirable and not prejudicial to the Unitholders;
 - (iv) making amendments which, in the opinion of the Trustees, are necessary or desirable to remove conflicts or inconsistencies between the disclosure in the Circular and this Trust Indenture;
 - (v) making amendments which, in the opinion of the Trustees, are necessary or desirable as a result of changes in generally accepted accounting principles (including accounting guidelines) or taxation or other laws or the administration or enforcement thereof;
 - (vi) enabling the Trust to issue Units for which the purchase price is payable in instalments;
 - (vii) to create one or more additional classes of units solely to provide voting rights to holders of shares, units or other securities that are exchangeable for Units entitling the holder thereof to a number of votes not exceeding the number of Units into which the exchangeable shares, units or other securities are exchangeable or convertible but that do not otherwise entitle the holder thereof to any rights with respect to the Trust's property or income other than a return of capital; or

- (viii) any purpose (except one in respect of which a Unitholder vote is specifically otherwise required) if the Trustees are of the opinion that the amendment is not prejudicial to Trust Unitholders and is necessary or desirable,

but notwithstanding the foregoing, no such amendment shall modify the right to vote attached to any Unit or the entitlement to distributions from the Trust provided hereunder (including those provided for in Article 5 and Article 15) represented by any Unit without the consent of the Unitholders and no such amendment shall reduce the percentage of votes required to be cast at a meeting of the Unitholders for the purpose of this Section 12.1 without the consent of the holders of all of the Units then outstanding or cause the Trust to fail or cease to qualify as a "mutual fund trust" under the Tax Act.

12.2 Special Resolution Vote

Notwithstanding Section 12.1, no action or authorization and no amendment may be made to this Trust Indenture by the Trustees with respect to:

- (a) the termination of the Trust;
- (b) any combination, merger, amalgamation or arrangement of the Trust, COT, CAP I LP or CAP II LP, as the case may be, any sale of all or substantially all of the assets of the Trust, COT, CAP I LP or CAP II LP, as the case may be, or the liquidation or dissolution of the Trust, COT, CAP I LP, CAP II LP, as the case may be, (other than as part of an internal reorganization of the assets of the Trust, COT, CAP I LP or CAP II LP, as the case may be, as approved by the Trustees);
- (c) the provisions of Section 4.1;
- (d) the provisions of the COT Indenture concerning the computation of net income;
- (e) an exchange, reclassification or cancellation of all or part of the Units other than as specifically provided for in Section 7.1 with respect to Special Voting Units;
- (f) the addition, change or removal of the rights, privileges, restrictions or conditions attached to the Units and, including, without limiting the generality of the foregoing: (i) the removal or change of rights to distributions;
 - (i) the addition or removal of or change to conversion privileges, options, voting, transfer or pre-emptive rights; or
 - (ii) the reduction or removal of a distribution preference or liquidation preference;
- (g) the creation of new rights or privileges attaching to certain of the Units; or
- (h) the constraint on the issue, transfer or ownership of Units or the change or removal of such constraint, except as otherwise provided herein;

except in each case with the approval of Unitholders given by the affirmative vote of at least two-thirds of the votes cast at a meeting of Unitholders duly called for that purpose. The provisions of

Section 4.2 maybe amended with the approval of a majority of the votes cast by Unitholders duly called for that purpose.

12.3 Variation of Rights

Except as otherwise provided herein, the rights and restrictions attached to Trust Units and Special Voting Units, respectively, may not be varied or abrogated without the consent of the holders of the outstanding Trust Units or Special Voting Units, as the case may be, by Special Resolution voting separately as a class. There shall not otherwise be class votes of Trust Units or Special Voting Units.

12.4 Changes to Other Documents

The Trust will not agree to or approve any material change to the CAP II LP Partnership Agreement, the COT Indenture or the Exchange Agreement without approval of at least a two-thirds majority of the votes cast at a meeting of the Unitholders called for that purpose.

12.5 No Termination

No amendment to or amendment and restatement of this Trust Indenture, whether pursuant to this Article 12 or otherwise, shall be construed as a termination of the Trust and the settlement or establishment of a new trust.

Article 13 MEETINGS OF UNITHOLDERS

13.1 Annual and Special Meetings of Unitholders

Annual meetings of the Unitholders shall be called on a day on or before September 30 in each year, at a time and at a place in Canada set by the Trustees. The business transacted at such meetings shall include (i) the presentation of the audited financial statements of the Trust for the immediately preceding fiscal year, (ii) the appointment of the Trustees for the ensuing year in accordance with Article 9, (iii) the appointment of Auditors, (iv) directing the Trustees as to the election of nominees of the Trust to serve as COT Trustees, (v) directing the Trustees as to the election of nominees of the Trust to serve as Directors of CAP II GP, and (vi) the transaction of such other business as Unitholders may be entitled to vote upon as hereinafter provided in this Article 13 or as the Trustees may determine. Special meetings of the Unitholders may be called at any time by the Trustees and, except in the circumstances contemplated by Section 105(3) of the *Business Corporations Act* (Ontario), (to be applied *mutatis mutandis* to Unitholders as if they were shareholders of a business corporation incorporated under the said Act), must be called by the Trustees upon a written request of Unitholders holding in the aggregate not less than 5% of the Units then outstanding, such request specifying in reasonable detail the business proposed to be transacted at the meeting. The chairperson of any annual or special meeting shall be the Chairman of the Trustees or any other Trustee specified by resolutions of the Trustees or, in the absence of any Trustee, any person appointed as chairperson of the meeting by the Unitholders present. The Trustees, the officers of the Trust, the Auditors and any other person approved by the Trustees, the chairperson of the meeting or by resolution passed by a majority of the votes cast by Unitholders represented at the meeting may attend meetings of the Unitholders. Unitholders shall have the right to obtain a list of Unitholders to the same extent and upon the same conditions as those which apply to shareholders of a corporation for and by the *Business Corporation Act* (Ontario).

13.2 Notice of Meetings

Notice of all meetings of Unitholders shall be given by unregistered mail, postage prepaid, addressed to each Unitholder at his or her last address on the books of the Trust, mailed at least 30 days and not more than 50 days before the meeting. Such notice shall specify the time when, and the place in Canada where, such meeting is to be held and shall specify the nature of the business to be transacted at such meeting in sufficient detail to permit a Unitholder to form a reasoned judgment thereon, together with the text of any Special Resolution, at the time of mailing of the notice, proposed to be passed. Any adjourned meeting, other than a meeting adjourned for lack of a quorum under Section 13.6(b), may be held as adjourned without further notice. The accidental omission to give notice or the non-receipt of such notice by a Unitholder shall not invalidate any resolution passed at any such meeting. Notwithstanding the foregoing, a meeting of Unitholders may be held at any time without notice if all the Unitholders are present or represented thereat (unless the Unitholder or other person attends the meeting for the purpose of objecting to the transaction of any business on the grounds that the meeting is not properly called) or those not so present or represented have waived notice. Any Unitholder (or a duly appointed proxy of a Unitholder) may waive any notice required to be given under the provisions of this Section 13.2, and such waiver, whether given before or after the meeting, shall cure any default in the giving of such notice.

13.3 Quorum

At any meeting of the Unitholders, subject as hereinafter provided, a quorum shall consist of two or more individuals present in person either holding personally or representing as proxies not less in aggregate than 10% of the aggregate number of votes attached to all outstanding Units. In the event of such quorum not being present at the appointed place on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, the meeting, if called by request of Unitholders, shall be terminated and, if otherwise called, shall stand adjourned to such day being not less than seven days later and to such place in Canada and time as may be appointed by the chairperson of the meeting. If at such adjourned meeting a quorum as above defined is not present, the Unitholders present either personally or by proxy shall form a quorum, and any business may be brought before or dealt with at such an adjourned meeting which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same.

13.4 Voting Rights of Unitholders

Only Unitholders of record shall be entitled to vote. On a poll vote at any meeting of Unitholders, each Trust Unit shall entitle the holder or holders of that Trust Unit to one vote, and each Special Voting Unit shall entitle the holder or holders of that Special Voting Unit to the number of votes determined in accordance with Section 3.1(j). Every question submitted to a meeting, other than a Special Resolution, shall, unless a poll vote is demanded, be decided by a show of hands, on which every person present and entitled to vote shall be entitled to one vote. At any meeting of Unitholders, any holder of Units entitled to vote thereat may vote by proxy and a proxy need not be a Unitholder, provided that no proxy shall be voted at any meeting unless it shall have been received by the Registrar for verification at least 24 hours prior to the commencement of such meeting. When any Unit is held jointly by several persons, any one of them may vote at any meeting in person or by proxy in respect of such Unit, but if more than one of them shall be present at such meeting in person or by proxy, and such joint owners or their proxies so present disagree as to any vote to be cast, such vote purporting to be executed by or

on behalf of a Unitholder shall be deemed valid unless challenged at or prior to its exercise, and the burden of proving invalidity shall rest on the challenger.

13.5 Certain Matters on which Unitholders must Vote

None of the following shall occur unless the same has been duly approved by the Unitholders at a meeting duly called and held:

- (a) subject to Sections 8.1, 9.2 and 9.6, a change in the number, the election or removal, of Trustees;
- (b) except as provided in Article 18, the appointment or removal of auditors of the Trust;
- (c) the appointment of an inspector as provided in Section 13.11;
- (d) the exercise by the Trust of certain voting rights attached to the COT Units held by it and the exercise by COT of the voting rights attaching to the Class A LP Units held by it as provided in Sections 10.4 and 12.4; or
- (e) any amendment to this Trust Indenture (except as provided in Section 4.5 or Section 12.1).

Nothing in this Section 13.5, however, shall prevent the Trustees from submitting to a vote of Unitholders at a meeting any matter which they deem appropriate.

13.6 Meaning of “Special Resolution”

- (a) The expression “**Special Resolution**” when used in this Trust Indenture means, subject to this Article 13, a resolution proposed to be passed as a special resolution at a meeting of Unitholders (including an adjourned meeting) duly convened for that purpose and held in accordance with the provisions of this Section 13.6 at which two or more individuals present in person either holding personally or representing as proxies not less in aggregate than 10% of the number of votes attached to the Units then outstanding and passed by the affirmative votes of the holders of at least two-thirds of the Units represented at the meeting and voted on a poll upon such resolution.
- (b) Notwithstanding Section 13.3, if at any meeting at which a Special Resolution is proposed to be passed the holders of 10% of the aggregate number of votes attached to all outstanding Units are not present in person or by proxy within 30 minutes after the time appointed for the meeting, then the meeting, if convened by or on the requisition of Unitholders, shall be dissolved, but in any other case it shall stand adjourned to such date, being not less than 30 nor more than 60 days later and to such place in Canada and time as may be appointed by the chairperson of the meeting. Not less than 10 days prior notice shall be given of the time and place of such adjourned meeting in the manner provided in Section 13.2. Such notice shall state that at the adjourned meeting the Unitholders present in person or by proxy shall form a quorum but it shall not be necessary to set forth the purposes for which the meeting was originally called or any other particulars. At the adjourned meeting, the Unitholders present in person or by proxy shall form a quorum and may transact the business for which the meeting

was originally convened and a resolution proposed at such adjourned meeting and passed by the requisite vote as provided in Section 13.6(a) shall be a Special Resolution within the meaning of this Trust Indenture, notwithstanding that the holders of less than 10% of the aggregate number of Units then outstanding are present in person or by proxy at such adjourned meeting.

- (c) Votes on a Special Resolution shall always be given on a poll and no demand for a poll on a Special Resolution shall be necessary.
- (d) For the purpose of a separate class vote by the holders of Trust Units or Special Voting Units as a class as provided herein, the expression “**Special Resolution**” means a resolution proposed to be passed at a separate meeting of holders of Trust Units or Special Voting Units, as the case may be, at which meeting the provisions of this Article 13 shall apply *mutatis mutandis*.

13.7 Meaning of “Outstanding”

Subject to the provisions of Article 14, every Unit issued, certified and delivered hereunder shall be deemed to be outstanding until it shall be cancelled or delivered to the Trustees or Registrar for cancellation provided that:

- (a) when a new certificate has been issued in substitution for a Unit Certificate which has been lost, stolen, mutilated or destroyed, only one of such Unit Certificates shall be counted for the purposes of determining the number of Units outstanding;
- (b) for the purpose of any provision of this Trust Indenture entitling holders of outstanding Units to vote, sign consents, requisitions or other instruments or take any action under this Trust Indenture, Units deemed not to be outstanding pursuant to Section 14.5 and Units owned directly or indirectly, legally or equitably, by the Trust, COT, CAP I LP, CAP II LP or any affiliate thereof shall be disregarded, except that:
 - (i) for the purpose of determining whether the Trustees shall be protected in relying on any such vote, consent, requisition or other instrument or action only the Units which the Trustees know are so deemed or owned shall be so disregarded; and
 - (ii) Units so owned which have been pledged in good faith other than to the Trust, COT, CAP I LP, CAP II LP or an affiliate thereof shall not be so disregarded if the pledgee shall establish to the satisfaction of the Trustees the pledgee’s right to vote such Units in his or her discretion free from the control of the Trust, COT, CAP I LP, CAP II LP or any affiliate thereof; and
- (c) for the purposes of Section 13.7(b), COT, CAP I LP and CAP II LP shall provide a certificate which will state the number of Units and the certificate numbers of Unit Certificates, if such certificates are issued, of the Trust, which are held by COT, CAP I LP, CAP II LP or any affiliate thereof. The Trustees shall be entitled to rely on such certificates in order to disregard the votes of any of the parties mentioned above.

13.8 Record Date for Voting

For the purpose of determining the Unitholders who are entitled to vote or act at any meeting or any adjournment thereof, the Trustees may fix a date not more than 60 days and not less than 30 days prior to the date of any meeting of Unitholders as a record date for the determination of Unitholders entitled to vote at such meeting or any adjournment thereof, and any Unitholder who was a Unitholder at the time so fixed shall be entitled to receive notice of and vote at such meeting or any adjournment thereof even though the Unitholder has since that time disposed of his or her Units, and no Unitholder becoming such after that time shall be so entitled to vote at such meeting or any adjournment thereof, unless the Trustees determine otherwise. In the event that the Trustees do not fix a record date for any meeting of Unitholders, the record date for such meeting shall be the date upon which notice of the meeting is given as provided under Section 13.2.

13.9 Proxies

Whenever the vote or consent of Unitholders is required or permitted under this Trust Indenture, such vote or consent may be given either directly by the Unitholder or by a proxy. The instrument appointing a proxy must be in writing and either substantially in a form which may be approved by the Trustees acting reasonably or as may be satisfactory to the chairman of the meeting at which it is sought to be exercised. The instrument of proxy must be executed by the Unitholder giving the proxy or his or her agent duly authorized in writing and, if given on behalf of joint holders, must be executed by all of them and may be revoked by any of them, and, if given by a Unitholder which is a body corporate, must be executed on its behalf by a person duly authorized in writing. Any person may be appointed a proxy, whether or not that person is a Unitholder. The Trustees, on behalf of the Trust, may solicit instruments of proxy from the Unitholders or any of them in respect of any matter requiring or permitting the Unitholders' vote or consent. An instrument of proxy shall be deposited with the chairman of the meeting before any vote is cast under its authority or at such earlier time or in such manner as the Trustees may prescribe from time to time.

An instrument of proxy executed in compliance with the foregoing shall be valid unless challenged at the time of or prior to its exercise and the person challenging the instrument shall have the burden of proving, to the satisfaction of the chairman of the meeting at which the instrument is proposed to be used, that the instrument of proxy is invalid. Any decision of the chairman of the meeting in respect of the validity of an instrument of proxy shall be final and binding upon all persons. An instrument of proxy shall be valid only at the meeting with respect to which it was solicited or any adjournment thereof.

A vote cast in accordance with any proxy shall be valid notwithstanding the death, incapacity, insolvency or bankruptcy of the Unitholder giving the proxy or the revocation of the proxy unless written notice of the death, incapacity, insolvency, bankruptcy of the Unitholder or revocation of the proxy has been received by the chairman of the meeting prior to the time the vote is cast.

13.10 Personal Representatives

Subject to the provisions of Article 14, if a Unitholder is deceased, his personal representative, upon filing with the secretary of the meeting such proof of his appointment as the secretary considers sufficient, shall be entitled to exercise the same voting rights at any meeting of Unitholders as the Unitholder would have been entitled to exercise if the Unitholder were living

and for the purpose of the meeting shall be considered to be a Unitholder. Subject to the provisions of the will of a deceased Unitholder, if there is more than one personal representative, the provisions of Section 13.4 relating to joint holders shall apply.

13.11 Appointment of Inspector

The Trustees shall call a meeting of Unitholders upon the written request of Unitholders holding in the aggregate not less than 25% of the Units then outstanding for the purpose of considering the appointment of an inspector to investigate the performance by the Trustees of their responsibilities and duties in respect of the Trust. An inspector may be appointed for such purpose, at the expense of the Trust, at such meeting by a resolution approved by a majority of the votes cast at the meeting.

13.12 Conduct of Meetings

To the extent that the rules and procedures for the conduct of a meeting of Unitholders are not prescribed herein, the rules and procedures shall be such reasonable rules and procedures as are determined by the Chairman of the meeting and such rules and procedures shall be binding upon all parties participating in the meeting.

13.13 Binding Effect of Resolutions

Every resolution passed at a meeting in accordance with the provisions of this Article 13 shall be binding upon all Unitholders, whether present at or absent from the meeting. Subject to Section 13.5, no action taken by Unitholders at any meeting of Unitholders shall in any way bind the Trust or the Trustees without the approval of the Trustees.

13.14 Resolution in Lieu of Meeting

Notwithstanding any other provision of this Trust Indenture, a resolution signed in writing by all of the Unitholders entitled to vote on that resolution at a meeting of the Unitholders is as valid as if it had been passed at a meeting of the Unitholders.

13.15 Actions by Unitholders

Any action, change, approval, decision or determination required or permitted to be taken or made by the Unitholders hereunder shall be effected by a resolution passed by the Unitholders at a duly constituted meeting (or a special resolution in lieu hereof) in accordance with this Article 13.

Article 14 CERTIFICATES, REGISTRATION AND TRANSFER OF UNITS

14.1 No Alteration

- (a) The provisions of this Article 14 shall not in any way alter the nature of the Units or the relationships of a Unitholder to the Trustees and of one Unitholder to another but are intended only to facilitate the issuance of certificates evidencing the ownership of Trust Units if desirable to issue them to Trust Unitholders and the recording of all transactions in respect of Trust Units and Unit Certificates whether by the Trust, securities dealers, registrars or other persons. Trust Units may be issued in the form of the Unit Certificate;

14.2 Unit Certificates

- (a) Unit Certificates shall, subject to the provisions hereof, be in such form as is authorized from time to time for Investor Trust Units or Class M Trust Units, as applicable, by the Trustees.
- (b) If issued, Unit Certificates are issuable only in fully registered form.
- (c) The definitive form of the Unit Certificates shall:
 - (i) be in the English language;
 - (ii) be dated as of the date of issue thereof; and
 - (iii) contain such distinguishing letters and numbers as the Trustees shall prescribe.
- (d) In the event that the Unit Certificate is translated into the French language and any provision of the Unit Certificate in the French language shall be susceptible of an interpretation different from the equivalent provision in the English language, the interpretation of such provision in the English language shall be determinative.
- (e) Each Unit Certificate shall be signed on behalf of the Trustees and the Registrar of the Trust. The signature of the Trustees required to appear on such certificate may be printed, lithographed or otherwise mechanically reproduced thereon and, in such event, certificates so signed are as valid as if they had been signed manually.

14.3 Contents of Unit Certificates

- (a) Until otherwise determined by the Trustees, each Unit Certificate shall legibly set forth on the face thereof, *inter alia*, the following:
 - (i) the name of the Trust and the words "A trust governed under the laws of the Province of Ontario created by a third amended and restated declaration of trust made as of the 13th day of January, 2022, as supplemented, amended and amended and restated from time to time" or words of like effect;
 - (ii) the name of the person to whom the Unit Certificate is issued as Trust Unitholder;
 - (iii) the number of Trust Units represented thereby and whether or not the Trust Units represented thereby are fully paid;
 - (iv) that the Trust Units represented thereby are transferable subject to Article 14 of this Trust Indenture;

- (v) “The Trust Units represented by this certificate are issued upon the terms and subject to the conditions of the third amended and restated declaration of trust made as of 13th day of January, 2022 (the “**Declaration of Trust**”) which is binding upon all holders of Trust Units and, by acceptance of this certificate, the holder assents to the terms and conditions of the Declaration of Trust. A copy of the Declaration of Trust, pursuant to which this certificate and the Units represented thereby are issued may be obtained by a Unitholder on demand and without fee from the head office of the Trust” or words of like effect; and
 - (vi) “For information as to personal liability of a Trust Unitholder, see the reverse side of this certificate” or words of like effect.
- (b) Until otherwise determined by the Trustees, each such certificate shall legibly set forth on the reverse side thereof, *inter alia*, the following:
 - (i) “The Declaration of Trust provides that no Trust Unitholder or annuitant or beneficiary of a trust governed by a registered retirement savings plan, a registered retirement income fund, a registered education savings plan or a deferred profit sharing plan or any other plan of which a Trust Unitholder acts as trustee or carrier shall be subject to any personal liability whatsoever, in tort, contract or otherwise, to any person in connection with the assets of the Trust or the obligations or the affairs of the Trust and all such persons shall look solely to the assets of the Trust for satisfaction of claims of any nature arising out of or in connection therewith and the assets of the Trust only shall be subject to levy or execution”, or words of like effect; and
 - (ii) appropriate forms of notice of exercise of the right of redemption and of powers of attorney for transferring Trust Units.

The Unit Certificates may be engraved, printed or lithographed, or partly in one form and partly in another, as the Trustees may determine.

14.4 Register of Unitholders

A register (the “**Register**”) shall be kept at the office of the Registrar in the town of Toronto, Ontario, which Register shall contain the names and addresses of the Unitholders, the respective numbers of Units and type of Units held by them, the certificate numbers of certificates representing such Units, if any, and a record of all transfers and redemptions thereof. Only Unitholders whose Units or certificates are so recorded shall be entitled to receive distributions or to exercise or enjoy the rights of Unitholders hereunder. The Trustees shall have the right to treat the person registered as a Unitholder on the Register as the owner of such Units for all purposes, including, without limitation, payment of any distribution, giving notice to Unitholders and determining the right to attend and vote at meetings of Unitholders. Subject to Sections 14.1 and 14.5, upon any issue of Units, the name of the subscriber shall be promptly entered on the Register as the owner of the number of Units issued to such subscriber, or if the subscriber is already a Unitholder, the Register shall be amended to include his/her additional Units.

14.5 Limitation of Non-Resident Ownership

- (a) Non-Residents shall not be the beneficial owners, directly or indirectly, of more than 49% of all outstanding Trust Units. The Trustees may require declarations as to the jurisdictions in which beneficial owners of Units are resident. If the Trustees become aware that the beneficial owners of 49% of the Trust Units then outstanding are, or may be, Non-Residents or that such a situation is or may be imminent, the Registrar shall not accept a subscription for Trust Units from or issue or register a transfer of Trust Units to a person unless the person provides a declaration in form and content satisfactory to the Trustees that the person is not a Non-Resident. If, notwithstanding the foregoing, the Trustees determine that more than 49% of the Trust Units are held or beneficially-owned by Non-Residents, the Trustees may send a notice to Non-Resident holders of Trust Units, chosen in inverse order to the order of acquisition or registration or in such other manner as the Trustees may consider equitable and practicable, requiring them to sell or redeem their Trust Units or a portion thereof within a specified period of not less than 60 days. The notice shall also require such Non-Resident to notify the Trust of the sale when completed. If the Trust Unitholders receiving such notice have not sold or redeemed the specified number of Trust Units or provided the Trustees with satisfactory evidence that they are not Non-Residents within such period, the Trust may, on behalf of such Trust Unitholders, sell or redeem such Trust Units without further notice and, in the interim, shall suspend the voting and distribution rights attached to such Trust Units. For the purposes of such sale, the Trustees and the Registrar shall be deemed to be the agents and lawful attorney of such Non-Resident. Upon such sale or redemption, the affected holders shall cease to be holders of Trust Units and their rights shall be limited to receiving the net proceeds of sale or redemption upon surrender of the certificates representing such Trust Units, subject to the right to receive payment of any distribution declared by the Trustees which is unpaid and owing to such Unitholders. The Trustees shall have no liability for any amount received provided that the Trustees acted in good faith.
- (b) Subject to Section 10.6, unless and until the Trustees shall have been required to do so under the terms hereof, the Trustees shall not be bound to do or take any proceeding or action with respect to this Section 14.5 by virtue of the powers conferred on them hereby. The Trustees shall not be deemed to have notice of any violation of this Section 14.5 unless and until they have been given written notice of such violation and shall act only as required by this Trust Indenture once an indemnity is provided. The Trustees shall not be required to actively monitor the holdings of Non-Residents in the Trust. The Trustees shall not be liable for any violation of the non-resident ownership restriction which may occur during the term of the Trust.
- (c) Special Voting Units shall not be held by or for the benefit of Non-Residents. Each Special Voting Unitholder is deemed to have represented to the Trustees that it is not and does not hold such units for behalf of a Non-Resident and will be deemed to have covenanted to maintain such representation true for as long as it continues to hold one or more Special Voting Units. If the Trustees determine that a Person has purported to become or remain, directly or

indirectly, a holder of Special Voting Units in breach of the above mentioned representations or covenant, or if the Special Voting Unitholder fails to provide a declaration in form and content satisfactory to the Trustees that it is not a Non-Resident and does not hold such Units for the benefit of Non-Resident, (i) the Trustees will inform the CAP II GP (or such other Person who controls the entity which issued the Exchangeable Securities to which such Special Voting Units relate) and require such person to effect, forthwith, a transfer of such securities and units to a Person who does not contravene the above mentioned limitation on ownership ("**New Holder**") in accordance with the terms of the CAP II LP Agreement or other document governing the issue and terms of exchange of the Exchangeable Securities to which such Special Voting Units relate; and (ii) effective immediately prior to the breach, such Person shall be deemed to have ceased to be a holder of such Special Voting Units, the voting rights attached to such Special Voting Units shall be suspended and such Special Voting Units shall be deemed not to be outstanding until acquired by a Person who does not contravene the above mentioned limitation on ownership. If the CAP II GP (or such other person who controls the entity which issued the Exchangeable Securities to which such Special Voting Units relate) does not effect a transfer of such securities and units to a New Holder in accordance with the terms of the relevant agreement, the Trustees shall cause such units to be cancelled, they shall no longer be outstanding and may not be reissued, and the Trustees shall have the power of attorney of such Unitholder to do so.

- (d) Where the exercise of the Exchange Right in respect of Class B LP Units by a holder thereof would result in more than 49% of the Trust Units being held or beneficially owned by Non-Residents or otherwise jeopardize the Trust's status as a "unit trust" or "mutual fund trust" under the Tax Act, the Trust shall issue the Trust Units to be distributed by the CAP II LP to the holder of Class B LP Units in satisfaction of such holder's exercise of the Exchange Right in the name of the CAP II LP and then immediately sell such Trust Units on behalf of CAP II LP and pay the proceeds of such sale to, or to the direction of, CAP II LP in full satisfaction of the Trust's obligations in respect of the exercise of the Exchange Right by the holder of Class B LP Units in respect of such Class B LP Units. The Trustees shall have a power of attorney of CAP II GP to do so.
- (e) The Trustees shall have the sole right and authority to make all determinations necessary for the administration of the provisions of this Section 14.5 and, without limiting the generality of the foregoing, if the Trustees consider that there are reasonable grounds for believing that a contravention of the ownership restrictions set forth in this Section 14.5 has occurred or will occur, the Trustees shall make a determination with respect to the matter. Any such determination shall be conclusive, final and binding except to the extent modified by any subsequent determination by the Trustees. In any situation where it is unclear whether Units are held by or for the benefit of Non-Residents, the Trustees may exercise their discretion in determining whether such Units are or are not so held, and any such exercise by the Trustees of their discretion shall be binding for the purposes of this Section 14.5. Notwithstanding the foregoing, the Trustees may delegate, in whole or in part, their power to make a determination in this respect to any officer of the Trust.

14.6 Lost Certificates

In the event that any Unit Certificate for Trust Units is lost, stolen, destroyed or mutilated, the Trustees may authorize the issuance of a new Unit Certificate for the same number of Trust Units in lieu thereof. The Trustees may in their sole discretion, before the issuance of such new Unit Certificate, require the owner of the lost, stolen, destroyed or mutilated Unit Certificate, or the legal representative of the owner, to make an affidavit or statutory declaration setting forth such facts as to the loss, theft, destruction or mutilation as the Trustees may deem necessary, to surrender any mutilated certificate and to require the applicant to supply to the Trust a "lost certificate bond" or a similar bond in such reasonable sum as the Trustees or the Registrar may direct indemnifying the Trust for so doing.

- (i) **"Dissenting Unitholder"** means a Trust Unitholder who does not accept an Offer referred to in Section 14.7(d) and includes any assignee of the Trust Unit of a Trust Unitholder to whom such an Offer is made, whether or not such assignee is recognized under this Trust Indenture;
 - (ii) **"Offer"** means an offer to acquire Outstanding Trust Units where, as of the date of the offer to acquire, the Trust Units that are subject to the offer to acquire, together with the Offeror's Trust Units, constitute in the aggregate 20% or more of all outstanding Trust Units;

for Trust Units. In the event that a holder of Exchangeable Securities elects to conditionally convert, exercise or exchange such Exchangeable Securities for the purpose of tendering Trust Units to such Offer, the tendering of a certificate issued by the Trust indicating that the Trust Units are issuable upon and subject to completion of the Offer shall be good delivery under such Offer and after payment of the consideration therefor to the former holder of the Exchangeable Securities such holder shall cease to have, any rights as a holder of Exchangeable Securities, Special Voting Units or Trust Units to the extent that the Trust Units issuable upon the conversion, exercise or exchange of such Exchangeable Securities have been taken up by the Offeror. For the purposes of the remainder of this Section 14.7, unless the identical Offer referred to above is made, a reference to "Trust Units" will be deemed to include Trust Units issuable upon the conversion of Exchangeable Securities.

- (c) If an Offer for all of the Outstanding Trust Units (other than Trust Units held by or on behalf of the Offeror or an affiliate or associate of the Offeror) is made and, by such Offer, the Offeror agrees to be bound by the provisions of this Section 14.7, and:

- (i) if within 120 days after the date of the Offer, the Offer is accepted by Trust Unitholders representing at least 90% of the Outstanding Trust Units, other than the Offeror's Trust Units;

the Offeror is entitled to acquire, and the Dissenting Unitholders are required to sell to the Offeror, the Trust Units held by the Dissenting Unitholders for the same consideration per Trust Unit payable or paid, as the case may be, under the Offer.

- (d) Where an Offeror is entitled to acquire Trust Units held by a Dissenting Unitholder pursuant to Section 14.7(c), and the Offeror wishes to exercise such right, the Offeror shall send by registered mail within 30 days after the date of termination of the Offer a notice (the "**Offeror's Notice**") to each Dissenting Unitholder stating that:

- (i) Trust Unitholders holding at least 90% of the Trust Units of all Trust Unitholders, other than Offeror's Trust Units, have accepted the Offer,

- (g) The Trustees, or the person directed by the Trustees, shall hold the cash or other consideration it receives under Section 14.7(f), but such cash or other consideration shall not form any part of the Trust's property. - (h) Within 30 days after the date of the sending of an Offeror's Notice pursuant to Section 14.7(d), the Trustees, if the Offeror has complied with Section 14.7(f), shall:

- (j) Subject to applicable law, an Offeror cannot make an Offer for Trust Units unless, concurrent with the communication of the Offer to any Unitholder, a copy of the Offer is provided to the Trust.

The Trust shall cause the terms, conditions, restrictions, rights and obligations of Exchangeable Securities to contain corresponding provisions as may be reasonably necessary or desirable to give effect to this Section 14.7 with respect to holders of Exchangeable Securities, including, without limitation, provisions to effect the automatic conversion, exercise or exchange of Exchangeable Securities by a non-tendering Offeree holder thereof or redemption by the issuer of such Exchangeable Securities.
