Centurion Apartment REIT is a connected issuer, and may be considered to be a related issuer, of Centurion Asset Management Inc. (the “Asset Manager”), its asset manager and an exempt market dealer, investment fund manager, and restricted portfolio manager in certain jurisdictions, in connection with the distribution of the REIT’s securities hereunder, which may result in potential conflicts of interest. Centurion Apartment REIT is a connected issuer of the Asset Manager due to the factors described in this Offering Memorandum under “Relationship between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager” as a result of the fact that the President of Centurion Apartment REIT and the Asset Manager are the same and Mr. Gregory Romundt indirectly owns all of the shares of the Asset Manager and its affiliates, including the Mortgage Manager and the Mortgage Servicer, each of which provides services to Centurion Apartment REIT. Centurion Apartment REIT may be considered to be a related issuer of the Asset Manager by virtue of the Asset Manager’s right to appoint a prescribed number of nominees to the board of trustees of Centurion Apartment REIT. See “Trustees” and “Relationship between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager” and Item 9.

HOW TO READ THIS OFFERING MEMORANDUM

This offering of Units (the "**Offering**") is being made by Centurion Apartment REIT pursuant to an exemption (the "**Offering Memorandum Exemption**") from the prospectus requirements of applicable securities laws. The Units are sold only through investment dealers, exempt market dealers or other securities registrants who are permitted to offer and sell the Units.

The Offering Memorandum Exemption requires that Centurion Apartment REIT provide investors with a prescribed form of offering memorandum. Issuers are permitted to "wrap" the prescribed form of offering memorandum around another disclosure document by attaching that other disclosure document and referring to the disclosure contained in it.

Attached as Appendix I to this Offering Memorandum is the Confidential Offering Memorandum (the "**Confidential Offering Memorandum**") of Centurion Apartment REIT used in connection with the Offering of Units to "**accredited investors**" in the Province of Ontario and Quebec. This Offering Memorandum references certain disclosures contained in the Confidential Offering Memorandum. Management of Centurion Apartment REIT believes that attaching the Confidential Offering Memorandum as Appendix I to this offering memorandum will provide investors with a better understanding of Centurion Apartment REIT.

Centurion Apartment REIT is not a "reporting issuer" within the meaning of applicable securities laws and therefore it is not required to publish, disseminate or file ongoing continuous disclosure regarding its operations and affairs. However, management of Centurion Apartment REIT has provided web links in selected sections of this Confidential Offering Memorandum to where (unaudited) updates of the information in these sections are periodically posted in an effort to keep holders of Units informed of developments involving Centurion Apartment REIT. Such information is provided for ongoing purposes and does not form a part of this Offering Memorandum.

NON-IFRS MEASURES

Centurion Apartment REIT uses the terms Distributable Income, Normalized Net Operating Income (or “NNOI”) and Property Net Income as defined in the Glossary. Management of Centurion Apartment REIT considers such non-IFRS measures to be a valuable measure for evaluating its operating performance and in achieving its objectives. Such measures are not defined under IFRS nor should any of these measures be viewed as an alternative to net income, cash flow from operating activities or other measures of financial performance calculated in accordance with IFRS. Readers should be further cautioned that Distributable Income, NNOI and Property Net Income as calculated by Centurion Apartment REIT may not be comparable to similar measures presented by other issuers.

ITEM 7: CERTAIN DIVIDENDS OR DISTRIBUTIONS

ITEM 8: INCOME TAX CONSEQUENCES AND RRSP ELIGIBILITY

For a summary of certain Canadian federal income tax considerations, see the following sections of the Confidential Offering Memorandum attached hereto as Appendix I:

ITEM 9: COMPENSATION PAID TO SELLERS AND FINDERS

For details of the compensation paid to sellers and finders, see “*Purchase Options*” in Appendix I. **Applicable securities laws in certain jurisdictions prohibit a fee or commission from being paid to persons other than securities registrants in connection with sales made pursuant to the offering memorandum exemption in section 2.9 of National Instrument 45-106. The REIT will not pay any commissions to persons to whom the REIT is not permitted to pay a commission, notwithstanding the purchase option selected by the purchaser.**

Centurion Apartment REIT is a connected issuer, and may be considered to be a related issuer, of Centurion Asset Management Inc. (the “*Asset Manager*”), its asset manager and an exempt market dealer, investment fund manager, and restricted portfolio manager in certain jurisdictions, in connection with the distribution of the REIT’s securities hereunder.

Centurion Apartment REIT is a connected issuer of the Asset Manager due to various factors, including the fact that Mr. Gregory Romundt is the President of both Centurion Apartment REIT and the Asset Manager and Mr. Romundt indirectly owns all of the shares of the Asset Manager and its affiliates, the Mortgage Manager, and the Mortgage Servicer, each of which provides services to Centurion Apartment REIT. Centurion Apartment REIT has retained the Asset Manager to provide asset management services to it pursuant to the Asset Management Agreement as described under “*Asset Management Agreement*” and to pay the manager the fees described herein under “*Asset Manager’s Fees and Carry Allocation*”.

Centurion Apartment REIT may be considered to be a related issuer of the Asset Manager by virtue of the Asset Manager’s right, during the term of the Asset Management Agreement, to appoint a prescribed number of nominees to the board of trustees of Centurion Apartment REIT as more particularly described under “*Trustees*”. The prescribed number of nominees that the Asset Manager

is entitled to appoint varies depending on the size of the board, but the prescribed number exceeds 20% of the number of trustees. See "Trustees".

The decision to offer the Units was made upon the recommendation of the Asset Manager. A portion of the proceeds of the Offering will be used by Centurion Apartment REIT to pay the fees payable to the Asset Manager pursuant to the Asset Management Agreement as described above.

ITEM 10: RISK FACTORS

See "Risk Factors" in Appendix I.

ITEM 11: REPORTING OBLIGATIONS

For details with respect to the information that Centurion Apartment REIT must provide to holders of Units ("Unitholders"), or that Unitholders have a right to receive upon demand, see "Declaration of Trust and Description of Units - Information and Reports" in Appendix I.

ITEM 12: RESALE RESTRICTIONS

For purchasers in Alberta, British Columbia, New Brunswick, Newfoundland and Labrador, Northwest Territories, Nova Scotia, Nunavut, Ontario, Prince Edward Island, Quebec, Saskatchewan, and Yukon these Units will be subject to a number of resale restrictions, including a restriction on trading. Until the restriction on trading expires, you will not be able to trade the securities unless you comply with an exemption from the prospectus and registration requirements under applicable securities legislation. Unless permitted under securities legislation, you cannot trade the securities before the date that is four months and a day after the date Centurion Apartment REIT becomes a reporting issuer in any province or territory of Canada.

For purchasers in Manitoba, unless permitted under securities legislation, you must not trade the securities without the prior written consent of the regulator in Manitoba unless:

- (a) Centurion Apartment REIT has filed a prospectus with the regulator in Manitoba with respect to the Units and the regulator in Manitoba has issued a receipt for that prospectus, or
- (b) you have held the Units for at least 12 months.

The regulator in Manitoba will consent to your trade if the regulator is of the opinion that to do so is not prejudicial to the public interest.

ITEM 13: PURCHASERS' RIGHTS

If you purchase these securities, you will have certain rights, some of which are described below. For information about your rights, you should consult a lawyer.

The following is a summary of the statutory or contractual rights of action for damages or rescission which may be available to a purchaser of Units. Applicable securities laws in certain jurisdictions provide purchasers, or require purchasers be provided, with remedies for damages or rescission, or both, if this Offering Memorandum or any amendment to it or any information or documents incorporated or deemed to be incorporated herein by reference contains a Misrepresentation. Where used below, "Misrepresentation" means an untrue statement of a material fact or an omission to state a material fact that is required to be stated or that is necessary to make any statement not misleading in light of the circumstances in which it was made. The following remedies, or notice with respect to these remedies, must be exercised or delivered, as the case may be, by you within the time limits prescribed by applicable securities legislation. Purchasers should refer to the applicable legislative provisions for the complete text of these rights.

Any Offering Memorandum marketing materials related to the Offering and which are delivered or made reasonably available to a purchaser before the closing of that purchaser's subscription for Units are deemed to be incorporated by reference in this Offering Memorandum.

TWO DAY CANCELLATION RIGHT

If you are purchasing Units pursuant to the offering memorandum exemption contained in section 2.9 of National Instrument 45-106 *Prospectus Exemptions* ("NI 45-106"), you can cancel your agreement to purchase the Units offered pursuant to this Offering Memorandum. To do so, you must send a notice to the Asset Manager by midnight on the 2nd business day after you sign the subscription agreement to buy the Units.

Ontario

Section 130.1 of the *Securities Act* (Ontario) provides that every purchaser of securities pursuant to an offering memorandum (such as this Offering Memorandum) shall have a statutory right of action for damages or rescission against the issuer and any selling security holder in the event that the offering memorandum contains a Misrepresentation. A purchaser who purchases securities offered by the offering memorandum during the period of distribution has, without regard to whether the purchaser relied upon the Misrepresentation, a right of action for damages or - alternatively, while still the owner of the securities, for rescission - against the issuer and any selling security holder provided that:

- (a) if the purchaser exercises its right of rescission, it shall cease to have a right of action for damages as against the issuer and selling security holder, if any;
- (b) the issuer and selling security holder, if any, will not be liable if they prove that the purchaser purchased the securities with knowledge of the Misrepresentation;
- (c) the issuer and selling security holder, if any, will not be liable for all or any portion of damages that they prove do not represent the depreciation in value of the securities as a result of the Misrepresentation relied upon;
- (d) in no case shall the amount recoverable exceed the price at which the securities were offered; and
- (e) the issuer and selling security holder, if any, will not be liable for a Misrepresentation in forward-looking information if they prove:
 - (i) that the offering memorandum contains, proximate to the forward-looking information, reasonable cautionary language identifying the forward-looking information as such, and identifying material factors that could cause actual results to differ materially from a conclusion, forecast or projection in the forward- looking information, and a statement of material factors or assumptions that were applied in drawing a conclusion or making a forecast or projection set out in the forward- looking information; and
 - (ii) they had a reasonable basis for drawing the conclusions or making the forecasts and projections set out in the forward-looking information.

Section 138 of the *Securities Act* (Ontario) provides that no action shall be commenced to enforce these rights more than:

- (a) in the case of an action for rescission, 180 days after the date of the transaction that gave rise to the cause of action; or
- (b) in the case of an action for damages, the earlier of:
 - (i) 180 days after the date that the purchaser first had knowledge of the facts giving rise to the cause of action; or
 - (ii) three years after the date of the transaction that gave rise to the cause of action.

This Offering Memorandum may also be delivered in reliance on the exemption from the prospectus requirements contained under section 2.3 of NI 45-106 (the “accredited investor exemption”). The rights referred to in section 130.1 of the *Securities Act* (Ontario) do not apply in respect of an offering memorandum (such as this Offering Memorandum) delivered to a prospective purchaser in connection with a distribution made in reliance on the accredited investor exemption if the prospective purchaser is:

- (a) a Canadian financial institution or Schedule III bank (each as defined in NI 45-106);
- (b) the Business Development Bank of Canada incorporated under the Business Development Bank of Canada Act (Canada); or
- (c) a subsidiary of any person referred to in (a) and (b), if the person owns all of the voting securities of the subsidiary, except the voting securities required by law to be owned by directors of that subsidiary.

Saskatchewan

Section 138 of *The Securities Act, 1988* (Saskatchewan), as amended (the “**Saskatchewan Act**”), provides that where an offering memorandum (such as this Offering Memorandum), together with any amendment to it, sent or delivered to a purchaser contains a Misrepresentation, a purchaser who purchases securities covered by the offering memorandum or an amendment to it has, without regard to

whether the purchaser relied on the Misrepresentation, a right of action for damages or, alternatively, for rescission against:

- (a) the issuer or selling security holder on whose behalf the distribution is made;
- (b) every promoter and director of the issuer or selling security holder, as the case may be, at the time the offering memorandum or the amendment to it was sent or delivered;
- (c) every person or company whose consent has been filed respecting the offering, but only with respect to reports, opinions or statements that have been made by them;
- (d) every person who or company that, in addition to the persons or companies mentioned in (a) to (c) above, signed the offering memorandum or the amendment to it; and
- (e) every person who or company that sells securities on behalf of the issuer or selling security holder under the offering memorandum or the amendment to it.

Such rights of damages and rescission are subject to certain limitations, including the following:

- (a) if the purchaser elects to exercise its right of rescission against the issuer or selling security holder, it shall have no right of action for damages against that party;
- (b) in an action for damages, a defendant will not be liable for all or any portion of the damages that it proves do not represent the depreciation in value of the securities resulting from the Misrepresentation relied on;
- (c) no person or company, other than the issuer or selling security holder, will be liable for any part of the offering memorandum or of the amendment to it not purporting to be made on the authority of an expert and not purporting to be a copy of or an extract from a report, opinion or statement of an expert, unless the person or company failed to conduct a reasonable investigation sufficient to provide reasonable grounds for a belief that there had been no Misrepresentation or believed that there had been a Misrepresentation;
- (d) in no case shall the amount recoverable exceed the price at which the securities were offered; and
- (e) no person or company is liable in an action for damages or rescission if that person or company proves that the purchaser purchased the securities with knowledge of the Misrepresentation.

In addition, no person or company, other than the issuer or selling security holder, will be liable if the person or company proves that:

- (a) the offering memorandum or the amendment to it was sent or delivered without the person's or company's knowledge or consent and that, on becoming aware of its being sent or delivered, the person or company immediately gave reasonable general notice that it was so sent or delivered;
- (b) after the filing of the offering memorandum or the amendment to it and before the purchase of the securities by the purchaser, on becoming aware of any Misrepresentation in the offering memorandum or the amendment to it, the person or company withdrew the person's or company's consent to it and gave reasonable general notice of the person's or company's withdrawal and the reason for it;
- (c) with respect to any part of the offering memorandum or of the amendment to it purporting to be made on the authority of an expert, or purporting to be a copy of or extract from a report, opinion or statement of an expert, the person or company had no reasonable grounds to believe and did not believe that there had been a Misrepresentation, the part of the offering memorandum or of the amendment to it did not fairly represent the report, opinion or statement of the expert or was not a fair copy of or extract from the report, opinion or statement of the expert.

A person or company that sells securities on behalf of the issuer or selling security holder under the offering memorandum or the amendment to it is not liable for damages or rescission as provided in sections 138(1) or 138(2) of the Saskatchewan Act if that person or company can establish that it cannot reasonably be expected to have had knowledge of any Misrepresentation in the offering memorandum or the amendment to it.

Not all defences upon which we or others may rely are described herein. Please refer to the full text of the Saskatchewan Act for a complete listing.

Similar rights of action for damages and rescission are provided in section 138.1 of the Saskatchewan Act in respect of a Misrepresentation in advertising and sales literature disseminated in connection with an offering of securities.

Section 138.2 of the Saskatchewan Act also provides that where an individual makes a verbal statement to a prospective purchaser that contains a Misrepresentation relating to the securities purchased and the verbal statement is made either before or contemporaneously with the purchase of the securities, the purchaser is deemed to have relied on the Misrepresentation, if it was a Misrepresentation at the time of purchase, and has a right of action for damages against the individual who made the verbal statement.

Section 141(1) of the Saskatchewan Act provides a purchaser with the right to void the purchase agreement and to recover all money and other consideration paid by the purchaser for the securities if the securities are sold in contravention of the Saskatchewan Act, the regulations to the Saskatchewan Act or a decision of the Saskatchewan Financial Services Commission.

Section 141(2) of the Saskatchewan Act also provides a right of action for rescission or damages to a purchaser of securities to whom an offering memorandum or any amendment to it was not sent or delivered prior to or at the same time as the purchaser entered into an agreement to purchase the securities, as required by section 80.1 of the Saskatchewan Act.

The rights of action for damages or rescission under the Saskatchewan Act are in addition to and do not derogate from any other right which a purchaser may have at law.

Section 147 of the Saskatchewan Act provides that no action shall be commenced to enforce any of the foregoing rights more than:

- (a) in the case of an action for rescission, 180 days after the date of the transaction that gave rise to the cause of action; or
- (b) in the case of any other action, other than an action for rescission, the earlier of:
 - (i) one year after the purchaser first had knowledge of the facts giving rise to the cause of action; or
 - (ii) six years after the date of the transaction that gave rise to the cause of action.

The Saskatchewan Act also provides that a purchaser who has received an amended offering memorandum delivered in accordance with section 80.1(3) of the Saskatchewan Act has a right to withdraw from the agreement to purchase the securities by delivering a notice to the person or company that is selling the securities, indicating the purchaser's intention not to be bound by the purchase agreement, provided such notice is delivered by the purchaser within two business days of receiving the amended offering memorandum.

New Brunswick

Section 150 of the *Securities Act* (New Brunswick) provides that where an offering memorandum (such as this Offering Memorandum) contains a Misrepresentation, a purchaser who purchases securities shall be deemed to have relied on the Misrepresentation if it was a Misrepresentation at the time of purchase, and:

- (a) the purchaser has a right of action for damages against:
 - (i) the issuer;
 - (ii) the selling security holder on whose behalf the distribution is made;
 - (iii) every person who was a director of the issuer at the date of the offering memorandum;
 - (iv) every person who signed the offering memorandum; or
- (b) where the purchaser purchased the securities from a person referred to in (a), the purchaser may elect to exercise a right of rescission against that person, in which case the purchaser shall have no right of action for damages against that person.

This statutory right of action is available to New Brunswick purchasers whether or not such purchaser relied on the Misrepresentation. However, there are various defences available to the issuer and selling security holder. In particular, no person will be liable for a Misrepresentation if such person proves that the purchaser purchased the securities with knowledge of the Misrepresentation. Moreover, in an action for damages, the amount recoverable will not exceed the price at which the securities were offered under the offering memorandum, and any defendant will not be liable for all or any portion of the damages that

the defendant proves do not represent the depreciation in value of the securities as a result of the Misrepresentation relied on.

If the purchaser intends to rely on the rights described in (a) or (b) above, such purchaser must do so within strict time limitations. The purchaser must commence its action for rescission within 180 days after the date of the transaction that gave rise to the cause of action. The purchaser must commence its action for damages within the earlier of:

- (a) one year after the purchaser first had knowledge of the facts giving rise to the cause of action; and
- (b) six years after the date of the transaction that gave rise to the cause of action.

Nova Scotia

The right of action for damages or rescission described herein is conferred by section 138 of the *Securities Act* (Nova Scotia). Section 138 of the *Securities Act* (Nova Scotia) provides, in relevant part, that in the event that an offering memorandum (such as this Offering Memorandum), together with any amendment to it, or any advertising or sales literature (as defined in the *Securities Act* (Nova Scotia)) contains a Misrepresentation, the purchaser will be deemed to have relied upon such Misrepresentation if it was a Misrepresentation at the time of purchase and has, subject to certain limitations and defences, a statutory right of action for damages against the issuer and, subject to certain additional defences, every director of the issuer at the date of the offering memorandum and every person who signed the offering memorandum or, alternatively, while still the owner of the securities purchased, may elect instead to exercise a statutory right of rescission against the issuer, in which case the purchaser shall have no right of action for damages against the issuer, directors of the issuer or persons who signed the offering memorandum, provided that, among other limitations:

- (a) no action shall be commenced to enforce the right of action for rescission or damages by a purchaser resident in Nova Scotia later than 120 days after the date on which the initial payment was made for the securities;
- (b) no person or company will be liable if it proves that the purchaser purchased the securities with knowledge of the Misrepresentation;
- (c) in the case of an action for damages, no defendant will be liable for all or any portion of the damages that it proves do not represent the depreciation in value of the securities as a result of the Misrepresentation relied upon; and
- (d) in no case will the amount recoverable in any action exceed the price at which the securities were offered to the purchaser.

In addition, a person or company, other than the issuer, will not be liable if that person or company proves that:

- (a) the offering memorandum or the amendment to it was sent or delivered to the purchaser without the person's or company's knowledge or consent and that, on becoming aware of its delivery, the person or company gave reasonable general notice that it was delivered without the person's or company's knowledge or consent;
- (b) after delivery of the offering memorandum or the amendment to it and before the purchase of the securities by the purchaser, on becoming aware of any Misrepresentation in the offering memorandum or the amendment to it, the person or company withdrew the person's or company's consent to the offering memorandum or the amendment to it, and gave reasonable general notice of the withdrawal and the reason for it; or
- (c) with respect to any part of the offering memorandum or the amendment to it purporting (i) to be made on the authority of an expert, or (ii) to be a copy of, or an extract from, a report, opinion or statement of an expert, the person or company had no reasonable grounds to believe and did not believe that (A) there had been a Misrepresentation, or (B) the relevant part of the offering memorandum or the amendment to it did not fairly represent the report, opinion or statement of the expert, or was not a fair copy of, or an extract from, the report, opinion or statement of the expert.

Further, no person or company, other than the issuer, will be liable with respect to any part of the offering memorandum or the amendment to the it not purporting (a) to be made on the authority of an expert or (b) to be a copy of, or an extract from, a report, opinion or statement of an expert, unless the person or company (i) failed to conduct a reasonable investigation to provide reasonable grounds for a belief that there had been no Misrepresentation or (ii) believed that there had been a Misrepresentation.

If a Misrepresentation is contained in a record incorporated by reference in, or deemed incorporated by reference into, the offering memorandum or the amendment to it, the Misrepresentation is deemed to be contained in the offering memorandum or the amendment to it.

Manitoba

The right of action for damages or rescission described herein is conferred by section 141.1 of *The Securities Act* (Manitoba). Section 141.1 of *The Securities Act* (Manitoba) provides, in relevant part, that in the event that an offering memorandum (such as this Offering Memorandum) contains a Misrepresentation, the purchaser will be deemed to have relied upon such Misrepresentation if it was a Misrepresentation at the time of purchase and has, subject to certain limitations and defences, a statutory right of action for damages against the issuer and, subject to certain additional defences, every director of the issuer at the date of the offering memorandum and every person or company that signed the offering memorandum or, alternatively, may elect instead to exercise a statutory right of rescission against the issuer, in which case the purchaser shall have no right of action for damages against the issuer, directors of the issuer or persons or companies that have signed the offering memorandum, provided that, among other limitations:

- (a) no person or company will be liable if it proves that the purchaser purchased the securities with knowledge of the Misrepresentation;
- (b) in the case of an action for damages, the defendant will not be liable for all or any portion of the damages that it proves do not represent the depreciation in value of the securities as a result of the Misrepresentation relied upon; and
- (c) in no case will the amount recoverable in any action exceed the price at which the securities were offered to the purchaser.

In addition, a person or company, other than the issuer, will not be liable if that person or company proves that:

- (a) the offering memorandum was sent to the purchaser without the person's or company's knowledge or consent and that, after becoming aware that it was sent, the person or company promptly gave reasonable notice to the issuer that it was sent without the person's or company's knowledge and consent;
- (b) after becoming aware of the Misrepresentation, the person or company withdrew the person's or company's consent to the offering memorandum and gave reasonable notice to the issuer of the withdrawal and the reason for it; or
- (c) with respect to any part of the offering memorandum purporting (i) to be made on the authority of an expert or (ii) to be a copy of, or an extract from, an expert's report, opinion or statement, the person or company proves that the person or company had no reasonable grounds to believe and did not believe that (A) there had been a Misrepresentation or (B) the relevant part of the offering memorandum did not fairly represent the expert's report, opinion or statement or was not a fair copy of, or an extract from, an expert's report, opinion or statement.

Further, where a Misrepresentation is contained in an offering memorandum, the directors of the issuer and every person or company who signed the offering memorandum shall not be liable with respect to any part of the offering memorandum not purporting to be made on the authority of an expert and not purporting to be a copy of, or an extract from, a report, opinion or statement of an expert, unless the person or company did not conduct an investigation sufficient to provide reasonable grounds for a belief that there had been no Misrepresentation or believed there had been a Misrepresentation.

If a Misrepresentation is contained in a record incorporated by reference into, or deemed incorporated by reference into, the offering memorandum, the Misrepresentation is deemed to be contained in the offering memorandum.

Section 141.4(2) of *The Securities Act* (Manitoba) provides that no action may be commenced to enforce these rights more than:

- (a) in the case of an action for rescission, 180 days after the date of the transaction that gave rise to the cause of action; or
- (b) in the case of an action for damages, the earlier of:
 - (i) 180 days after the date that the purchaser first had knowledge of the facts giving rise to the cause of action; or
 - (ii) two years after the date of the transaction that gave rise to the cause of action.

Newfoundland and Labrador

The right of action for damages or rescission described herein is conferred by section 130.1 of the *Securities Act* (Newfoundland and Labrador). Section 130.1 of the *Securities Act* (Newfoundland and Labrador) provides, in relevant part, that in the event that an offering memorandum (such as this Offering Memorandum) contains a Misrepresentation, without regard to whether the purchaser relied upon the Misrepresentation, the purchaser has, subject to certain limitations and defences, a statutory right of action for damages against the issuer and, subject to certain additional defences, every director of the issuer at the date of the offering memorandum and every person or company that signed the offering memorandum or, alternatively, may elect instead to exercise a statutory right of rescission against the issuer, in which case the purchaser shall have no right of action for damages against the issuer, directors of the issuer or persons or companies that have signed the offering memorandum, provided that, among other limitations:

- (a) no person or company will be liable if it proves that the purchaser had knowledge of the Misrepresentation;
- (b) in the case of an action for damages, the defendant will not be liable for all or any portion of the damages that it proves do not represent the depreciation in value of the securities as a result of the Misrepresentation relied upon; and
- (c) in no case will the amount recoverable in any action exceed the price at which the securities were offered to the purchaser.

In addition, a person or company, other than the issuer, will not be liable if that person or company proves that:

- (a) the offering memorandum was sent to the purchaser without the person's or company's knowledge or consent and that, on becoming aware of its being sent, the person or company promptly gave reasonable notice to the issuer that it was sent without the person's or company's knowledge and consent;
- (b) on becoming aware of the Misrepresentation, the person or company withdrew the person's or company's consent to the offering memorandum and gave reasonable notice to the issuer of the withdrawal and the reason for it; or
- (c) with respect to any part of the offering memorandum purporting (i) to be made on the authority of an expert or (ii) to be a copy of, or an extract from, an expert's report, opinion or statement, the person or company proves that the person or company had no reasonable grounds to believe and did not believe that (A) there had been a Misrepresentation or (B) the relevant part of the offering memorandum did not fairly represent the expert's report, opinion or statement or was not a fair copy of, or an extract from, an expert's report, opinion or statement.

Further, where a Misrepresentation is contained in an offering memorandum, the directors of the issuer and every person or company that signed the offering memorandum shall not be liable with respect to any part of the offering memorandum not purporting to be made on the authority of an expert and not purporting to be a copy of, or an extract from, a report, opinion or statement of an expert, unless the person or company did not conduct an investigation sufficient to provide reasonable grounds for a belief that there had been no Misrepresentation or believed there had been a Misrepresentation.

If a Misrepresentation is contained in a record incorporated by reference into, or considered to be incorporated into, the offering memorandum, the Misrepresentation is considered to be contained in the offering memorandum.

Section 138 of the *Securities Act* (Newfoundland and Labrador) provides that no action shall be commenced to enforce these rights more than:

- (a) in the case of an action for rescission, 180 days after the date of the transaction that gave rise to the cause of action; or
- (b) in the case of an action for damages, the earlier of:
 - (i) 180 days after the purchaser first had knowledge of the facts giving rise to the cause of action; or
 - (ii) three years after the date of the transaction that gave rise to the cause of action.

British Columbia

The right of action for damages or rescission described herein is conferred by section 132.1 of the *Securities Act* (British Columbia). Section 132.1 of the *Securities Act* (British Columbia) provides, in relevant part,

that in the event that an offering memorandum (such as this Offering Memorandum) contains a Misrepresentation, the purchaser will be deemed to have relied on the Misrepresentation if it was a Misrepresentation at the time of purchase, and the purchaser has, subject to certain limitations and defences, a statutory right of action for damages against the issuer and, subject to certain additional defences, every director of the issuer at the date of the offering memorandum, every person whose consent to the disclosure of information in the offering memorandum was filed and every person who signed the offering memorandum. Alternatively, the purchaser may elect instead to exercise a statutory right of rescission against the issuer, in which case the purchaser shall have no right of action for damages against the issuer, provided that, among other limitations:

- (a) no person will be liable if it proves that the purchaser had knowledge of the Misrepresentation;
- (b) in the case of an action for damages, the defendant will not be liable for all or any portion of the damages that it proves do not represent the depreciation in value of the securities as a result of the Misrepresentation relied upon; and
- (c) in no case will the amount recoverable in any action exceed the price at which the securities were offered to the purchaser.

In addition, a person, other than the issuer, will not be liable if that person proves that:

- (a) the offering memorandum was delivered to the purchaser without the person's knowledge or consent and that, on becoming aware of its delivery, the person gave written notice to the issuer that it was delivered without the person's knowledge or consent;
- (b) on becoming aware of any Misrepresentation in the offering memorandum, the person withdrew the person's consent to the offering memorandum and gave written notice to the issuer of the withdrawal and the reason for it; or
- (c) with respect to any part of the offering memorandum purporting (i) to be made on the authority of an expert or (ii) to be a copy of, or an extract from, an expert's report, opinion or statement, the person had no reasonable grounds to believe and did not believe that (A) there had been a Misrepresentation or (B) the relevant part of the offering memorandum did not fairly represent the expert's report, opinion or statement or was not a fair copy of, or an extract from, an expert's report, opinion or statement.

Further, where a Misrepresentation is contained in an offering memorandum, a person, other than the issuer, shall not be liable if that person proves that, with respect to any part of the offering memorandum not purporting to be made on the authority of an expert or to be a copy of, or an extract from, a report, opinion or statement of an expert, the person had, after reasonable investigation, reasonable grounds to believe and did believe that there had been no Misrepresentation.

A person is not liable for a Misrepresentation in forward-looking information if the person proves that the document containing the forward-looking information contained, proximate to that information, reasonable cautionary language identifying the forward-looking information as such, and identifying material factors that could cause actual results to differ materially from a conclusion, forecast or projection in the forward-looking information and a statement of the material factors or assumptions that were applied in drawing a conclusion or making a forecast or projection set out in the forward-looking information, and the person had a reasonable basis for drawing the conclusions or making the forecasts and projections set out in the forward-looking information.

If a Misrepresentation is contained in a record incorporated by reference into, or deemed incorporated into, the offering memorandum, the Misrepresentation is deemed to be contained in the offering memorandum.

Section 140 of the *Securities Act* (British Columbia) provides that no action shall be commenced to enforce these rights more than:

Prince Edward Island, Yukon, Nunavut and the Northwest Territories

In Prince Edward Island, the *Securities Act* (Prince Edward Island), in Yukon, the *Securities Act* (Yukon), in Nunavut, the *Securities Act* (Nunavut) and in the Northwest Territories, the *Securities Act* (Northwest Territories) provide a statutory right of action for damages or rescission to purchasers resident in Prince Edward Island, Yukon, Nunavut and the Northwest Territories, respectively, in circumstances where an offering memorandum (such as this Offering Memorandum) or an amendment thereto contains a Misrepresentation, which rights are similar, but not identical, to the rights available to Newfoundland and Labrador purchasers.

Québec

In addition to any other right or remedy available at law, if an offering memorandum (such as this Offering Memorandum) is delivered to an investor resident in Québec and contains a Misrepresentation, the purchaser will have: (1) statutory rights under Québec legislation outlined in section 221 of the *Securities Act* (Québec); or (2) contractual rights in circumstances where the Québec legislation does not provide such rights, as follows:

- (a) a right of action for damages against the issuer or the holder, as the case may be, whose securities were distributed, its officers or directors, the dealer (if any) under contract to the issuer or holder, any person who is required to sign an attestation in the offering memorandum and any expert whose opinion, containing a Misrepresentation, appeared, with their consent, in the offering memorandum; and
- (b) a right of action for rescission of the purchase contract or revision of the price at which the securities were sold to the investor, without prejudice to the investor's claim for damages.

However, there are various defences available to the persons or companies against whom a right of action may be brought. Among other defences, no defendant will be liable if it proves that:

- (a) the investor purchased the securities with knowledge of the Misrepresentation; or
- (b) in an action for damages, that the defendant acted with prudence and diligence, except in an action brought against the issuer or holder.

No action may be commenced to enforce such rights of action:

- (a) for rescission or revision of price, more than three years from the date of the purchase; or
- (b) for damages, later than the earlier of:
 - (i) three years after the purchaser first had knowledge of the facts giving rise to the cause of action, except on proof of tardy knowledge imputable to the negligence of the purchaser; or
 - (ii) five years from the filing of the offering memorandum with the *Autorité des marchés financiers* (Québec).

Alberta

Section 204 of the *Securities Act* (Alberta) provides that if an offering memorandum (such as this Offering Memorandum) contains a Misrepresentation, a purchaser who purchases securities offered by the offering memorandum has, without regard to whether the purchaser relied on the Misrepresentation, a right of action (a) for damages against (i) the issuer or selling security holder on whose behalf the distribution is made, (ii) every director of the issuer at the date of the offering memorandum and (iii) every person or company that signed the offering memorandum and (b) for rescission against the issuer or selling security holder, provided that:

- (a) if the purchaser elects to exercise its right of rescission, it shall cease to have a right of action for damages against the person or company referred to above;
- (b) no person or company referred to above will be liable if it proves that the purchaser had knowledge of the Misrepresentation;
- (c) no person or company (other than the issuer) referred to above will be liable if it proves that the offering memorandum was sent to the purchaser without the person's or company's knowledge or consent and that, on becoming aware of its being sent, the person or company promptly gave reasonable notice to the Executive Director (as defined in the *Securities Act* (Alberta)) and the issuer that it was sent without the knowledge and consent of the person or company;
- (d) no person or company (other than the issuer) referred to above will be liable if it proves that the person or company, after the sending of the offering memorandum and before the purchase of the securities, on becoming aware of the Misrepresentation, withdrew the person's or company's

consent to the offering memorandum and gave reasonable notice to the Executive Director and the issuer of the withdrawal and the reason for it;

- (e) no person or company (other than the issuer) referred to above will be liable if it proves that, with respect to any part of the offering memorandum purporting to be made on the authority of an expert or purporting to be a fair copy of, or an extract from, a report, opinion or statement of an expert, the person or company did not have any reasonable grounds to believe and did not believe that:
 - (i) there had been a Misrepresentation; or
 - (ii) the relevant part of the offering memorandum (A) did not fairly represent the report, opinion or statement of the expert or (B) was not a fair copy of, or an extract from, the report, opinion or statement of the expert;
- (f) no person or company (other than the issuer) referred to above will be liable if it proves that, with respect to any part of the offering memorandum not purporting to be made on the authority of an expert and not purporting to be a copy of, or an extract from, a report, opinion or statement of an expert, after conducting a reasonable investigation, the person or company had no reasonable grounds to believe and did not believe that there was a Misrepresentation;
- (g) in no case shall the amount recoverable exceed the price at which the securities were offered under the offering memorandum;
- (h) the defendant will not be liable for all or any part of the damages that the defendant proves do not represent the depreciation in value of the securities as a result of the Misrepresentation.

Section 211 of the *Securities Act* (Alberta) provides that no action may be commenced to enforce these rights:

- (a) in the case of an action for rescission, more than 180 days from the day on which the transaction that gave rise to the cause of action was completed; or

This Confidential Offering Memorandum is intended for use by investors solely in connection with the consideration of the purchase of these securities. This Confidential Offering Memorandum is confidential. By their acceptance hereof, prospective investors agree that they will not transmit, reproduce or make available to anyone this Confidential Offering Memorandum or any information contained herein.

Centurion Apartment REIT is a connected issuer, and may be considered to be a related issuer, of Centurion Asset Management Inc. (the "Asset Manager"), its asset manager and an exempt market dealer, investment fund manager and restricted portfolio manager in certain jurisdictions, in connection with the distribution of the REIT's securities hereunder, which may result in potential conflicts of interest. Centurion Apartment REIT is a connected issuer of the Asset Manager due to the factors described in this Offering Memorandum under "Relationship Between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager" as a result of the fact that the President of Centurion Apartment REIT and the Asset Manager are the same and Mr. Gregory Romundt indirectly owns all of the shares of the Asset Manager and its affiliates. Centurion Apartment REIT may be considered to be a related issuer of the Asset Manager by virtue of the Asset Manager's right to appoint a prescribed number of nominees to the board of trustees of Centurion Apartment REIT. See "Trustees" and "Relationship Between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager".

CENTURION APARTMENT REAL ESTATE INVESTMENT TRUST

Continuous Offering

Class "A", Class "F" and Class "I" REIT Units

This Confidential Offering Memorandum (the "**Offering Memorandum**") constitutes an offering (the "**Offering**") of units (the "**REIT Units**") in Centurion Apartment Real Estate Investment Trust ("**Centurion Apartment REIT**"). Centurion Apartment REIT is a limited purpose unincorporated open-end investment trust governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein. Centurion Apartment REIT is not a trust company and is not registered under applicable legislation governing trust companies as it does not carry on or intend to carry on the business of a trust company. The REIT Units are not "deposits" within the meaning of the Canadian Deposit Insurance Corporation Act (Canada) and are not insured under the provisions of that act or any other legislation.

The objectives of Centurion Apartment REIT are to: (i) provide registered holders of REIT Units (the "**Unitholders**") with stable and growing cash distributions, payable monthly and, to the extent reasonably possible, tax deferred, from investments in a diversified portfolio of income-producing multi-unit residential properties, mortgage investments and equity developments, located in Canada and the United States; and (ii) maximize REIT Unit value through the ongoing management of Centurion Apartment REIT's assets, the future acquisition of additional multi-unit residential properties, and the funding of mortgage investments and equity developments. See "Objectives of Centurion Apartment REIT".

The price per REIT Unit will be determined by the Trustees of Centurion Apartment REIT from time to time and set forth in the subscription agreement(s) entered into between the Subscriber(s) and Centurion Apartment REIT.

The expenses of the Offering will be deducted from the Offering proceeds and the balance will be utilized to invest in income-producing multi-residential properties and mortgage investments in Canada and the United States, and for general Trust purposes. Closings of sales of REIT Units will occur at the discretion of the Asset Manager. It is estimated that the first closing (the "First Closing") will occur on or before October 1, 2023.

Closings will occur at the discretion of Centurion Apartment REIT as additional REIT Units are subscribed for and accepted by Centurion Apartment REIT.

Depending on the jurisdiction in which a Person is resident, each Person purchasing REIT Units pursuant to this Offering (the "**Subscriber**") must be an "**accredited investor**", "**eligible investor**", invest subject to the "**minimum amount investment**" or have another available exemption defined in National Instrument 45-106 - *Prospectus and Registration Exemptions* ("**NI 45-106**") in order to subscribe for REIT Units. See "Representations of Subscribers".

The distribution of the REIT Units is being made on a private placement basis only and is exempt from the requirement that Centurion Apartment REIT prepare and file a prospectus with the relevant Canadian securities regulatory authorities. Accordingly, any resale of the REIT Units must be made in accordance with applicable Canadian securities laws which may require resale's to be made in accordance with prospectus and dealer registration requirements or exemptions from the prospectus and dealer registration requirements. Subscribers of REIT Units are advised to seek legal advice prior to any resale of the REIT Units. See "Resale Restrictions".

Investing in the REIT Units involves significant risks. There is currently no secondary market through which the REIT Units may be sold and there can be no assurance that any such market will develop. A return on an investment in REIT Units of Centurion Apartment REIT is not comparable to the return on an investment in a fixed-income security. The recovery of an initial investment is at risk, and the anticipated return on such an investment is based on many performance assumptions. Although Centurion Apartment REIT intends to make regular distributions of its available cash to Unitholders, such distributions may be reduced or suspended. The actual amount distributed will depend on numerous factors, including Centurion Apartment REIT's financial performance, debt covenants and obligations, interest rates, the occupancy rates of Centurion Apartment REIT's properties, redemption requests, working capital requirements and future capital requirements. In addition, the market value of the REIT Units may decline if Centurion Apartment REIT is unable to meet its cash distribution targets in the future, and that decline may be material. It is important for an investor to consider the particular risk factors that may affect the industry in which it is investing and therefore the stability of the distributions that it receives. There can be no assurance that income tax laws and the treatment of mutual fund trusts will not be changed in a manner which adversely affects Centurion Apartment REIT or the REIT Unitholders. See "Risk Factors".

ELIGIBILITY FOR INVESTMENT

In the opinion of Stikeman Elliot LLP, counsel to Centurion Apartment REIT, provided that at all times Centurion Apartment REIT qualifies as a mutual fund trust for the purposes of the *Income Tax Act*, (Canada), and the regulations thereunder, as amended (collectively the "**Tax Act**"), the REIT Units will be a trust governed by a Registered Plan.

Notwithstanding that REIT Units may be qualified investments for a trust governed by a RDSP, RESP, TFSA, FSHA, RRSP or RRIF, the holder of a TFSA, FSHA, or RDSP, the subscriber of a RESP, or the annuitant of an RRSP or RRIF as the case may be (each a "controlling individual") will be subject to a penalty tax if the REIT Units are a "prohibited investment" (as defined in the Tax Act). The REIT Units will generally not be a prohibited investment if the controlling individual, (i) deals at arm's length with the Centurion Apartment REIT for the purposes of the Tax Act, and (ii) does not have a "significant interest" (as defined within the meaning of subsection 207.01(4) of Tax Act) in the Centurion Apartment REIT. In addition, the REIT Units will generally not be a "prohibited investment" if the REIT Units are "excluded property" (as defined in the Tax Act) for trusts governed by a TFSA, FSHA, RRSP, RRIF, RDSP or RESP. Prospective investors who intend to hold their REIT Units in Registered Plans should consult with their own tax advisors regarding the application of the foregoing having regard to their particular circumstances.

Management of Centurion Apartment REIT

The investment policies and operations of Centurion Apartment REIT are subject to the control and direction of the Trustees, a majority of whom must be resident Canadians and a majority of whom must be independent trustees (as defined in Multilateral Instrument 52-110 - *Audit Committees* (“**MI 52-110**”)). Pursuant to MI 52-110, an “**Independent Trustee**” is one who has no direct or indirect material relationship with Centurion Apartment REIT which could, in the view of the Board of Trustees, reasonably interfere with a trustee’s independent judgment. The Declaration of Trust provides for a minimum of five (5) and a maximum of eleven (11) trustees. During the term of the Asset Management Agreement and any renewal thereof, the Asset Manager is entitled to appoint two (2) trustees on a board of five (5) or fewer trustees and four (4) trustees on a board of nine (9) or ten (10) trustees and five trustees on a board of eleven (11), provided that a majority of the trustees are Independent Trustees. The rest of the trustees are to be elected annually by resolution passed by a majority of the votes cast at a meeting of the Unitholders. Certain decisions respecting the affairs of Centurion Apartment REIT must be made by the Independent Trustees. The Declaration of Trust provides for the appointment by the Trustees of an audit committee (the “**Audit Committee**”) and additional committees (the “**Additional Committees**”) as required. The majority of the members of each committee must be Independent Trustees. See “Management of Centurion Apartment REIT”.

The Asset Manager

Centurion Asset Management Inc. (the Asset Manager) is a corporation governed by the laws of the Province of Ontario. The Asset Manager is responsible for day to day management of the REIT and its subsidiaries, including sourcing and conducting due diligence on acquisitions and dispositions of investments for the REIT, and providing advice and guidance to the REIT. The Asset Manager receives an asset management fee pursuant to the Asset Management Agreement. In addition, an affiliate of the Asset Manager is entitled to receive the Carry Allocation as a distribution of profits under the CAP I LP Limited Partnership Agreement. The Asset Management Agreement was amended and restated on September 1, 2023, with an initial term commencing on September 1, 2023 and expiring on September 1, 2028, unless it is

terminated, extended or renewed in accordance with its terms. See “Asset Management Agreement” and “Asset Manager’s Fees and Carry Allocation”.

Asset Manager Responsibilities

The Asset Manager is responsible for the day-to-day operations of Centurion Apartment REIT and its subsidiaries. Among other duties, the Asset Manager is responsible for: identifying multi-unit residential property investment opportunities, mortgage lending opportunities and other investment opportunities, that meet the investment criteria of Centurion Apartment REIT, within the guidelines set out in the Declaration of Trust; providing the Trustees with information and advice relating to proposed acquisitions, dispositions, developments, and financings; establishing, at least on an annual basis, investment and operating plans for the ensuing period; supervising the due diligence required in connection with proposed acquisitions and supervising the completion of any resulting transactions; maintaining the books and financial records of Centurion Apartment REIT; advising as to designations, elections and determinations to be made for tax and accounting purposes; preparing reports and other information required to be sent to Unitholders and other disclosure documents; calculating and determining all allocations, communicating with Unitholders and other persons, including investment dealers, lenders and professionals; providing a senior management team, and the necessary clerical and secretarial personnel for the administration of the day-to-day affairs of Centurion Apartment REIT; providing supervision and oversight of the property management functions of Centurion Apartment REIT and administering or supervising the administration on behalf of Centurion Apartment REIT of the payment of Distributable Income and other distributions by Centurion Apartment REIT. See “History of the REIT Since REIT Conversion”, “Management of Centurion Apartment REIT”, “The Asset Manager” and “Asset Management Agreement”.

Management of the Properties

Effective January 1, 2015, Centurion Property Associates Inc. was transferred to the REIT resulting in all the property management functions being performed within the REIT structure. In some locations where the REIT does not have sufficient scale to manage the property internally, the REIT may outsource to a third-party property manager.

Following the internalization of Centurion Property Associates Inc., effective January 1, 2015, the REIT is not charged a property management fee and the property management agreement between the REIT and Centurion Property Management Inc. was cancelled. See “History of Centurion Apartment REIT Since REIT conversion”.

Management and Investment Strategy

The personnel of the REIT and the Asset Manager have significant experience in all aspects of the rental housing business, including acquisitions and dispositions, finance and administration, property management, construction and renovation, and marketing and sales and mortgage investments. These skills will permit Centurion Apartment REIT to capitalize upon many multi-unit residential real estate and mortgage investment opportunities which may be unavailable to other real estate investors who lack the requisite diversity of real estate experience.

As part of the Asset Manager’s mandate to manage Centurion Apartment REIT, the Asset Manager intends to enhance the value of Centurion Apartment REIT’s properties through a number of distinct and well executed strategies, including: a commitment to customer satisfaction; maintenance and repair programs; quality on-site building staff; detailed financial reporting; strategic debt management; enhancement of Centurion Apartment REIT’s portfolio; and timely communications and disclosure. The Asset Manager will also use the strength of the portfolio to obtain more competitive financing and pricing on commodities and contracted expense items.

The Asset Manager believes that multi-unit residential properties offer an attractive investment opportunity with the potential for stability of yield, inflation protection and growth. Focusing predominantly on one asset class is expected to enable Centurion Apartment REIT to acquire a critical mass of residential units. It is expected to enable Centurion Apartment REIT to bolster its market presence, thereby enhancing Centurion Apartment REIT’s opportunities for future multi-unit residential property acquisitions at attractive prices. Through future acquisitions of properties, in compliance with its investment guidelines, Centurion Apartment REIT intends to geographically diversify its portfolio over time by purchasing properties in thriving communities that will continue to strengthen Centurion Apartment REIT and reduce its risk of owning properties in one community or geographic area. As well, as Centurion Apartment REIT grows through the acquisition of new properties and the issuance of additional REIT Units, Centurion Apartment REIT expects to increase the stability of its income stream and provide Unitholders with increased liquidity.

The Asset Manager will generally concentrate on communities that have low vacancy levels, and strong population demographics that align with the class of multi-residential properties that are acquired by Centurion Apartment REIT. See “Multi-Unit Residential Real Estate Market”. The Asset Manager intends to create mass for Centurion Apartment REIT’s portfolio through the acquisition and consolidation of Canadian markets where opportunities for value added properties exist.

Properties

Effective August 31, 2009, Centurion Apartment REIT entered into the Rollover Agreement with CAP 1 LP that conferred certain benefits of the Existing Properties to Centurion Apartment REIT. As at June 30, 2023, the Existing Properties consist of 152 multi-unit residential apartment buildings including 20 joint-venture operations containing an aggregate of 21,453 undiluted rental units. As at June 30, 2023, the portfolio occupancy was 94.2%. The overall stabilized portfolio occupancy was 97.0% with the stabilized apartment portfolio occupancy at 97.7%, and the stabilized student housing portfolio occupancy at 92.0%.

The properties (the “**Properties**”) represent a source of stable and secure cash flow to Centurion Apartment REIT and may provide opportunities for capital appreciation. The Properties represent a well-diversified portfolio of multi-unit residential properties located in strategic locations that meet the investment strategy. Since many of the Properties have current rents below the legally permitted maximum rents, the Asset Manager believes that such Properties represent an opportunity for enhanced value through capital improvements which will lead to increased net rental income as vacancies are reduced and tenant creditworthiness is upgraded. As well, the purchase price attributable to each of the Properties is below its respective replacement cost. See “Properties”.

Capital Improvements and Expenditures

The majority of the Properties are typical of multi-unit residential apartment buildings constructed between the 1960s and 2000s. Repairs and maintenance to the component systems of the Properties were to a large extent dependent on the policies and financial capability of the previous owners of each of the Properties. At the time of acquisition of each of the Properties, due diligence investigations were conducted, including with respect to financial, title, construction, environmental and operational matters.

During the due diligence period, the Asset Manager uses its own experience to inspect the properties under consideration. When required, the Asset Manager calls upon various tradespeople to inspect and report on systems that they specialize in. The Asset Manager suggests and supervises upgrades and investments in the buildings that it believes will be potentially accretive to the portfolio and will be undertaken with price and efficiency taken into consideration. The experience of the Asset Manager is utilized to employ non-quantitative improvements that will also add value to the portfolio through enhancement of the property value and/or revenue stream. Where engineering reports are required by the lending institutions, the Asset Manager retains qualified firms to assess the building condition and make recommendations.

Investment Guidelines and Operating Policies

The Declaration of Trust contains investment guidelines and operating policies. The investment guidelines include, among other things, criteria with respect to the types of properties which Centurion Apartment REIT can acquire and other guidelines. The operating policies address, among other things, the level of Centurion Apartment REIT’s debt and the requirements for appraisals, insurance coverage and environmental audits.

The investment guidelines and certain operating policies may only be changed upon the approval of a two-thirds majority of the votes cast by Unitholders at a meeting called for such purpose. The remaining operating policies may be changed upon the approval of a majority of the votes cast by Unitholders at a meeting called for such purpose. See “Investment Guidelines and Operating Policies”.

Borrowing

No indebtedness shall be incurred or assumed by Centurion Apartment REIT if, after giving effect to the incurring or assumption thereof of the indebtedness, the total indebtedness as a percentage of Gross Book Value, would be more than 75%. See “Investment Guidelines and Operating Policies”.

Distribution Policy

The Declaration of Trust provides that Centurion Apartment REIT may distribute to REIT Unitholders such percentage of the “**Distributable Income**” for the calendar month then ended as the Trustees determine in their discretion. For the twelve-month period following the date of this Confidential

Offering Memorandum, it is Centurion Apartment REIT's current intention to distribute cash distributions of \$0.8400 per Class "A" REIT Unit and \$1.0400 per Class "F" and Class "I" REIT Units per annum, payable on a monthly basis.

In addition, the Trustees may declare to be payable and make distributions, from time to time, out of income of Centurion Apartment REIT, net realized capital gains of Centurion Apartment REIT, the net recapture income of Centurion Apartment REIT, the capital of Centurion Apartment REIT or otherwise, in any year, in such amount or amounts, and on such dates on or before December 31 of that year as the Trustees may determine, to the extent such income, capital gains and capital has not already been paid, allocated or distributed to the REIT Unitholders.

Each year Centurion Apartment REIT shall deduct in computing its income for purposes of the Tax Act such portion of the amounts paid or payable to the REIT Unitholders for the year as is necessary to ensure that Centurion Apartment REIT is not liable for income tax under Part I of the Tax Act for that taxation year. The Trustees shall deduct or withhold from distributions payable to any REIT Unitholder amounts required by law to be deducted or withheld from such REIT Unitholder's distributions. See "Distribution Policy". Distributions are declared and paid at the discretion of the Trustees.

Canadian Federal Income Tax Considerations

This is a general summary only and is not intended to be exhaustive. Investors should seek the advice of their own tax advisors with respect to the tax consequences of investing in the Units.

This summary is based on the assumption that Centurion Apartment REIT will continue to qualify as a "mutual fund trust" under the provisions of the Tax Act at all relevant times. In the event that Centurion Apartment REIT was not to qualify as a mutual fund trust, the Canadian federal income tax consequences described below would, in some respects, be materially and adversely different.

This summary assumes that Centurion Apartment REIT will at no time be a SIFT Trust. Provided that "investments" (as defined in section 122.1 of the Tax Act) in Centurion Apartment REIT are not listed or traded on a stock exchange or other "public market", as defined in the Tax Act, the Centurion Apartment REIT will not be subject to the SIFT Rules. See Item 10: "Risk Factors - Tax Related Risks".

Centurion Apartment REIT will generally be subject to tax under the "Tax Act" in respect of its taxable income and net realized capital gains in each taxation year, except to the extent such taxable income and net realized capital gains are paid or payable or deemed to be paid or payable in such year to REIT Unitholders and deducted by Centurion Apartment REIT for tax purposes. Centurion Apartment REIT intends to deduct, in computing its income in each taxation year, the full amount available for deduction in each taxation year and therefor, Centurion Apartment REIT does not generally expect to be liable in such taxation year for income tax under Part I of the Tax Act

A REIT Unitholder is required to include in computing income for tax purposes in each year the portion of the amount of net income and net taxable capital gains of Centurion Apartment REIT, determined for the purposes of the Tax Act, paid or payable to such REIT Unitholder in the year that whether paid in cash or additional REIT Units. Distributions in excess of Centurion Apartment REIT's taxable income in a year will not be included in computing the income of the REIT Unitholders from Centurion Apartment REIT for tax purposes. However, a REIT Unitholder is required to reduce the adjusted cost base of his REIT Units by the portion of any amount paid or payable to him by Centurion Apartment REIT (other than the non-taxable portion of certain capital gains) that was not included in computing his income and will realize a capital gain in the year to the extent the adjusted cost base of his REIT Units would otherwise be a negative amount. Centurion Apartment REIT will designate to the extent permitted by the Tax Act the portion of the taxable income distributed to REIT Unitholders as may reasonably be considered to consist of net taxable capital gains of Centurion Apartment REIT. Any such designated amount will be deemed for tax purposes to be received by REIT Unitholders in the year as a taxable capital gain. Upon the disposition or deemed disposition by a REIT Unitholder of a REIT Unit, a capital gain (or a capital loss) will generally be realized to the extent that the proceeds of disposition of the REIT Unit exceed (or are exceeded by) the aggregate of the adjusted cost base to the REIT Unitholder of the REIT Unit immediately before the disposition and any reasonable costs of the disposition. The adjusted cost base to a REIT Unitholder of a REIT Unit will be determined by averaging the cost base of all REIT Units owned by a REIT Unitholder as capital property at a particular time. Generally, one-half of any capital gain (a "taxable capital gain") realized by a REIT Unitholder will be included in the REIT Unitholder's income for the year of disposition. One-half of any capital loss so realized (an "allowable capital loss") may generally be deducted against taxable capital gains of the REIT Unitholder for the year of disposition. See "Canadian Federal Income Tax Considerations", "Risk Factors", and "Tax Related Risks".

Risk Factors

There are certain risk factors inherent in an investment in the REIT Units and in the activities of Centurion Apartment REIT, including risks related to real property ownership, future property acquisitions, revenue producing properties, no guarantees or insurance on mortgage investments, mortgage extensions and mortgage defaults, foreclosure or power of sale and related costs on mortgage investments, litigation, competition for real property investments, competition for tenants, interest rates, debt financing, general economic conditions, general uninsured losses, availability of cash for distributions, government regulation, environmental matters, Unitholder liability, dependence on key personnel, failure or unavailability of computer and data processing systems and software, potential conflicts of interest, taxes, critical estimates assumptions and judgements, dilution, restrictions on potential growth and reliance on credit facilities, potential inability to fund investments, liquidity of the REIT Units and redemption risk and the nature of the REIT Units. See "Risk Factors".

Tax-Related Risks

There can be no assurance that income tax laws and the treatment of mutual fund trusts will not be changed in a manner which adversely affects Centurion Apartment REIT or the Unitholders. If Centurion Apartment REIT ceases to qualify as a mutual fund trust, the Canadian federal tax considerations described under "*Canadian Federal Income Tax Considerations*" and "*Eligibility for Investment*" would be materially and adversely different, and Centurion Apartment REIT, its subsidiaries and the REIT Unitholders may be reassessed for additional taxes from time to time. Such reassessments together with associated interest and penalties could adversely affect Centurion Apartment REIT. See "Risk Factors" and "Tax Related Risks". Investors should consult their own tax advisors with respect to the tax consequences of investing in the Units.

Resale Restrictions

The REIT Units are not listed on an exchange. There is currently no secondary market through which the REIT Units may be sold, there can be no assurance that any such market will develop, and the REIT has no current plans to develop such a market. Accordingly, the sole method of liquidation of an investment in REIT Units is by way of a redemption of the REIT Units. Aggregate redemptions are limited to \$50,000 per month unless approved by the Board of Trustees. Depending upon the Purchase Option selected and the amount of time the REIT Units have been held, there may be a Deferred Sales Charge or Short-Term Trading Fee associated with an early redemption (see "Redemption of REIT Units").

Subscribers of REIT Units may subsequently trade their REIT Units provided that such trades are made pursuant to an exemption from registration and prospectus requirements contained in applicable securities legislation and have been approved by the Trustees. See "Resale Restrictions".

Purchasers' Rights of Action

Securities legislation provides purchasers of REIT Units pursuant to this Offering Memorandum with a remedy for damages or rescission, or both, in addition to any other rights they may have at law, where the Offering Memorandum and any amendment to it contain an untrue statement of a material fact or an omission to state a material fact that is required to be stated or that is necessary to make any statement not misleading in light of the circumstances in which it was made. These remedies, or notice with respect to these remedies, must be exercised or delivered, as the case may be, by the purchaser within the time limits prescribed by applicable securities legislation. See "Purchasers' Rights of Action".

For example, a 5-bedroom student unit would be 1 Rental Suite but is 5 Rental Units as there may be 5 separate leases, each pertaining to a bedroom unit. This distinction only applies to properties classified as Student Residences. Thus, an apartment that had a 2-bedroom suite that had roommates sharing an apartment, and where the building is not classified as a Student Residence, would be 1 Rental Suite and 1 Rent Unit only. There is no distinction between individual leases on bedrooms and multi-tenant leases with all residents in the suite on a single lease (the two forms of lease in the student rental business)

Future acquisitions will be subject to specific investment guidelines and the operation of Centurion Apartment REIT will be subject to specific operating policies. The head office of Centurion Apartment REIT is located at: 25 Sheppard Avenue West, Suite 1800, Toronto, ON M2N 6S6.

History of Centurion Apartment REIT Prior to REIT Conversion

Centurion Apartment REIT evolved over several years into its current form as a REIT. Gregory G. Romundt, the founder of the REIT began acquiring the first properties in the portfolio in 2003. In March 2006, Centurion Apartment Properties I LP (“CAP I LP”), a growth-oriented private apartment investment fund was launched and issued its first equity at \$10/Unit. On June 1, 2007, Mr. Romundt rolled over his six-property personal apartment portfolio into CAP I LP and opened CAP I LP to investment on a private placement basis. It continued to issue new equity to fuel growth, with the last subscriptions in November of 2008 occurring at \$22.21/Unit. During this period, the portfolio grew to 1,179 apartment suites (including joint ventures) at 23 properties in 14 cities and towns across Ontario. In 2009, preparations began to convert CAP I LP into a REIT. On August 31, 2009 Centurion Apartment REIT was established by Declaration of Trust and it entered into Rollover and Exchange Agreements with

CAP I LP for the Rollover of CAPLP's property portfolio into the REIT. This Rollover occurred on June 30, 2010 at a price of \$22.65/Unit at which time 1,477,500 Exchangeable "B" Units of CAP II LP were issued (equivalent to 1,477,500 Class "A" REIT Units) in exchange for their CAP I LP Units. This represented an exchange ratio of 2.265 CAP II LP Units per CAP I LP Unit.

History of Centurion Apartment REIT Since REIT Conversion

Since the REIT conversion in 2009, Centurion Apartment REIT has grown to assets of over \$6 billion as at March 31, 2023. The property portfolio 152 buildings and 21,453 units located in Ontario, Quebec, Nova Scotia, Manitoba, Saskatchewan, Alberta, British Columbia, Minnesota, Missouri and Texas. Purpose-built student housing, considered a niche market, represents 16 buildings within the property portfolio and there are 10 medical offices.

Acquisitions, combined with significant capital improvements, has resulted in significant increases in asset values since the conversion (See "Properties"). In 2012, the Asset Manager of Centurion Apartment REIT had identified the provision of debt and equity financing for growth-oriented real estate transactions, particularly in its core area of expertise of apartments and student housing, and the development thereof, as significant opportunities that would be a potentially accretive source of profit and an acquisition pipeline for Centurion Apartment REIT.

Since the beginning of 2013, the Asset Manager has been building this financing business for Centurion Apartment REIT and in May of 2013 began its first capital deployments. As the business grew, the Asset Manager believed that the potential scale of these opportunities, particularly in the development of new apartments and student housing which Centurion Apartment REIT could buy, would ultimately require a larger capital allocation than could be supported on its balance sheet alone. Further, the Asset Manager was seeing a regular flow of other real estate debt and equity investment opportunities that fell outside of the acquisition pipeline goals of Centurion Apartment REIT by virtue of its' activities in the market that it had to forego.

The Asset Manager believed that there was sufficient scope to create a fund to focus on these and other similar opportunities. To maximize the number of opportunities upon which it could execute potential Property Purchase Options and Property Offer Options, the Board of Trustees of Centurion Apartment REIT decided to set up a new fund, the Centurion Real Estate Opportunities Trust ("CREOT") to which it would contribute a portion of Centurion Apartment REIT's mortgage investments portfolio in return for equity in CREOT. Centurion Apartment REIT and CREOT would be strategic partners in providing developers an end-to-end solution for debt and equity financing and ultimately a potential exit in a sale of the stabilized development to Centurion Apartment REIT. CREOT was established by declaration of trust on August 13, 2014 and on September 12, 2014 Centurion Apartment REIT contributed a mortgage portfolio of \$58,927,228 in return for 5,897,722.80 Class "R" Units of CREOT at \$10.00 per Class R Unit. Centurion Apartment REIT and CREOT signed a Warehouse Agreement") and the Asset Transfer Agreement as part of the transaction.

On January 1, 2021, CREOT merged with Centurion Apartment REIT (the "CREOT Merger") in accordance with a merger agreement dated January 1, 2021, with Centurion Apartment REIT as the continuing trust. Pursuant thereto, the Centurion Apartment REIT acquired all or substantially all of the net assets of CREOT in consideration of the issuance by Centurion Apartment REIT of Units equal to the number of Units outstanding immediately prior to the time of closing of the Merger, multiplied by the Exchange Ratio. Unitholders of CREOT then received Units equal to the number of units of CREOT ("CREOT Units") held multiplied by the Exchange Ratio in exchange for the redemption of their CREOT Units. Immediately prior to the CREOT Merger, Centurion Apartment REIT held 63.40% of all CREOT Units on a consolidated basis and acquired the remaining outstanding CREOT Units upon completion the REOT Merger.

PROPERTIES

Summary

The Existing Properties and Properties Under Contract (collectively, the "**Properties**") represent a source of stable and secure cash flow and may provide opportunities for capital appreciation. The Properties represent a well-diversified portfolio of multi-unit residential, student housing, medical offices and commercial properties located in strategic locations that meet the investment strategy. Since many of the Properties currently have rents below the legally permitted maximum rents, the Asset Manager believes that the Properties represent an opportunity for enhanced value through capital improvements which will lead to increased net rental income as vacancies are filled and tenant creditworthiness is upgraded. As well, the current value attributable to some of the Properties is below their respective replacement cost. Certain aspects of the Properties are summarized in Appendix "D".

Existing Properties

Effective August 31, 2009 CAP I LP and Centurion Apartment REIT entered into the Rollover Agreement conferring certain benefits of the Rolled Properties to Centurion Apartment REIT as well as conferring certain benefits of CAP II LP and Centurion Apartment REIT to CAP I LP. The “Existing Properties” consist of 152 properties of which 20 are joint ventures. Of the 152 properties, 126 are standard apartment buildings and 16 are student residences and 10 are medical offices. See “Appendix “A” – Existing Properties”. Under the Rollover Agreement, CAP I LP and CAP II LP agree to share in the profits (or losses) associated with properties owned or to be owned by the other, in proportion to their respective interest in Centurion Apartment REIT, as evidenced by the number of REIT Units owned by each. All the properties owned by Centurion Apartment REIT will be managed and operated by the Asset Manager and Property Manager or a sub manager reporting to the Property Manager in certain circumstances. As per the Exchange Agreement, Centurion Apartment REIT issued to CAP I LP Unitholders one Special Voting Unit (as described in the Declaration of Trust) for everyone unit of CAP II LP when CAP I LP was rolled into CAP II LP. See Appendix “A” for a list of the Existing Properties and Appendix “E” for summary information about the Existing Properties.

Joint Venture Properties

Certain Existing Properties are also Joint Venture Properties in which Centurion Apartment REIT has an investment partner(s) that participates in the ownership of certain properties. See Appendix “B” for a list of the Joint Venture Properties as at the date hereof.

Properties Under Contract

See Appendix “C” for a list of Properties Under Contract as at the date hereof. As at June 30, 2023, there were six properties under contract.

Properties Under Development

See Appendix “D” for a list of Properties Under Development as at the date hereof. As at June 30, 2023, there were ten properties under development.

Description of the Properties

See Appendix “E” for a detailed description of the Properties as of the date hereof.

Financing

See attached unaudited consolidated financial statements in Appendix “G” for a summary of the mortgages that are in place on the Properties as at June 30, 2023.

Acquisition and Operating Facilities

On a consolidated basis, Centurion Apartment REIT has Acquisition and Operating Facilities (the “**Acquisition and Operating Facilities**”) of \$300 million. The Acquisition and Operating Facilities are revolving credit facilities and amounts drawn thereunder will not, after giving effect to the incurring of such indebtedness, cause the total amount of indebtedness of Centurion Apartment REIT and the amount then advanced under the Acquisition and Operating Facilities, to exceed 75% of the Gross Book Value, unless a majority of the Trustees, in their discretion, determine that the maximum amount of indebtedness will be based on the appraised value of the real properties of Centurion Apartment REIT. Periodic equity financing will be used to pay down the Acquisition and Operating Facilities. The Acquisition and Operating Facilities will also facilitate acquisitions by Centurion Apartment REIT by enabling it to enter into negotiations for the purchase of properties without the need for an equity financing condition.

Centurion Apartment REIT's primary investment areas are described below.

Multi-Unit Residential Real Estate Market

The real estate industry in Canada is divided into two segments: (i) residential – where people live, and (ii) commercial – including office, retail, and industrial properties. Centurion Apartment REIT's focus is primarily on multi-unit residential rental properties where large numbers of individuals live either in apartment buildings, townhouses, or land lease communities. The following chart depicts the size of the rental market universe ("rental universe") in Canada and further outlines the distribution of rental stock, by Province and within census metropolitan areas with populations greater than 10,000.

Province	Rental Universe	% of Total	Vacancy Rate
Newfoundland and Labrador	6,599	0.3%	2.90%

Rental universe is total provincial rental universe of row/apartments (CMHC - October 2022)

While Centurion's current portfolio is concentrated primarily in Ontario and Quebec, these two provinces represent just shy of 72.8% of the total rental stock in Canada. Ontario alone represents 31.9% of the rental stock and presents vacancy rates that are lower than the national average with anticipated growth of household formation that is higher than the national average. The following chart outlines, for the period indicated therein, the annual growth rate in households in Canada, according to Statistics Canada.

Province	Households 2011	Households 2016	Households 2021	Average Annual Growth Rate

Census-based estimates of total private households (Statistics Canada - 2011, 2016, and 2021 Census)

The following chart outlines, for the period indicated therein, the percentage of household dwelling ownership in Canada, which in the inverse presents the propensity for rental households, where Ontario and Quebec have the lowest household dwelling ownership rates in the country.

Province	Household Ownership 1996	Household Ownership 2006	Household Ownership 2016
Newfoundland and Labrador	77.1%	78.7%	76.7%
Prince Edward Island	72.1%	74.1%	70.3%
Nova Scotia	70.4%	72.0%	68.7%

Alberta	67.8%	73.1%	72.4%
British Columbia	65.2%	69.7%	68.0%
Total Canada	63.6%	68.4%	67.8%

Ownership rates are computed as owners divided by total of all tenure types (CMHC, adapted from Statistics Canada - 1996/2006/2016)

Centurion Apartment REIT generally focuses acquisition efforts in outer lying areas that have a lower cost per unit than in urban areas, where tighter markets present relative pricing barriers. Based on the growing population in the Province of Ontario, and the lack of new construction of multi-unit residential buildings in these secondary and tertiary markets (see below), tenant demand for these properties has increased over the years.

(Source: CMHC)

According to Canada Mortgage and Housing Corporation (“CMHC”), the vacancy rates in Canadian apartments were 1.9% in 2022, 3.1% in 2021, 3.2% in 2020, 2.0% in 2019, and 2.4% in 2018. While CMHC does not track and report statistics for all the smaller markets that Centurion Apartment REIT invests in, the Asset Manager does monitor and consider CMHC statistical data and forecasts as a benchmark tool when developing its investment objectives for Centurion Apartment REIT. Assuming the population in Ontario continues to grow and the declining relative costs of renting versus owning increases overall rental demand, the Asset Manager also expects an increase in demand for multi-unit residential rentals to accommodate new immigrants seeking long-term rental households and an aging population that is moving from both rural and over-populated/over-priced urban centers for better value. It is the experience of the Asset Manager that by purchasing or repositioning properties to be the ‘best in class’ in a community that they will attract a higher class of tenant that is respectful and will take pride living in these buildings.

(Source: CMHC)

The Asset Manager believes that its strategies may provide REIT Unitholders with property acquisitions in a value-added approach. The Asset Manager generally focuses on communities that show consistently low vacancy levels and strong population demographics that align with the class of properties acquired by Centurion Apartment REIT. Centurion Apartment REIT targets a vacancy rate range of 3 to 5% for its portfolio. Many properties that the Asset Manager is identifying as potential acquisitions are under-managed in terms of rental revenues, operating expenses, and capital improvements. Many previous or existing private owners, being generally less sophisticated operators, tend not to have taken advantage of scale or other efficiencies in managing the properties. Moreover, many of these private owners rely upon the cash flow of the property’s operations to fund necessary capital improvements and expenditures, which increase with the age of the property.

(Source: CMHC)

These capital-intensive improvements and expenditures that many private owners are unwilling or unable to fund often unlock potential incremental income which can be realized from increased rents or reduced operating expense.

THE STUDENT HOUSING MARKET

Purpose-built student housing is a niche and underserved multi-residential market in Canada that the Asset Manager believes may provide potentially attractive opportunities for Centurion Apartment REIT.

In the opinion of the Asset Manager, there are many student housing markets with some or all of the following potentially positive characteristics:

- high occupancy rates due to a shortage of quality, well located properties
- higher rents per square foot, generally translating into higher yields on student properties
- low correlation to the economy; in slow economic periods, students may be more inclined to stay in school, and unemployed persons may return to school, creating further demand
- a highly fragmented industry with few dominant competitors, ripe for consolidation by a well-capitalized and focused acquisition strategy
- good inflation hedge characteristics due to frequency of lease turnover at market rates
- generally strong tenant quality due to multiple lease guarantors
- the specialized management skills in the business act as a barrier to entry
- the higher purchase price (as most are new construction) and equity requirements act as a barrier to entry
- the niche and emerging nature of the business has not yet attracted a large institutional following or participation, further acting to limit potential competition
- student demands are becoming more discerning with a willingness to pay for a premium lifestyle accommodation with security and amenities driving demand for new purpose-built products
- off-campus residents tend to be second through fourth-year students with most first-year students opting to stay on campus and remain in university residence

In the opinion of the Asset Manager, student housing also has some potentially negative characteristics such as:

- students move in and move out at the start and end of the academic year respectively. This means that if a property has some vacancy at the start of the academic year, that there is little potential to fill these units until the next term or academic year meaning that vacancies, if any will be less easy to fill than standard apartments.
- students require a higher level of oversight than standard apartments as it often is their first independent living experience. Properties require this increased oversight to reduce the risk of property damages and noise that may otherwise disturb other residents
- student properties are less well understood by financial institutions. This means fewer of them offer mortgage financing and the terms offered may not be as attractive as for regular apartments
- student apartments with higher bedroom density (e.g. 4 and 5-bedroom units) that are off campus, are generally not eligible for CMHC-insured mortgage financing.

**Statistics Canada, CANSIM, table 37-10-0018-01 (formerly CANSIM 477-0019)

According to the Association of University and Colleges of Canada, for 2022 there are over 1.4 million students enrolled in 95 universities across Canada; this includes 1,116,620 full-time students. Currently, Centurion Apartment REIT serves markets where approximately 38% of these full-time students attend University across thirteen of these institutions. With increasing enrollment anticipated at most Canadian post-secondary institutions, including colleges, it is the opinion of the Asset Manager that the student housing market in Canada is under-serviced and demand will remain high for quality properties in premium locations that are within walking distance of the schools.

Centurion Penetration of Target Universe Locations in Markets with Full-time University Students

The chart above illustrates that the REIT has residences serving 38% of the Canadian university full time enrollment that it is currently targeting.

Management remains optimistic about this space however we believe the number of opportunities for growth by development or acquisition may be limited. Student condominiums have become popular with retail investors. As a result, a large number of the potential student sites are being built as for sale to retail investor condominiums. It makes sense for developers to do so as retail investors will pay substantially more than the REIT will for the same property.

Mortgage Investments

Centurion Apartment REIT, within the parameters set in the Investment Guidelines makes investments in mortgages on an opportunistic basis. The primary focus of the mortgage investment program is to (where possible) create potential future acquisition opportunities for the REIT. As the Asset Manager currently believes that there are opportunities in new construction rental apartments and student properties, the Asset Manager has been sourcing mortgage investment opportunities for the REIT where the REIT may be granted purchase options upon the completion and/or stabilization of the properties. The Asset Manager believes that providing funding to apartment developers and securing related purchase options (where possible) positions Centurion Apartment REIT to earn income during construction and to build a future acquisition pipeline. In addition to apartment and student housing development mortgages, the REIT has also made other mortgage investments consistent with the Investment Guidelines to further diversify the portfolio.

The market conditions for mortgage investments are reasonably favorable. Conventional lenders remain somewhat cautious but active and there are constraints on the availability of development funding for both multi-unit residential and student housing, which are the REIT's key markets. Developers are attracted to the REIT to assist with construction financing particularly outside of the Greater Toronto Area, given the REITs unique market position in being able to finance the construction, provide rental market experience and being a potential end purchaser of the completed product.

Please refer to Appendix "F" - Summary Information About the Mortgage Investment Portfolio for further information.

The traditional sources of real estate mortgage financing include Schedule I and II Banks, trust companies, insurance companies and pension funds (collectively, "Institutional Lenders"). The larger Institutional Lenders in Canada are generally focused on mortgage loans that comply with the often-restrictive lending criteria established by the Canadian banks. These criteria became much more restrictive after the 2008 credit crisis, resulting in a pullback by traditional lending sources from the mortgage market in general and in particular the commercial mortgage market. Due to the focus of large financial institutions on limited types of mortgage loans and increasingly conservative loan exposure levels, quality lending opportunities exist in some segments of the mortgage market at premium interest rates secured by high quality mortgage loans. Below are the areas of focus for Centurion Apartment REIT in the mortgage market.

Construction loans for purpose-built rental apartments and student housing buildings

Mortgage financing to support the construction of purpose-built rental apartments and student housing buildings is provided on a strictly limited basis by only a few large financial institutions, primarily a few of the Schedule I and Schedule II Banks and some trust companies. Despite vacancy rates upon completion and stabilization for these types of projects remaining extremely low, these lending institutions are very conservative and limited in the amount of financing they will provide. This allows Centurion Apartment REIT to potentially find abundant lending opportunities on high quality projects, typically structured as either first or second mortgages, in particular for those projects which Centurion Apartment REIT may have an interest in acquiring upon completion. The loan exposure levels provided by the Company are typically well within the price point at which Centurion Apartment REIT would be interested in acquiring the completed projects.

Multi-Family Residential, Investment Properties and Commercial Mortgages

Mortgage lending in the income-producing investment property market is dominated by a few large Institutional Lenders. These institutions tend to be more conservative and focus only on the highest quality of income-producing properties owned by large real estate investors. As a result, Centurion Apartment REIT can find attractive lending opportunities providing first and second mortgage financing on other income-producing properties and owners, including attractive lending opportunities on purpose-built multi-family rental and student housing.

Developer and Builder Pre-Construction Loans

Builders and developers require loans to acquire land to build low-rise and high-rise developments. The Institutional Lenders lend on a very limited basis on land, presenting potentially attractive lending opportunities to Centurion Apartment REIT.

Mezzanine and Subordinated Debt Financing

Mezzanine or subordinated debt financing for residential and commercial development projects is highly fragmented. Institutional Lenders typically do not provide this type of specialized financing for developers, and the capital providers are typically small private entities with limited access to capital. Given the lack of participation from the larger financial institutions, there is less competition in this market segment, which provides Centurion Apartment REIT with opportunities to underwrite well-structured, secure mortgage loans with attractive pricing.

Warehouse Agreement

Centurion Apartment REIT has entered into a Warehouse Agreement with Centurion Financial Trust ("CFIT"), pursuant to which Centurion Apartment REIT has agreed to fund (purchase) and warehouse certain mortgage investments originated by (or on behalf of) CFIT (the "Warehoused Mortgages") and growth-oriented real estate investments, ancillary real estate and other investments (the "Warehoused Other Investments"). The Warehouse Agreement (i) provides CFIT with a non-committed funding facility to fund (A) mortgage investments originated and placed directly or indirectly by the Mortgage Manager on behalf of CFIT and (B) growth-oriented real estate investments (including real estate development), ancillary real estate and other investments identified by the Asset Manager on behalf of CFIT and (ii) grants CFIT an option to repurchase Warehoused Mortgages and Warehoused Other Investments funded (purchased) under the Warehouse Agreement at any time. The Warehouse Agreement also provides Centurion Apartment REIT with an option to sell any Warehoused Mortgages and/or Warehoused Other Investments to CFIT (i) on 180 days' prior notice for any Warehoused Mortgages and/or Warehoused Other Investments that remain in good standing, or (ii) immediately (within three (3) Business Days) for any Warehoused Mortgages and/or Warehoused Other Investments that have been noted in default or that have otherwise experienced a negative credit or other event, as set out in the Warehouse Agreement.

For such time as Centurion Apartment REIT is the beneficial owner of the Warehoused Mortgages and Warehoused Other Investments it is entitled to all related economic benefits. Until such time as the CFIT has acquired such Warehoused Mortgages and Warehoused Other Investments from the REIT, CFIT has no rights to such Warehoused Mortgages or Warehoused Other Investments, but is fully-exposed to the related downside risks by virtue of Centurion Apartment REIT's unrestricted option to immediately sell any Warehoused Mortgages and/or Warehoused Other Investments that have been noted in default or that have otherwise experienced a negative credit or other event, as set out in the Warehouse Agreement.

In the event that CFIT purchases a Warehoused Mortgage from Centurion Apartment REIT, the purchase price for such Warehoused Mortgage will be: a) the outstanding principal balance owing to Centurion Apartment REIT in respect of each Warehoused Mortgage plus all interest attributable to such interest accrued and unpaid on such Warehoused Mortgage less (b) CFIT's pro-rata share of the upfront, ongoing and deferred lender fees payable in respect of such Warehoused Mortgage, if any, to Centurion Apartment REIT as the beneficial owner of the Warehoused Mortgage. Where the purchased Warehoused Mortgage provides for the opportunity to share in the profits of the property underlying the Warehoused Mortgage, all such participating rights and profit sharing shall attribute exclusively to CFIT and shall not be included in the purchase price. In the event that CFIT purchases a Warehoused Other Investment from Centurion Apartment REIT, the purchase price for such Warehoused Other Investment will be determined on the basis, or using the formula, set out in the applicable commitment letter pursuant to which Centurion Apartment REIT agreed to advance funds in respect of such Warehoused Other Investment, or such other price as CFIT and Centurion Apartment REIT may agree.

The Warehouse Agreement requires that, unless otherwise agreed by CFIT and Centurion Apartment REIT, the Warehoused Mortgages and Warehoused Other Investments funded or purchased by Centurion Apartment REIT be purchased by CFIT on a "first in, first out" basis. The "first in, first out" requirement applies collectively to Warehoused Mortgages and Warehoused Other Investments.

It is expected that CFIT will make use of the facility under the Warehouse Agreement to fund mortgage and other investments in order to (i) permit the continuous deployment of capital and (ii) avoid a reduction of returns associated with delays in the deployment of equity capital that needs to be raised to fund mortgage investments. Centurion Apartment REIT is not required to fund (purchase) any mortgage investments pursuant to the Warehouse Agreement and has made no commitments to do so. Any funding decision of Centurion Apartment REIT is made independent of CFIT by the independent trustees of Centurion Apartment REIT, provided that the independent trustees of Centurion Apartment REIT may set parameters pursuant to which such funding decisions are delegated to the Asset Manager (or any successor asset manager of Centurion Apartment REIT).

As consideration for Centurion Apartment REIT providing the warehouse facility and entering into the Warehouse Agreement, during the term of the Warehouse Agreement, CFIT has granted Centurion Apartment REIT the exclusive first right to purchase from CFIT and exercise any Property Purchase Option granted to CFIT in connection with the acquisition of any Mortgage Assets and/or other investments. During the Term, such right shall apply to all Mortgage Assets and/or other investments for which CFIT is the beneficial owner regardless of whether or not such Mortgage Assets and/or other investments are warehoused with Centurion Apartment REIT in accordance with the Warehouse Agreement. The purchase price paid by Centurion Apartment REIT for any Property Purchase Option shall be the fair market value of such Property Purchase Option determined at the time Centurion Apartment REIT exercises its right to purchase the Property Purchase Option, acting reasonably and in good faith. Any disputes with respect to the determination of the fair market value of the Property Purchase Option are to be resolved through negotiation between Centurion Apartment REIT and CFIT, failing which either party may request that an independent firm of licensed real estate appraisers resolve the dispute. Centurion Apartment REIT has the option to redeem the number of Class R Units equal to the fair market value of the Property Purchase Option in order to satisfy the purchase price, therefore.

As further consideration for Centurion Apartment REIT providing the warehouse facility and entering into the Warehouse Agreement, during the term thereof, CFIT has agreed to provide Centurion Apartment REIT the exclusive first right to exercise any Property Offer Option granted to CFIT, provided such Property Offer Option is transferable to the Centurion Apartment REIT. During the term, such right shall apply to all Mortgage Assets for which CFIT is the holder regardless of whether such Mortgage Assets are warehoused with Centurion Apartment REIT in accordance with the Warehouse Agreement. Centurion Apartment REIT and CFIT have acknowledged in the Warehouse Agreement that the fair market value of each Property Offer Option is expected to be nominal and that unless Centurion Apartment REIT and CFIT, each acting reasonably and in good faith, determine otherwise, the purchase price for each Property Offer Option shall be \$0.

Centurion Apartment REIT has the option to require that CFIT pay the purchase price of any Warehoused Mortgages and/or Warehoused Other Investments in additional Class R Units rather than in cash, or to satisfy the purchase price of a Property Offer Option and any underlying Warehoused Mortgage and/or other investment relating thereto through the redemption of Class R Units.

Other Asset Classes and Markets

Centurion Apartment REIT may invest in commercial properties where attractive opportunities are presented, provided that after giving effect to such proposed investment, the aggregate value of all investments in multi-unit residential properties remains the primary focus. This offers Centurion Apartment REIT the ability to diversify the income generated by the portfolio, but, in addition, allows Centurion Apartment REIT the opportunity to acquire properties that are neither exclusively residential nor commercial, but may be complimentary to an existing location or the existing portfolio in improving the overall value proposition. Often these properties are overlooked because of their mixed use, but because of that they are often available at attractive prices.

MANAGEMENT OF CENTURION APARTMENT REIT

General

The investment policies and operations of Centurion Apartment REIT are subject to the control and direction of the Trustees, a majority of whom have had at least ten (10) years of substantial experience in the real estate industry and a majority of whom are Independent Trustees. The Asset Manager manages the day-to-day operations of Centurion Apartment REIT, and supervises the management of the Properties by property management employees of Centurion Apartment REIT and third-party property managers where it believes it is in its best interest to retain such property managers on certain properties. See "Management of the Properties".

Trustees

The Declaration of Trust provides that the assets and operations of Centurion Apartment REIT will be subject to the control and authority of a minimum of five (5) and maximum of eleven (11) Trustees. The number of Trustees may only be changed by the Unitholders or, if authorized by the Unitholders, by the Trustees, provided that the Trustees may not, between meetings of the Unitholders, appoint an additional Trustee if, after such appointment, the total number of Trustees would be greater than one and one-third times the number of Trustees in office immediately following the last annual meeting of Unitholders. The Asset Manager is, during the term of the Asset Management Agreement, entitled to appoint two (2) trustees (the "Centurion Appointees") on a board of five (5) or six (6), three (3) trustees on a board of seven (7) or eight (8), four (4) trustees on a board of nine (9) or ten (10) and five (5) trustees on a board of eleven (11), provided that, if there is a change in control of the Asset Manager, the Asset Manager will be

limited to two Centurion Appointees in all cases. A vacancy occurring among the Trustees (other than a vacancy resulting from the resignation or removal of the Centurion Appointees) may be filled by resolution of the remaining Trustees as long as they constitute a quorum, or by the Unitholders at a meeting of the Unitholders. A vacancy occurring among the Trustees resulting from the resignation or removal of the Centurion Appointees may be filled by an appointment by the Asset Manager. There are currently seven (7) Trustees, four (4) of whom are Independent Trustees.

The Declaration of Trust provides for the appointment by the Trustees of an audit committee (the Audit Committee). The Declaration of Trust contains additional provisions for the following with respect to Trustees:

- a majority of the Trustees must be Independent Trustees; and
- a Trustee, other than a Centurion Appointee, may be removed at any time with or without cause by a majority of the votes cast at a meeting of Unitholders or by written consent of Unitholders holding not less than a majority of the outstanding Units entitled to vote or with cause by a resolution passed by an affirmative vote of not less than two-thirds of the other Trustees.

Pursuant to the Declaration of Trust, each Trustee is required to exercise the powers and duties of his or her office honestly, in good faith with a view to the best interests of Centurion Apartment REIT and the Unitholders and, in connection therewith, to exercise that degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

Conflict of Interest Restrictions and Provisions

The Declaration of Trust contains “conflict of interest” provisions that serve to protect Unitholders without creating undue limitation on Centurion Apartment REIT. Given that the Trustees and senior officers of Centurion Apartment REIT are engaged in a wide range of real estate and other activities, the Declaration of Trust contains provisions that require if a Trustee or an officer of the Trust is a party to a Material Contract or transaction or proposed material contract or transaction with the Trust or its subsidiaries, or is a director or officer or employee of, or otherwise has a material interest in, any person who is a party to a Material Contract or transaction or proposed material contract or transaction with the Trust or its subsidiaries, such Trustee or officer of the Trust, as the case may be, shall disclose in writing to the Trustees or request to have entered in the minutes of meetings of Trustees or a committee of the Trustees, as the case may be, the nature and extent of such interest. See “Risk Factors – Allocation of Investment Opportunities” and “Potential Conflicts of Interest” for further information on the nature of the potential conflicts of interest between Centurion Apartment REIT and CFIT.

Independent Trustee Matters

Notwithstanding anything to the contrary, in addition to requiring the approval of a majority of the Trustees, the approval of not less than a majority of the Independent Trustees holding office at such time who have no interest in the matter (given by vote at a meeting of Trustees or by written consent) shall be required with respect to any decision regarding Independent Trustee Matters.

Asset Management Agreement

The Asset Manager manages the day-to-day operations of Centurion Apartment REIT and its subsidiaries pursuant to the Asset Management Agreement, which was amended and restated as of September 1, 2023 in connection with the transfer to the Asset Manager of the asset management personnel previously employed by CAMI GP, an entity that was co-owned by Centurion Apartment REIT and CFIT. Following this transfer, Centurion Apartment REIT does not have an internal management team and the Asset Manager is required under the Asset Management Agreement to provide the services of a senior management team to Centurion Apartment REIT.

The initial term under the amended and restated Asset Management Agreement commenced on September 1, 2023 and will expire on September 1, 2028, subject to extension up to December 31, 2029 in certain circumstances. The Asset Management Agreement will automatically renew for further one year terms unless terminated by Centurion Apartment REIT or the Asset Manager in accordance with the terms of the Asset Management Agreement. The Asset Management Agreement may be terminated prior to the end of the term in a number of circumstances, including (i) at any time after the initial term, by the Asset Manager upon 180 days' notice to Centurion Apartment REIT; (ii) at any time, by Centurion Apartment REIT on 180 days' notice to the Asset Manager as a result of a material breach by or event of insolvency with respect to the Asset Manager; (iii) at any time after the initial term, by Centurion Apartment REIT as a result of the poor performance by the Asset Manager, subject to notice and cure periods as well as two-thirds majority votes of both the Independent Trustees and Unitholders (excluding any Units held by the Asset Manager and its affiliates) as set out in the Asset Management Agreement; and (iv) at any time after September 1, 2030, by Centurion Apartment REIT in order to effect a strategic transaction involving Centurion Apartment REIT, which includes a right to acquire the Asset Manager's rights under the Asset Management Agreement in order to internalize management within Centurion Apartment REIT, subject to a two thirds majority vote of the Unitholders (excluding Units held by the Asset Manager and its affiliates) as well as a make-whole payment equal to the sum of the gross management fees and Carry Allocations paid or allocated to the Asset Manager and the Special Limited Partner during the preceding 36 months.

Asset Manager's Fees and Carry Allocations

In consideration for the services provided by the Asset Manager to Centurion Apartment REIT and pursuant to the Asset Management Agreement, the Asset Manager is entitled to a 1.00% per annum asset management fee (plus HST) on Net Asset Value payable monthly based on the number of Investor Units outstanding at the beginning of the month and before giving effect to any accruals for such asset management fee or the Carry Allocation (as defined below) or any distributions in respect of such month. If and to the extent that the Asset Manager or any person affiliated with the Asset Manager renders services to Centurion Apartment REIT in addition to those specifically required to be rendered under the Asset Management Agreement, such services will be compensated separately as agreed to by the Independent Trustees on the basis of fees which are at least as favorable to Centurion Apartment REIT as those then generally charged for comparable services and activities.

Additionally, pursuant to the CAP I LP Limited Partnership Agreement, the Special Limited Partner, an affiliate of the Asset Manager, has subscribed for a special limited partnership interest that entitles it to receive annual distributions out of the profits of CAP I LP equal to 15% on Total Returns once the hurdle internal rate of return of 7.25% per annum has been achieved on the Investor Units (the "**Carry Allocation**"). The Carry Allocation accrues monthly and is subject to a monthly full recovery look back and a high water mark. Pursuant to the CAP I LP Limited Partnership Agreement, CAP I LP is entitled to redeem the special limited partnership interest for an amount equal to the subscription price paid by the Special Limited Partner on the occurrence of certain triggering events, including a termination of the Asset Management Agreement. If the special limited partnership interest is redeemed due to the termination of the Asset Management Agreement, the Special Limited Partner will continue to be entitled to receive a distribution of its Carry Allocation for the year in which the termination occurs (with the Carry Allocation to be determined as if the relevant year in which the termination occurs ended on the termination date).

Pursuant to the Asset Management Agreement, the Asset Manager assumed responsibility for the personnel costs and related overhead costs incurred from and after September 1, 2023 in respect of the asset management employees transferred to the Asset Manager on September 1, 2023, subject to certain agreed reimbursable expenses, and is not entitled to any acquisition, disposition or development fees. In addition, all of the outstanding Class M REIT Units were redesignated as Class A REIT Units on September 1, 2023 and the Asset Manager irrevocably renounced any further entitlement to the issuance or deemed issuance of, or distributions on, Class M REIT Units, such that the Asset Manager no longer holds a non-diluting interest in Centurion Apartment REIT.

The amendment and restatement of the Asset Management Agreement and the issuance of the special limited partnership interest in CAP I LP in respect of the Carry Allocation was approved by the Independent Trustees and the full Board of Trustees (with Mr. Romundt abstaining due to his interest in the Asset Manager and its affiliates) based on the recommendation of a Special Committee of Independent Trustees consisting of Mr. Ross Amos and Mr. Andrew Jones and the receipt of independent financial and legal advice.

Relationship Between Centurion Apartment REIT, The Asset Manager and Affiliates of the Asset Manager

Centurion Apartment REIT is a connected issuer, and may be considered to be a related issuer, of Centurion Asset Management Inc. (the "Asset Manager"), its asset manager and an exempt market dealer, investment fund manager, and a restricted portfolio manager in certain jurisdictions, in connection with the distribution of the REIT's securities hereunder.

Centurion Apartment REIT is a connected issuer of the Asset Manager due to various factors, including the fact that Mr. Gregory Romundt is the President of both Centurion Apartment REIT and the Asset Manager and Mr. Romundt indirectly owns all of the shares of the Asset Manager and its affiliates, including the Mortgage Manager and the Mortgage Servicer. Centurion Apartment REIT has retained the Asset Manager to provide asset management services to it pursuant to the Asset Management Agreement as described under "Asset Management Agreement" and to pay the manager the fees described herein under "Asset Manager's Fees and Carry Allocation".

Centurion Apartment REIT may be considered to be a related issuer of the Asset Manager by virtue of the Asset Manager's right, during the term of the Asset Management Agreement, to appoint a prescribed number of nominees to the board of trustees of Centurion Apartment REIT as more particularly described under "Trustees". The prescribed number of nominees that the Asset Manager is entitled to appoint varies depending on the size of the board, but the prescribed number exceeds 20% of the number of trustees. See "Trustees".

The decision to offer the Units was made upon the recommendation of the Asset Manager. A portion of the proceeds of the Offering will be used by Centurion Apartment REIT to pay the fees payable to the Asset Manager pursuant to the Asset Management Agreement as described above.

The Mortgage Manager and the Mortgage Servicer are affiliates of the Asset Manager and are not owned by Centurion Apartment REIT. Mr. Romundt is the President of each of these affiliated companies and Mr. Romundt directly owns all the shares of each of these affiliated companies.

Property Manager

Effective January 1, 2015, the property management function was internalized and the Property Management Agreement was terminated. The property management functions are all performed within the REIT structure.

Mortgage Manager

The Mortgage Manager is a Corporation governed by the laws of the Province of Ontario. It is registered as a mortgage broker with the Financial Services Regulatory Authority of Ontario (License #12372). The Mortgage Manager is an affiliate of the Asset Manager. The role of the Mortgage Manager is to conduct on the behalf of the Asset Manager any activities requiring a mortgage brokerage license in regards to the sourcing of mortgages by the Asset Manager. The Mortgage Manager does not charge a fee to Centurion Apartment REIT for any of these activities and is compensated by the Asset Manager. Any borrower paid fees are paid to the REIT. Senior management of the Mortgage Manager includes Gregory Romundt and Stephen Stewart. See "Management of Centurion Apartment REIT".

Mortgage Servicer

The Mortgage Servicer is a Corporation governed by the laws of the Province of Ontario. It is registered as a mortgage administrator with the Financial Services Regulatory Authority of Ontario (License #12390). The Mortgage Servicer is an affiliate of the Asset Manager. The role of the Mortgage Servicer is to, where required, collect mortgage payments and conduct any enforcement activities where a licensed third-party mortgage administrator is not already providing such services. The Mortgage Servicer does not charge a fee to Centurion Apartment REIT for any of these services. Where there are third parties servicing mortgages of Centurion Apartment REIT that charge fees, these fees will be paid by Centurion Apartment REIT and the Mortgage Servicer will not charge any markup on these fees if so incurred. Senior management of the Mortgage Servicer includes Gregory Romundt and Stephen Stewart. See "Management of Centurion Apartment REIT".

Management and Investment Strategy

The Asset Manager has significant experience in all aspects of the rental housing business (including acquisitions and dispositions, finance and administration, property management, construction and renovation, and marketing and sales) and the mortgage business (including origination, underwriting,

administration, collection, syndication and default management). These skills should permit Centurion Apartment REIT to capitalize upon many real estate opportunities which may be unavailable to other real estate investors who lack the requisite diversity of real estate experience. The Asset Manager will enhance the value of Centurion Apartment REIT's properties through a number of distinct and well executed strategies, including:

- **Customer Satisfaction.** The Asset Manager strives to keep all customers satisfied and as long-term tenants by creating an environment that is clean and comfortable. By developing a sense of community within the properties through various programs, it will reduce turnover and vacancy which will create demand for people wanting to live in Centurion Apartment REIT's buildings. Through the reduction in costs associated with turnover and through higher demand allowing increasing rents, net income will grow accordingly.
 - **Maintenance and Repair Programs.** The Asset Manager is fundamentally driven by efficiencies and cost-effective programs that are accretive to Centurion Apartment REIT's short-term and long-term value. Through the portfolio's conversion to a real estate investment trust, the Asset Manager has positioned Centurion Apartment REIT to take full advantage of efficiency programs and capital investments that will attract tenants and enhance the value of the portfolio.
 - **Quality On-Site Building Staff.** The Asset Manager believes that success of a property from both financial and customer satisfaction standpoints starts with the attitudes and work ethic from the on-site building staff. From being the first point of contact, to the ongoing attention to the customer's needs, the building staff represents Centurion Apartment REIT. As well as being attentive and dedicated, the Property Manager will seek on-site staff that is skilled in many areas in order to reduce the requirement for outside trades to be required for ordinary day-to-day repairs and maintenance.
 - **Detailed Financial Reporting.** The Asset Manager utilizes sophisticated financial tools to maximize Centurion Apartment REIT's income and measure the effectiveness of cost control and efficiency programs. The Property Manager and the Asset Manager disclose financial reporting to those involved who have a direct impact on the financial success and control of those particular incomes and expenses.
 - **Strategic Mortgage Liability Management.** The Asset Manager will work diligently to seek out financing opportunities to optimize Centurion Apartment REIT's leveraged returns. The Asset Manager believes that staggered maturities and terms, at leveraged amounts set out by the Declaration of Trust, will ensure Centurion Apartment REIT's exposure to fluctuating interest rates over the short and long-term are both minimized and utilized to benefit Centurion Apartment REIT. The Asset Manager will make use of operating lines for capital expenditures and acquisitions to improve the returns of Centurion Apartment REIT.
 - **Strategic Mortgage Investments.** The Asset Manager will evaluate mortgage investment opportunities which provide the potential for a combination of yield, capital growth, a potential acquisition pipeline or be of strategic value to Centurion Apartment REIT.
 - **Strategic Partnerships, Joint Ventures, Divestitures and Relationships.** The Asset Manager will explore strategic partnerships, joint ventures, divestitures and relationships that meet Centurion Apartment REIT's investment objectives.
 - **Enhancement of Centurion Apartment REIT's Portfolio.** The Asset Manager is always evaluating opportunities to maximize Centurion Apartment REIT's portfolio. The Asset Manager may evaluate/assess whether using its call center, condominium conversion, utility retrofits, sub-metering and strategic upgrades, among other things as part of this strategy. Properties that are "mature" and are no longer adding value to Centurion Apartment REIT may be sold or repositioned if there is a market for an enhanced property. The Asset Manager will continue to diversify the portfolio by purchasing properties in thriving communities that will continue to strengthen and insulate Centurion Apartment REIT from concerns that may arise in any one community.
 - **Communications.** The Asset Manager will deliver concise and current information to existing Unitholders with respect to the activities within Centurion Apartment REIT's portfolio.

The Asset Manager believes that multi-unit residential properties offer an attractive investment opportunity with both stability of yield, inflation protection characteristics and growth potential. Focusing on predominantly one asset class will enable Centurion Apartment REIT to acquire a critical mass of residential units. It will also enable Centurion Apartment REIT to bolster its market presence, thereby enhancing Centurion Apartment REIT's opportunities for future multi-unit residential property acquisitions at attractive prices. Through future acquisitions of properties, in compliance with its investment guidelines, Centurion Apartment REIT intends to geographically diversify its portfolio by

purchasing properties in thriving communities that will continue to strengthen and insulate Centurion Apartment REIT from concerns that may arise in any community. As well, as Centurion Apartment REIT grows through the acquisition of new properties and the issuance of additional REIT Units, Centurion Apartment REIT will increase the stability of its income stream and provide Unitholders with increased liquidity.

Given current market conditions, The Asset Manager will continue to concentrate on communities that have relatively low vacancy levels and strong population demographics that align with the class of multi-unit residential properties that are acquired by Centurion Apartment REIT (see “Multi-unit Residential Real Estate Market”). The Asset Manager intends to create mass for Centurion Apartment REIT’s portfolio through acquisition and consolidation of Canadian markets where the opportunities exist.

OBJECTIVES OF CENTURION APARTMENT REIT

Except as specifically set forth in the Declaration of Trust to the contrary, all of the foregoing prohibitions, limitations or requirements for investment shall be determined as at the date of investment by Centurion Apartment REIT, but always subject to Section a).

For greater certainty, Sections (a) through l) are intended to set out generally the parameters under which subsidiaries in which the Trust is permitted to invest will be empowered under their constituting documents to re-invest. References to Centurion Apartment REIT in those paragraphs shall be read as applying to such subsidiary where the actual activity that is the subject of the policy is carried on by such subsidiary. Further, any determinations in respect of the investment restrictions that are determinations reserved to the Trustees, where the actual activity is carried on by a subsidiary, will be made by the trustees or directors of the relevant subsidiary. Nothing in this Section, and paragraphs a) through l) of the Declaration of Trust empowers or entitles Centurion Apartment REIT or the Trustees to carry on business or to otherwise undertake any activity that would violate this Section of the Declaration of Trust.

Operating Policies

The operations and affairs of Centurion Apartment REIT shall be conducted in accordance with the following operating policies:

- (a) Centurion Apartment REIT may engage in construction or development of real property in order to maintain its real properties in good repair or to enhance the income-producing potential of properties that are capital property of Centurion Apartment REIT;
- (b) title to each real property shall be held by and registered in the name of the Trustees or, to the extent permitted by applicable law, in the name of Centurion Apartment REIT or in the name of a corporation or other entity owned, directly or indirectly, by Centurion Apartment REIT or jointly-owned, directly or indirectly, by Centurion Apartment REIT, with joint venturers or a corporation which is a nominee of Centurion Apartment REIT which holds as its only property registered title to such real property pursuant to a nominee agreement with Centurion Apartment REIT;
- (c) no indebtedness shall be incurred or assumed if, after giving effect to the incurring or assumption thereof of the indebtedness, the total indebtedness as a percentage of Gross Book Value would be more than 75% for indebtedness, including amounts drawn under an acquisition facility;
- (d) except for any indebtedness existing at Closing, no new indebtedness (otherwise than by the assumption of existing indebtedness) will be incurred or renewed or refinanced or secured by a mortgage on any of the real property of the Trust unless, at the date of the proposed incurring of the indebtedness, the aggregate of: (i) the amount of all indebtedness secured by such real property, and (ii) the amount of additional indebtedness proposed to be incurred, does not exceed 75% of the market value of such real property, on or after that date which is 12 months from the acquisition date thereof, in either case not including mortgage insurance fees incurred in connection with the incurrence or assumption of such indebtedness, which amount shall be added to the amount of the permitted indebtedness;

- (e) except for guarantees existing on the date of this "Trust Indenture", the Trust shall not, directly or indirectly, guarantee any indebtedness or liabilities of any kind of a third party, except indebtedness, liabilities or other obligations of: (i) any subsidiary of the Trust or other entity wholly-owned by the Trust, or (ii) any other entity jointly owned by the Trust with joint venturers and operated solely for the purpose of holding a particular property or properties where such indebtedness, liabilities or other obligation, if granted, incurred or assumed by the Trust directly, would not cause the Trust to otherwise contravene the restrictions set out in Section 4.1 of the Declaration of Trust and, where such indebtedness, liabilities or other obligation is granted, incurred or assumed by a joint venture entity, subject to a joint venturer being required to give up its interest in a property owned by the joint venture entity as a result of another joint venturer's failure to honour its proportionate share of the obligations relating to such property, and, except with the prior approval of the Trustees and subject always to (b) under Section 4.1, the liability of the Trust is limited strictly to the proportion of the indebtedness, liabilities or other obligation equal to the Trust's proportionate ownership interest in the joint venture entity, or (iii) with the prior approval of the Trustees and subject always to (b) under Section 4.1, the indebtedness, liabilities or other obligations of joint venturers in circumstances where any such guarantee may also be given in respect of the associated joint venture entity. In addition, the Trust will not directly or indirectly guarantee any indebtedness, liabilities or other obligations of any Person if doing so would contravene (b) under Section 4.1;
- (f) except for the "**Contributed Assets**" acquired pursuant to the Rollover Agreement, an engineering survey or physical review by an experienced third-party consultant will be obtained for each real property intended to be acquired with respect to the physical condition thereof;
- (g) at all times insurance coverage will be obtained and maintained in respect of potential liabilities of the Trust and the accidental loss of value of the assets of the Trust from risks, in amounts and with such insurers, in each case as the Trustees consider appropriate, taking into account all relevant factors including the practices of owners of comparable properties;
- (h) except for the Contributed Assets acquired pursuant to the Rollover Agreement, a Phase I environmental audit shall be conducted for each real property to be acquired and, if the Phase I environmental audit report recommends that further environmental audits be conducted, such further environmental audits shall be conducted, in each case by an independent and experienced environmental consultant;
- (i) at least 8.5% of gross consolidated annual rental revenues generated from properties where the associated mortgage financing is insured by the Canadian Mortgage and Housing Corporation ("**insured properties**") as determined pursuant to GAAP shall be expended annually on sustaining capital expenditures, repairs and maintenance, all determined on a portfolio basis for all insured properties. For this purpose, capital expenditures and repairs and maintenance include all onsite labour costs and other expenses and items associated with such capital expenditures, repairs and maintenance; and
- (j) the Trust may engage asset managers under terms and conditions acceptable to the Trustees. As at the date hereof, the Trust has engaged the Asset Manager by the terms of the Asset Management Agreement, which agreement shall remain in full force and effect until terminated by the Trustees or the Asset Manager in accordance with its terms.

For the purposes of the foregoing investment guidelines and operating policies, the assets, indebtedness, liabilities and transactions of a corporation, partnership or other entity wholly or partially owned by the Trust will be deemed to be those of the Trust on a proportionate, consolidated basis. In addition, any references in the foregoing investment guidelines and operating policies to investment in real property will be deemed to include an investment in a joint venture arrangement. In addition, the term "**indebtedness**" means (without duplication):

- i. any obligation of the Trust for borrowed money;
- ii. any obligation of the Trust incurred in connection with the acquisition of property, assets or business other than the amount of future income tax liability arising out of indirect acquisitions;
- iii. any obligation of the Trust issued or assumed as the deferred purchase price of property;
- iv. any capital lease obligation of the Trust; and
- v. any obligation of the type referred to in clauses i. through iv. of another person, the payment of which the Trust has guaranteed or for which the Trust is responsible for or liable;

provided that (A) for the purposes of i through iv, an obligation will constitute indebtedness only to the extent that it would appear as a liability on the consolidated balance sheet of the Trust in accordance with generally accepted accounting principles; (B) obligations referred to in clauses i through iii exclude trade accounts payable, distributions payable to Unitholders and accrued liabilities arising in the ordinary course of business.

Amendments to Investment Guidelines and Operating Policies

Subject to the Declaration of Trust, any of the investment guidelines or operating policies set forth in this section may be amended only by the vote of a two-thirds majority of the votes cast at a meeting of the Unitholders called for the purpose of amending the investment guidelines or operating policies.

DECLARATION OF TRUST AND DESCRIPTION OF UNITS

General

Centurion Apartment REIT is a limited purpose unincorporated open-ended investment trust governed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

Units

The beneficial interests in Centurion Apartment REIT are divided into four classes described as “**Class A REIT Units**”, “**Class F REIT Units**”, “**Class I REIT Units**”, and “**Class M REIT Units**”. The number of Class A Units, Class F Units, and Class I Units that Centurion Apartment REIT may issue is unlimited. The number of Class M Units that Centurion Apartment REIT may issue is unlimited but is set as the ratio of the number of Investor REIT Units (Class A, Class F, Class I REIT Units), such that the amount of Class M REIT Units will equal the number of Investor REIT Units divided by 0.95 less the number of Investor REIT Units as in the formula below:

$$B = (A / 0.95) - A$$

where:

B = number of Class M REIT Units

A = the highest total number of Investor REIT Units outstanding at any time on a look back basis

In connection with the amendment and restatement of the Asset Management Agreement on September 1, 2023, all of the outstanding Class M REIT Units were redesignated as Class A REIT Units in accordance with the terms of the Declaration of Trust and the Asset Manager irrevocably renounced its entitlements to receive issuances or deemed issuances of, or distributions on, Class M REIT Units. Accordingly, as of the date hereof, the Asset Manager and its affiliates do not own or have any entitlements in respect of Class M REIT Units. Pursuant to the Declaration of Trust, the Trustees are not entitled to accept a subscription for Class M REIT Units from any investor other than the Asset Manager. Given there are no Class M REIT Units outstanding and that the Asset Manager has irrevocably renounced its entitlements in respect of Class M REIT Units, the Trustees of Centurion Apartment REIT may seek Unitholder approval at a future meeting of the Unitholders in order to amend the Declaration of Trust to remove the Class M REIT Units as an authorized class of units of Centurion Apartment REIT. The Asset Manager has agreed to vote, or cause its affiliates to vote, all Units in Centurion Apartment REIT it holds in order to approve any amendments required to the Declaration of Trust to give effect to the foregoing.

Class A, Class F, and Class I Units shall be issued only as fully paid and non-assessable. Each Unit when issued shall vest indefeasibly in the holder thereof. The issued and outstanding Units may be subdivided or consolidated from time to time by the Trustees with the approval of the majority of the REIT Unitholders, or as otherwise provided in the Declaration of Trust.

"Special Voting Units" shall be issued only in connection with the Rollover Agreement and carry with them the right to receive notice of, to attend and to vote at all Unitholder meetings. As interests in the Rollover Agreement are surrendered for REIT Units, the corresponding Special Voting Units shall automatically be cancelled for no consideration and shall no longer be outstanding.

Each REIT Unit shall represent an undivided beneficial interest in Centurion Apartment REIT and distributions by Centurion Apartment REIT, whether of net income, net realized capital gains or other amounts, and, in the event of a liquidation, dissolution, winding-up or other termination of Centurion Apartment REIT, in the net assets of Centurion Apartment REIT remaining after satisfaction of all liabilities provided that the Trustees may, in their discretion, allocate the distributions among the classes

of Investor Units to adjust for the commissions, trailers and other costs attributable to the sales channels relating to each class of Investor REIT Unit. See "DISTRIBUTION POLICY". No REIT Unit shall have preference or priority over any other. The distribution entitlement of each REIT Unit is intended to and will be derived from the same sources.

The Special Voting Units shall have no rights or entitlements in respect of distributions, whether of Distributable Income, or on a liquidation, dissolution or winding-up of Centurion Apartment REIT or otherwise.

Purchase of Units

Centurion Apartment REIT shall be entitled to purchase for cancellation at any time the whole or from time to time any part of the outstanding REIT Units, at a price per REIT Unit and on a basis determined by the Trustees in compliance with all applicable securities laws.

Redemption of REIT Units

Pursuant to the Declaration of Trust, each REIT Unitholder shall be entitled to require Centurion Apartment REIT to redeem at any time all or any part of the REIT Units registered in the name of the REIT Unitholder. The monthly redemption date ("**Redemption Date**") will be the 15th day of each and every month. If the 15th day of the month is not a Business Day, the Redemption Date for that month will be the next succeeding Business Day. A minimum redemption amount of \$1,000.00 as required unless an account is being closed.

To exercise a REIT Unitholder's right to require redemption, a duly completed and properly executed notice requiring Centurion Apartment REIT to redeem REIT Units, in a form approved by the Trustees, specifying the number of REIT Units to be so redeemed, shall be sent to Centurion Apartment REIT at its head office along with the "**Unit Certificate**"(s) representing the Unit(s) to be redeemed. The Notice must be received 30 days before the Redemption Date to be considered for that particular Redemption Date. If 30 days' notice is not given, the Trustees will not be required to consider redeeming the Unit(s) until the next subsequent Redemption Date. No form or manner of completion or execution is sufficient unless the same is in all respects satisfactory to the Trustees and is accompanied by any evidence that the Trustees may reasonably require with respect to the identity, capacity or authority of the person giving such Notice. The Trustees shall be entitled in their sole discretion to accelerate the Redemption Date specified by the Unitholder in the Notice.

As of the Redemption Date, the Unitholder will not cease to have any rights with respect to the Units tendered for redemption until the Unit Redemption Price therefore (as defined below), plus the pro rata share of any unpaid distributions declared thereon and paid prior to the Redemption Date has been paid in full. Units will be considered to be tendered for redemption on the Redemption Date, provided that the Trustees have, to their satisfaction, received the Notice, together with the Unit Certificate(s) representing the Units to be redeemed and other required documents or evidence as aforesaid; and subject to the following paragraph below, the holder of a Unit properly tendered for redemption will be entitled to receive a price per Unit equal to the Fair Market Value of the Unit to be redeemed calculated at the "**Valuation Date**" immediately preceding the Redemption Date, plus the pro rata share of any unpaid distributions thereon which have been declared payable to Unitholders but remain unpaid as at the Redemption Date to the extent same are not otherwise included in the Fair Market Value of the Unit(s) to be redeemed (the "**Unit Redemption Price**").

The Unit Redemption Price for Units tendered for redemption will be reduced by any applicable "**Deferred Sales Charge**" or "**Short Term Trading Fee**" depending upon the "**Purchase Option**" that the Subscriber purchased Units under. For Unitholders that subscribed prior to the introduction of these Purchase Options, these Subscribers will have the choice of either paying the Deferred Sales Charge that would have applied to their Units had the plan been in place when they subscribed or to give an order for the Asset Manager to match them against an incoming subscription for zero fee. All direct Subscribers will be conclusively deemed to have subscribed under the DSC Purchase Option.

Subject to the provisions set out in the following paragraph, the Unit Redemption Price payable in respect of Unit(s) tendered for redemption will be paid in cash by direct deposit or cheque, drawn on a Canadian chartered bank or trust company in lawful money of Canada, payable at par to, or deposited to the account of the registered Unitholder of the Unit tendered for redemption, or payable or deposited as otherwise instructed in writing by such registered Unitholder. Cash payments of the Unit Redemption Price made by Centurion Apartment REIT are conclusively deemed to have been made when deposited by direct deposit or upon the mailing of a cheque in a postage pre-paid envelope addressed to the payee unless such cheque is dishonoured upon presentment. Upon such payment as set out herein or otherwise

in accordance with the Declaration of Trust, the Trustees and Centurion Apartment REIT will be discharged from all liability to the former registered Unitholder in respect of the Units so redeemed.

All Notices shall be time and date stamped on receipt by Centurion Apartment REIT. **Centurion Apartment REIT will not pay the Unit Redemption Price in cash as set out above on a particular Redemption Date if the total cash payable on that Redemption Date by the Fund, and its affiliates and Subsidiaries, to Unitholders who have previously tendered their Units for redemption, and which Unit Redemption Prices remain unpaid on said Redemption Date, exceeds \$50,000 (the "Monthly Limit"), without approval by the Trustees.** Cash payments being paid pursuant to Notices shall be paid in order of receipt of such Notices with the intent that Redemption Prices shall be paid out in order of receipt of Notices. Payments shall be made to a maximum of \$50,000 of the aggregate Fair Market Value of Units outstanding on the Valuation Date immediately preceding any Redemption Date. Those Units for which Notices have been received but not paid out on any given Redemption Date shall maintain their order of priority until the Unit Redemption Price for such Unit(s) has been paid in full. Additionally, the Trustees shall be entitled in their sole discretion to extend the time for payment of any Unit Redemption Prices, if in the reasonable opinion of the Trustees such payment would be materially prejudicial to the interests of the remaining Unitholders in the Fund. The Trustees in their sole discretion may waive the Monthly Limit for any given Redemption Date.

Since inception of the REIT, all redemptions have been honored and fully paid to unitholders that have requested and submitted a redemption of their units. The following chart details redemptions since inception:

Take-Over Bids

If there is a take-over bid for all of the outstanding REIT Units and, within the time limit in a take-over bid for its acceptance, or 120 days after the date of such take-over bid, whichever period is the shorter, the take-over bid is accepted by the holders of not less than 90% of the REIT Units (including REIT Units issuable upon the surrender or exchange of any securities for REIT Units but not including any such securities held at the date of the take-over bid by or on behalf of the offeror or affiliates or associates of the offeror), other than REIT Units held at the date of the take-over bid by or on behalf of the offeror or an affiliate or associate of the offeror, the offeror is entitled, on complying with the Declaration of Trust, to acquire the REIT Units held by the dissenting offerees.

Meetings of Unitholders

There shall be an annual meeting of the Unitholders, at such time and place in Canada as the Trustees shall prescribe, for the purpose of electing Trustees (except for the Centurion Appointees), appointing or changing the accountants of Centurion Apartment REIT, the Operating Trust and CAP II LP and transacting such other business as the Trustees may determine or as may properly be brought before the meeting. The annual meeting of the Unitholders shall be held after delivery to the Unitholders of the information referred to in the Declaration of Trust and, in any event, prior to September 30th of each fiscal year of Centurion Apartment REIT.

The Trustees shall have power at any time to call special meetings of the Unitholders at such time and place in Canada as the Trustees may determine. The Unitholders holding in the aggregate not less than 5% of the votes attaching to all outstanding Units (on a fully-diluted basis) may requisition the Trustees in writing to call a special meeting of the Unitholders for the purposes stated in the requisition. A requisition must state in reasonable detail the business proposed to be transacted at the meeting. Unitholders have the right to obtain a list of Unitholders to the same extent and upon the same conditions as those which apply to shareholders of a corporation governed by the *Business Corporations Act* (Ontario). Unitholders may attend and vote at all meetings of Unitholders either in person or by proxy and a proxy need not be a Unitholder.

Issuance of Units

The Trustees may allot and issue REIT Units at such time or times and in such manner (including pursuant to any plan from time to time in effect relating to reinvestment by the Unitholders of distributions of Centurion Apartment REIT in REIT Units) and to such "**Person, Persons or class of Persons**" as the Trustees in their sole discretion shall determine. The price or the value of the consideration for which REIT Units may be issued and the terms and conditions of issuance of the REIT Units shall be determined by the Trustees in their sole discretion, generally (but not necessarily) in consultation with investment dealers or brokers who may act as underwriters in connection with offerings of REIT Units. In the event that REIT Units are issued in whole or in part for a consideration other than money, the resolution of the Trustees allotting and issuing such REIT Units shall express the fair equivalent in money of the other consideration received.

Limitation on Non-Resident Ownership

Notwithstanding any provision of this Offering Memorandum or the Declaration of Trust to the contrary, at no time may more than 49% of the REIT Units or the Special Voting Units then outstanding be held by or for the benefit of Persons who are not resident in Canada for the purposes of the Tax Act ("**Non-Resident Beneficiaries**"). The Trustees may require declarations as to the jurisdictions in which beneficial owners of REIT Units or Special Voting Units, as the case may be, are resident or declarations from holders of REIT Units or Special Voting Units, as the case may be, as to whether such REIT Units or Special Voting Units, as the case may be, are held for the benefit of Non-Resident Beneficiaries. If the Trustees become aware that more than 49% of the REIT Units or the Special Voting Units then outstanding are, or may be, held by or for the benefit of Non-Resident Beneficiaries or that such a situation is imminent, the Trustees may make a public announcement thereof and shall not accept a subscription for such REIT Units or Special Voting Units, as the case may be, from or issue or register a transfer of such REIT Units or Special Voting Units, as the case may be, to a Person unless the Person provides a declaration that the Person is not a non-resident for the purposes of the Tax Act and does not hold his REIT Units or Special Voting Units, as the case may be, for a Non-Resident Beneficiary. If, notwithstanding the foregoing, the Trustees determine that more than 49% of the REIT Units or the Special Voting Units then outstanding are held by or for the benefit of Non-Resident Beneficiaries, the Trustees may send a notice to non-resident holders of REIT Units or Special Voting Units, as the case may be, and holders of REIT Units or Special Voting Units, as the case may be, for Non-Resident Beneficiaries chosen in inverse order to the order of acquisition or registration or in such other manner as the Trustees may consider equitable and practicable, requiring them to sell or redeem their REIT Units or Special Voting Units, as the case may be, or a portion thereof within a specified period of not more than 60 days.

Information and Reports

Prior to each annual and special meeting of the Unitholders, the Trustees shall provide the Unitholders (along with notice of such meeting) unaudited financial statements for Centurion Apartment REIT, including the properties governed by the Rollover Agreement.

Amendments to Declaration of Trust

The Declaration of Trust may only be amended by a vote of a majority of the votes cast at a meeting of Unitholders duly called for that purpose, provided that the provisions of the Declaration of Trust may be amended by the Trustees without the consent, approval or ratification of the Unitholders or any other person for the following purposes:

- to ensure continuing compliance with applicable laws (including the Tax Act and maintaining the Trust's status as a mutual fund trust under the Tax Act), regulations, requirements or policies of any governmental or other authority, having jurisdiction over the Trustees, the Trust or over the distribution of Trust Units;
- to provide additional protection, in the opinion of the Trustees, for the Unitholders;
- to remove any conflicts or inconsistencies in the Trust Indenture or making minor corrections including the rectification of any ambiguities, defective provisions, errors, mistakes or omissions which are, in the opinion of the Trustees, necessary or desirable and not prejudicial to the Unitholders;
- to make amendments which, in the opinion of the Trustees, are necessary or desirable to remove conflicts or inconsistencies between the disclosure in the Circular and the Trust Indenture;
- to make amendments which, in the opinion of the Trustees, are necessary or desirable as a result of changes in generally accepted accounting principles (including accounting guidelines) or taxation or other laws or the administration or enforcement thereof;
- to enable the Trust to issue Units for which the purchase price is payable in installments;
- to create one or more additional classes of units solely to provide voting rights to holders of shares, units or other securities that are exchangeable for Units entitling the holder thereof to a number of votes not exceeding the number of Units into which the exchangeable shares, units or other securities are exchangeable or convertible but that do not otherwise entitle the holder thereof to any rights with respect to the Trust's property or income other than a return of capital; or
- for any purpose (except one in respect of which a Unitholder vote is specifically otherwise required) if the Trustees are of the opinion that the amendment is not prejudicial to Trust Unitholders and is necessary or desirable;

but notwithstanding the foregoing, no such amendment shall modify the right to vote attached to any Unit or the entitlement to distributions from the Trust provided hereunder represented by any Unit without the consent of the Unitholders, and no such amendment shall reduce the percentage of votes required to be cast at a meeting of the Unitholders without the consent of the holders of all of the Units then outstanding or cause the Trust to fail or cease to qualify as a "mutual fund trust" under the Tax Act.

Notwithstanding the above, no action or authorization and no amendment may be made to the Declaration of Trust by the Trustees without a "**Special Resolution Vote**" with respect to:

- the termination of the Trust;
- any combination, merger, amalgamation or arrangement of the Trust, "COT", CAP I LP or CAP II LP, as the case may be, or any sale of all or substantially all of the assets of the Trust, COT, CAP I LP or CAP II LP, as the case may be, or the liquidation or dissolution of the Trust, COT, CAP I LP, CAP II LP, as the case may be, (other than as part of an internal reorganization of the assets of the Trust, COT, CAP I LP or CAP II LP, as the case may be, as approved by the Trustees);
- these provisions of Declaration of Trust
- the provisions of the COT Indenture concerning the computation of net income;
- an exchange, reclassification or cancellation of all or part of the Trust Units or Special Voting Units other than as specifically provided for in the Declaration of Trust with respect to Special Voting Units;

- the addition, change or removal of the rights, privileges, restrictions or conditions attached to the Trust Units or Special Voting Units and, including, without limiting the generality of the foregoing:
- the removal or change of rights to distributions;
- the addition or removal of or change to conversion privileges, options, voting, transfer or preemptive rights; or
- the reduction or removal of a distribution preference or liquidation preference;
- the creation of new rights or privileges attaching to certain of the Trust Units or Special Voting Units; or
- the constraint on the issue, transfer or ownership of Trust Units or Special Voting Units or the change or removal of such constraint, except as otherwise provided herein;

except in each case with the approval of Unitholders given by the affirmative vote of at least two-thirds of the votes cast at a meeting of Unitholders duly called for that purpose.

Term of Centurion Apartment REIT

Unless Centurion Apartment REIT is sooner terminated as otherwise provided by the Declaration of Trust, Centurion Apartment REIT shall continue in full force and effect so long as any property of Centurion Apartment REIT is held by the Trustees, and the Trustees shall have all the powers and discretions expressed and implied, conferred upon them by law or by the Declaration of Trust. Notwithstanding the foregoing, Centurion Apartment REIT will terminate on the date which is 21 years after the date of the death of the last survivor of the issue alive at the date of the Declaration of Trust. The Centurion Apartment REIT may be terminated by the vote of at least two-thirds of the votes cast at a meeting of the Unitholders called for that purpose.

Upon the termination of Centurion Apartment REIT, the liabilities of Centurion Apartment REIT shall be discharged with due speed, the net assets of Centurion Apartment REIT shall be liquidated, and the proceeds distributed to the REIT Unitholders in accordance with their entitlements as provided in the Declaration of Trust.

VALUATION POLICY

As set forth in the definitions of “Net Asset Value”, the value of the REIT Units is determined by the Trustees, in their sole discretion, using reasonable methods of determining fair market value. Fair Market Value may or may not be equal to the net asset value of the Units. The description of the methodology of investment property valuations and the calculation of Fair Market Value and Net Asset Value Post Prices of REIT Units reflects the methodology used by the Trustees as at the date hereof in calculating Fair Market Value. The Trustees may, in their discretion, adopt alternative methodologies to calculate investment property values and Fair Market Value from time to time, without notice to, or approval by, REIT Unitholders.

Investment Property Valuation

Centurion Apartment REIT accounts for its investment properties using the fair value model in accordance with IAS 40 – Investment Properties. Investment property is defined as property held to earn rentals or for capital appreciation or both. Investment properties are initially recorded at cost, including related transaction costs. Subsequent to initial recognition, investment properties are measured at fair value, which reflects market conditions at the reporting date.

Centurion Apartment REIT applies judgment in determining if the acquisition of an individual property qualifies as a business combination in accordance with IFRS 3 or as an asset acquisition. Transaction costs (including commissions, land transfer tax, appraisals, legal fees and third-party inspection reports associated with a purchase) related to property acquisitions not considered business combinations are capitalized in accordance with IAS 40. Transaction costs are expensed in accordance with IFRS 3 where such acquisitions are considered business combinations.

The fair value of investment properties is determined using a detailed valuation framework developed by Centurion Apartment REIT’s internal and external valuation teams. Each of these teams includes experts in the industry. The valuation teams considered the following approaches in determining the fair value:

1. Consideration of recent prices of similar properties within similar market areas;

2. The direct capitalization method, which is based on the conversion of current and future normalized earnings potential directly into an expression of market value. The Normalized Net Operating Income (“NNOI”) for the year is divided by an overall capitalization rate (inverse of an earnings multiplier) to arrive at the estimate of fair value.

The External Team, comprised of the auditors and valuers, are responsible

for: Quarterly by the valuers:

- Determining the capitalization rates that would be used in valuing the properties
- Providing charts of comparable sales and supporting relevant market information

Annually by the valuers:

- Determining the capitalization rates that would be used in valuing the properties
- Providing charts of comparable sales and supporting relevant market information
- Determining the appropriate industry standard “set off” and normalization assumptions used in the calculation of NNOI.
- Reviewing the valuation framework to determine whether any changes or updates are required
- Reviewing, for the audited year-end financial statements, the resultant values for reasonableness, compliance with the valuation framework and compliance with IAS 40
- Supplying a “Fair Value” Report for financial statement purposes

Annually by the auditors:

- Reviewing the valuation framework to determine whether any changes or updates are required
- Evaluating the work of the valuator including assumptions and comparisons to market
- Reviewing of the controls over the underlying data provided to the valuator from the REIT’s accounting system
- Reviewing the “Fair Value” Report prepared by the valuers
- Reviewing, for the audited year-end financial statements, the resultant values for reasonableness, compliance with the valuation framework and compliance with IAS 40

The Internal Team, comprised of the Asset Manager, is responsible quarterly and annually for:

- Assembling the property specific data used in the valuation model based on the process set forth in the valuation framework
- Reviewing the valuation framework to determine whether any changes or updates are required
- Inputting the capitalization rates, “set offs” and normalization assumptions provided by the valuers
- Delivering the completed valuation framework to the external team for review at year-end for the audited financial statements

Investment properties are derecognized when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gains or losses on the retirement or disposal of investment property are recognized in the income statement in the year of retirement or disposal.

Mortgage Investment (Mortgage Assets) Valuation

The Trust's mortgage investments consist of non-participating mortgage assets ("mortgage investments") and debt investments with a profit participation feature ("participating loan interests").

Mortgage investments are classified and measured at amortized cost using the effective interest method, less any impairment losses. Mortgage investments are assessed at each reporting date to determine whether there is objective evidence of significant changes in credit risk since origination. A mortgage investment's credit risk increases when objective evidence indicates that factors have occurred after the initial recognition of an investment and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably. The Trust's internal credit risk rating process involves judgment and combines multiple factors to arrive at a specific score to assess each mortgage investment's probability of default. These factors include the loan to value ratio, borrower's net worth and ability to service debt, project location, experience with the borrower and credit score. The Trust maintains an allowance in order to cover impairment in the existing portfolio for loans that have not yet been individually identified as impaired.

An impairment loss is calculated as the difference between the carrying amount of these mortgage investments and the present value of the estimated future cash flows discounted at the original effective interest rate. Losses are charged to the consolidated statement of net income and comprehensive income and are reflected in the provision for mortgage losses. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through the consolidated statement of net income and comprehensive income.

Participating loan interests are measured at fair value through profit and loss ("FVTPL") due to the characteristics of the instrument not being solely for the payment of principal and interest. The Trust recognizes interest income on participating loan interests based on the contractual terms of the agreement and is included as part of interest income on the consolidated statement of net income and comprehensive income. At the end of each reporting period, the Trust determines the fair value of the entire instrument with the corresponding gain or loss recorded as fair value gain or loss directly in the consolidated statement of net income and comprehensive income. Any interest income arising from the contractual portion of the mortgage investment and/or the participating loan interest are recorded as interest income and any remaining non-contractual gains or losses are recognized through FVTPL.

The fair value of the underlying real estate assets related to participating loan interests was determined using a detailed valuation framework, and the techniques considered in this framework are as follows:

1. Consideration of recent prices of similar properties within similar market areas; and
2. The direct capitalized method, which is based on the conversion of future normalized earnings directly into an expression of market value.

Development Equity Investments Valuation

Investment properties held within equity accounted investments are measured at fair value as at the consolidated statement of financial position dates. Any changes in the fair value are included in the consolidated statement of net income and comprehensive income. Fair value is supported by independent external valuations or detailed internal valuations using market-based assumptions, each in accordance with recognized valuation techniques. The techniques used comprise the capitalized net operating income method and include estimating, among other things, future normalized net operating income, capitalization rates, discount rates and other future cash flows applicable to investment properties.

Other Investment Valuation

Other Investments will be carried at fair value.

Calculation of REIT Unit Net Asset Value and Posted Prices

The Net Asset Value ("NAV") of the REIT Unit is currently calculated monthly based on the IFRS balance sheet carrying values plus certain adjustments ("Adjustment Factors").

The REIT currently conducts monthly closings for new subscriptions and redemptions of REIT Units at the posted NAV. The Investment Property Portfolio is valued on a quarterly basis. The NAV may change in between quarters, at quarter ends or not at all unless there are material changes or considerations that would impact the posted REIT Unit NAV including but not limited to changes in capitalization rates or acquisitions and dispositions of Investment Properties.

The REIT Unit NAV is calculated by adding IFRS Balance Sheet Assets, subtracting IFRS Balance Sheet Liabilities, adding appropriate non-IFRS Adjustment Factors and dividing by the total number of outstanding Investor Units. Thus, NAV can be summarized as:

$$\text{NAV} = \frac{(\text{IFRS Balance Sheet Assets} - \text{IFRS Balance Sheet Liabilities}_1 + \text{Adjustment Factors})}{\text{Total Number of Outstanding Investor Units}}$$

The Adjustment Factors include, but are not limited to:

- (a) portfolio premiums₁, if any; plus
- (b) capitalization of certain capital expenses, whose benefits accrue over a long period of time and should be allocated between exiting, remaining and incoming Unitholders but may be written off or effectively written off under IFRS, or where the value of such expense isn't as yet reflected, in whole or in part in the Investment Portfolio valuation due to timing lags, if any; plus
- (c) portfolio inter-quarter timing adjustments, if any; less
- (d) discretionary adjustments, if any.

¹ Portfolio premium means an adjustment to IFRS valuations to account for the difference that buyers may pay for a portfolio of properties over individual component properties considered on their own. The IFRS valuation approach evaluates each property on a standalone basis, without considering the value of economies of scale, clustering advantages, the time, expense and difficulty of assembling a portfolio and the attractiveness of a portfolio to potential buyers.

The calculation of the REIT Unit NAV involves critical estimates, assumptions, and judgements as part of the process.

The REIT Unit NAV is currently determined as per the above methodology and approved on a monthly basis by the Trustees for posting to the website of the REIT and for use in, but not limited to processing redemptions, new subscriptions, financial statements of the REIT and account statements for Unitholders.

DISTRIBUTION POLICY

The Declaration of Trust provides that Centurion Apartment REIT may distribute to REIT Unitholders such percentage of the Distributable Income for the calendar month then ended as the Trustees determine in their discretion for the period.

In addition, the Trustees may declare to be payable and make distributions, from time to time, out of income of the Trust, net realized capital gains of Centurion Apartment REIT, the net recapture income of Centurion Apartment REIT, the capital of Centurion Apartment REIT or otherwise, in any year, in such amount or amounts, and on such dates on or before December 31 of that year as the Trustees may determine, to the extent such income, capital gains and capital has not already been paid, allocated or distributed to the REIT Unitholders.

Distributions may be adjusted for amounts paid in prior periods if the actual Distributable Income for the prior periods is greater than or less than the Trustees' estimates for the prior periods. Distributions shall be made in cash and may be invested in similar REIT Units pursuant to any distribution reinvestment plan (DRIP) or unit purchase plan adopted by the Trustees.

Each year Centurion Apartment REIT shall deduct in computing its income for purposes of the Tax Act such portion of the amounts paid or payable to the REIT Unitholders for the year as is necessary to ensure that Centurion Apartment REIT is not liable for income tax under Part I of the Tax Act for that taxation year. The Trustees shall deduct or withhold from distributions payable to any REIT Unitholder amounts required by law to be deducted or withheld from such REIT Unitholder's distributions.

Where the Trustees determine that Centurion Apartment REIT does not have available cash in an amount sufficient to make payment of the full amount of any distribution which has been declared to be payable on the due date for such payment, the payment may, at the option of the Trustees, include the issuance of additional REIT Units or fractions of such REIT Units, as the case may be, if necessary, having a fair market value as determined by the Trustees equal to the difference between the amount of such distribution and the amount of cash which has been determined by the Trustees to be available for the payment of such distribution in the case of REIT Units.

Notwithstanding anything to the contrary, for greater certainty, no amounts will be distributed to holders of Special Voting Units.

Distributions are paid out on the 15th of each month, except when the 15th falls on a weekend or legal holiday, in which case distributions are paid out on the first business day following the 15th of the month. Unitholders are entitled to a distribution in a given month if they are unitholders on the last business day of that month.

Distribution Rates per REIT Unit

The Trustees may, in their discretion, allocate distributions among the classes of REIT Units to adjust for the commissions, trailers and other costs attributable to the sales channels relating to each class of REIT Unit. It is Centurion Apartment REIT's current intention to distribute \$0.8400 per Class "A" REIT Unit per annum, and \$1.0400 per Class "F" and Class "I" REIT Units per annum, payable on a monthly basis.

Distribution Reinvestment Plan (DRIP)

Centurion Apartment REIT permits Unitholders to receive distributions in the form of REIT Units or cash. Unitholders enrolled in the DRIP program currently receive a 2.0% discount on REIT Units purchased through the DRIP.

CLOSING OF OFFERING

Closings of sales of REIT Units will occur at the discretion of the Asset Manager as REIT Units are subscribed for until at which time no other REIT Units will be offered pursuant to this Offering.

It is estimated that the first closing (the “**First Closing**”) will occur on or before October 1, 2023. Subsequent Closings will occur as additional REIT Units are subscribed for.

CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

The following summary fairly presents the principal Canadian federal income tax considerations generally applicable to prospective subscribers of REIT Units pursuant to this Offering Memorandum who, for the purposes of the Tax Act, are or are deemed to be resident in Canada, deal at arm's length with and are not affiliated with Centurion Apartment REIT and will hold their REIT Units as capital property. Generally, the REIT Units will be considered to be capital property to a REIT Unitholder provided that the REIT Unitholder does not hold the REIT Units in the course of carrying on a business of trading or dealing in securities and has not acquired them in a transaction considered to be an adventure in the nature of trade. Certain REIT Unitholders who might not otherwise be considered to hold their REIT Units as capital property may, in certain circumstances, be entitled to have them and all other “Canadian securities” (as defined in the Tax Act) owned or subsequently owned by them treated as capital property by making the irrevocable election under subsection 39(4) of the Tax Act.

The summary is of a general nature only and is based upon the facts set out in this Offering Memorandum, the current provisions of the Tax Act, the regulations thereunder (the “**Regulations**”), counsel's understanding of the published administrative practices of the Canada Revenue Agency and the specific proposals to amend the Tax Act and Regulations (“**Tax Proposals**”) announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof and representations as to factual matters made in a certificate signed by the Asset Manager of Centurion Apartment REIT. This summary is not exhaustive of all possible

Canadian federal income tax consequences and, except for the Tax Proposals, does not take into account or anticipate any changes in law, whether by legislative, regulatory, administrative or judicial action, nor does it take into account provincial tax legislation or considerations. This summary assumes that the Tax Proposals will be enacted as proposed, but no assurance can be given that this will be the case. Modification or amendment of the Tax Act and the Regulations or the Tax Proposals could significantly alter the tax status of Centurion Apartment REIT or the tax consequences of investing in Units. This summary does not describe income tax considerations relating to the deductibility of interest on money borrowed to acquire REIT Units.

THIS SUMMARY IS NOT EXHAUSTIVE OF ALL POSSIBLE CANADIAN FEDERAL TAX CONSIDERATIONS APPLICABLE TO AN INVESTMENT IN REIT UNITS. MOREOVER, THE INCOME AND OTHER TAX CONSEQUENCES OF ACQUIRING, HOLDING OR DISPOSING OF REIT UNITS WILL VARY DEPENDING ON THE REIT UNITHOLDER'S PARTICULAR CIRCUMSTANCES. THIS SUMMARY IS NOT INTENDED TO BE, NOR SHOULD IT BE CONSTRUED TO BE, LEGAL OR TAX ADVICE TO ANY PROSPECTIVE REIT UNITHOLDER. ACCORDINGLY, PROSPECTIVE REIT UNITHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR ADVICE WITH RESPECT TO THE TAX CONSEQUENCES TO THEM HAVING REGARD TO THEIR OWN PARTICULAR CIRCUMSTANCES. IN ADDITION, THIS SUMMARY IS NOT APPLICABLE TO (I) A REIT UNITHOLDER THAT IS A “FINANCIAL INSTITUTION”, AS DEFINED IN THE TAX ACT FOR THE PURPOSES OF THE MARK-TO-MARKET RULES, AND (II) A REIT UNITHOLDER WHERE AN INTEREST IN SUCH UNITHOLDER WOULD BE A “TAX SHELTER INVESTMENT” FOR THE PURPOSES OF THE TAX ACT (III) A REIT UNITHOLDER THAT HAS ELECTED TO DETERMINE ITS “CANADIAN TAX RESULTS” IN A FOREIGN CURRENCY PURSUANT TO THE “FUNCTIONAL CURRENCY” REPORTING RULES IN THE TAX ACT, AND (IV) A REIT UNITHOLDER THAT HAS ENTERED OR WILL ENTER INTO A “DERIVATIVE FORWARD AGREEMENT”, AS DEFINED IN THE TAX ACT, WITH RESPECT TO THE REIT UNITHOLDER'S REIT UNITS. SUCH HOLDERS SHOULD CONSULT THEIR OWN TAX ADVISORS TO DETERMINE THE TAX CONSEQUENCES TO THEM OF THE ACQUISITION, HOLDING AND DISPOSITION OF REIT UNITS.

Qualification as a Mutual Fund Trust

This summary assumes that Centurion Apartment REIT will continue to qualify as a “**mutual fund trust**” under the provisions of the Tax Act at all relevant times. To qualify as a mutual fund trust, Centurion Apartment REIT must be a “**unit trust**” as defined by the Tax Act and must restrict its undertaking to: (i) the investing of its funds in property (other than real property or an interest in real property) and (ii) the acquiring, holding, maintaining, improving, leasing, financing, development, or managing of any real property (or interest in real property) that is capital property of Centurion Apartment REIT or (iii) any combination of the activities described in (i) and (ii), and must have 150 REIT Unitholders holding not less than 100 REIT Units which are qualified for distribution to the public and which have an aggregate fair market value of not less than \$500. **In the event that Centurion Apartment REIT was not to qualify as a mutual fund trust, the Canadian federal income tax consequences described below would, in some aspects, be materially and adversely different. In particular, if Centurion Apartment REIT ceases to qualify as a mutual fund trust, Centurion Apartment REIT may be required to pay a tax under Part XII.2 of the Tax Act. The payment of Part XII.2 tax by Centurion Apartment REIT may have adverse income tax consequences for certain REIT unitholders.**

SIFT Rules

On June 22, 2007, legislation was enacted (the “**SIFT Rules**”) relating to the federal income taxation of publicly-listed or traded trusts (such as income trusts and real estate investment trusts) and partnerships. The SIFT Rules apply to a publicly-listed or traded trust that is a specified investment flow-through (a “**SIFT trust**”), and its investors. Certain distributions attributable to a SIFT trust’s “**non-portfolio earnings**” are not deductible in computing the SIFT trust’s income and the SIFT is subject to tax on such distributions at a rate that is substantially equivalent to the general tax rate applicable to Canadian corporations. Provided “**investments**” (as defined in section 122.1 of the Tax Act) in Centurion Apartment REIT are not listed or traded on a stock exchange or other “**public market**”(as defined by the Tax Act), Centurion Apartment REIT will not be subject to the SIFT Rules. If investments in Centurion Apartment REIT become publicly listed or traded, there can be no assurances that the Centurion Apartment REIT will not be subject to the SIFT Rules at that time.

Taxation of Centurion Apartment REIT

Centurion Apartment REIT will generally be subject to tax under the Tax Act in respect of its taxable income and net realized capital gains in each taxation year, less the portion thereof that is deducted in respect of an amount paid or payable in such year to REIT Unitholders. Centurion Apartment REIT intends to deduct, in computing its income in each taxation year, the full amount available for deduction in each taxation year and therefore, Centurion Apartment REIT does not generally expect to be liable in such taxation year for income tax under Part I of the Tax Act.

One-half of the amount of any capital gain (a “**taxable capital gain**”) realized by Centurion Apartment REIT in a taxation year must be included in computing Centurion Apartment REIT’s income for the year, and one-half of the amount of any capital loss (an “**allowable capital loss**”) realized by Centurion Apartment REIT in a taxation year is required to be deducted against any taxable capital gains realized by Centurion Apartment REIT in the year. Any excess of allowable capital losses over taxable capital gains for a taxation year may be deducted against taxable capital gains realized by Centurion Apartment REIT in any of the three preceding taxation years or in any subsequent taxation year to the extent and under the circumstances described in the Tax Act. In computing its income for tax purposes, Centurion Apartment REIT may deduct reasonable administrative and other expenses incurred to earn income in accordance with the detailed rules in the Tax Act.

Centurion Apartment REIT be entitled for each taxation year throughout which it is a mutual fund trust to reduce (or receive a refund in respect of) its liability, if any, for tax on its net realized capital gains by an amount determined under the Tax Act based on the redemptions of Units during the taxation year (a “**capital gains refund**”). In certain circumstances, the capital gains refund in a particular taxation year may not completely offset the tax liability of Centurion Apartment REIT for such taxation year.

Taxation of REIT Unitholders

Distributions

A REIT Unitholder is required to include in computing income for tax purposes in each year the portion of the amount of net income and net taxable capital gains of Centurion Apartment REIT, determined for the purposes of the Tax Act, paid or payable to such REIT Unitholder in the year and that Centurion Apartment REIT deducts in computing its income for tax purposes. Centurion Apartment REIT will designate to the extent permitted by the Tax Act the portion of the taxable income distributed to REIT Unitholders as may reasonably be considered to consist of net taxable capital gains of Centurion Apartment REIT. Any such designated amount will be deemed for tax purposes to be received by REIT Unitholders in the year as a taxable capital gain. Any losses of Centurion Apartment REIT for purposes of the Tax Act cannot be allocated to, and cannot be treated as a loss of, a REIT Unitholder.

The Declaration of Trust provides that income and net taxable capital gains for purposes of the Tax Act will be allocated to REIT Unitholders in the same proportion as distributions received by REIT Unitholders, subject to the discretion of the Trustees to adopt an allocation method which the Trustees consider to be more reasonable in the circumstances.

The Declaration of Trust generally requires Centurion Apartment REIT to claim the maximum amount of capital cost allowance available to it in computing its income for tax purposes. Based on the distribution policy, the amount distributed to REIT Unitholders in a year may exceed the income of Centurion Apartment REIT for tax purposes for that year. Distributions in excess of Centurion Apartment REIT's taxable income in a year will not be included in computing the income of the REIT Unitholders from Centurion Apartment REIT for tax purposes. However, a REIT Unitholder is required to reduce the adjusted cost base to him of his REIT Units by the portion of any amount paid or payable to him by Centurion Apartment REIT (other than the non-taxable portion of certain capital gains) that was not included in computing his income. To the extent that the adjusted cost base of a REIT Unit would otherwise be less than zero, the negative amount will be deemed to be a capital gain realized by the REIT Unitholder from the disposition of the REIT Unit and his adjusted cost base will be increased by the amount of such deemed gain.

The Tax Act provides for a special tax, under Part XII.2 which applies to the designated income (including income from Canadian real or immovable property) of certain trusts which have designated beneficiaries (including non-resident persons and certain tax-exempt persons). This special tax does not apply to a trust for a taxation year if the trust is a mutual fund trust throughout such year. Accordingly, provided the Centurion Apartment REIT qualifies as a mutual trust fund throughout a taxation year, it will not be subject to the Part XII.2 tax for such taxation year.

Disposition of Units

Upon the disposition or deemed disposition of a REIT Unit, the REIT Unitholder will realize a capital gain (or a capital loss) to the extent that the REIT Unitholder's proceeds of disposition of the REIT Unit exceed (or are less than) the aggregate of the adjusted cost base to the REIT Unitholder of the REIT Unit immediately before the disposition and any reasonable costs of disposition.

In general terms, the adjusted cost base to a REIT Unitholder of a REIT Unit will be determined by averaging the cost base of all REIT Units owned by a REIT Unitholder as capital property at a particular time. Generally, a "taxable capital gain" realized by a REIT Unitholder will be included in the REIT Unitholder's income for the year of disposition. An "allowable capital loss" may generally be deducted against taxable capital gains of the REIT Unitholder for the year of disposition. Any excess of allowable capital losses over taxable capital gains of the REIT Unitholder for the year of disposition may be carried back up to three taxation years or forward indefinitely and deducted against net taxable capital gains in those other years to the extent and in the circumstances prescribed in the Tax Act.

Based on counsel's understanding of the current published administrative policies and assessing practices of the CRA, a conversion of Class F Units or Class I Units into Class A Units will not constitute a disposition of such Class F Units or Class I Units for the purposes of the Tax Act.

Capital gains realized by an individual or trust, other than certain trusts, may give rise to alternative minimum tax under the Tax Act. The Canadian 2023 Budget has proposed significant changes to the alternative minimum tax. If enacted, the proposed changes will come into force for taxation years beginning after 2023, Unitholders should obtain independent advice from a tax advisor on the proposed changes to the federal alternative minimum tax and the consequences to the provincial minimum tax counterparts.

A holder that is a “Canadian-controlled private corporation” or a “substantive CCPC” (as defined in the Tax Act) (a “CCPC”) may be liable to pay an additional refundable tax on its “aggregate investment income” (as defined in the Tax Act) for the year, which will include taxable capital gains. A holder that is a “Canadian-controlled private corporations” or a “substantive CCPC” should consult its own tax advisors regarding its particular circumstances.

Taxation of Registered Plans

Amounts of income and capital gains included in a Registered Plan’s income are generally not taxable under Part I of the Tax Act, provided that the REIT Units are qualified investments for the Registered Plan. See “Item 8: “Income Tax Consequences and RRSP Eligibility- Eligibility for Investment”. REIT Unitholders should consult their own advisors regarding the tax implications of establishing, amending, terminating or withdrawing amounts from a Registered Plan.

RISK FACTORS

There are certain risk factors inherent in an investment in the REIT Units and in the activities of Centurion Apartment REIT, including the following, which Subscribers should carefully consider before subscribing for the REIT Units.

SPECULATIVE INVESTMENT

AN INVESTMENT IN THE TRUST MAY BE DEEMED SPECULATIVE AND IS NOT INTENDED AS A COMPLETE INVESTMENT PROGRAM. THERE IS NO ASSURANCE THAT DISTRIBUTIONS WILL BE PAID. A SUBSCRIPTION FOR UNITS SHOULD BE CONSIDERED ONLY BY PERSONS FINANCIALLY ABLE TO MAINTAIN THEIR INVESTMENT AND WHO CAN BEAR THE RISK OF LOSS ASSOCIATED WITH AN INVESTMENT IN THE TRUST. INVESTORS SHOULD REVIEW CLOSELY THE INVESTMENT OBJECTIVE, STRATEGIES AND RESTRICTIONS TO BE UTILIZED BY THE TRUST AS OUTLINED HEREIN TO FAMILIARIZE THEMSELVES WITH THE RISKS ASSOCIATED WITH AN INVESTMENT IN THE TRUST, INCLUDING THOSE SPECIFIED IN THIS ITEM 10: RISK FACTORS.

Risks Related to COVID-19 and Other Public Health Crises

Public health crises, including the ongoing health crisis related to the novel coronavirus disease (“COVID-19”) pandemic, or relating to any other virus, flu, epidemic, pandemic or any other similar disease or illness (each a “Health Crisis”) could adversely impact the Trust.

There has been and continues to be a global pandemic Health Crisis related to an outbreak of the novel coronavirus disease (COVID-19). This Health Crisis, and any future Health Crisis, has led, and could in the future lead, to disruptions in global economic activity, resulting in, among other things, a general decline in equity prices and lower interest rates. These circumstances could have an adverse effect on levels of employment, which may adversely impact the ability of tenants, borrowers and other counterparties to make timely payments on their rent, credit facilities, mortgages and other loans. An increase in delinquent payments by tenants, borrowers and other counterparties may negatively affect the Trust’s financial position. While governments are closely monitoring the rapidly evolving situation and have implemented policies in an attempt to address COVID-19, and may in the future implement policies to address other Health Crises, no assurance can be made regarding the effectiveness of policies that may be adopted by the Bank of Canada, the Canadian federal, provincial or municipal governments, their agencies, the United States government or any other foreign or subnational government to address the effects of COVID-19, any future Health Crisis or any resulting market volatility.

The current Health Crisis relating to COVID-19 has also resulted in general economic slowdown, supply chain disruptions and increased volatility in financial markets. This may create difficulty in the Trust raising capital, which could in turn adversely impact the Trust’s strategy. While various governments and central banks have announced or implemented a range of measures targeted to alleviate these impacts and encourage economic growth, the impact of these measures remains uncertain, particularly in the short term. In the medium to long term, government debt accumulated as a result of relief measures may lead to tax increases for consumers and businesses and create transitory or sustained inflationary pressure. The duration and impact of the current COVID-19 pandemic on the Trust remains unknown at this time. As such, it is not possible to reliably estimate the length and severity of COVID-19-related impacts on the financial results and operations of the Trust.

The Trust has a Health Crisis response plan and business continuity policies in place and is developing additional strategies to address potential disruptions in its operations. However, no assurance can be made that such strategies will successfully mitigate the adverse impacts related to the COVID-19 outbreak or another Health Crisis. A prolonged outbreak of COVID-19 or other Health Crises could adversely impact the health of the Trust's employees, borrowers, counterparties and other stakeholders.

The full extent of the duration and impact that COVID-19, including any regulatory responses to the outbreak, will have on the Canadian, United States and global economies and the Trust's business is highly uncertain and difficult to predict.

Real Property Ownership

All real property investments are subject to elements of risk. Such investments are affected by general economic conditions, local real estate markets, demand for multi-unit residential premises, competition from other available residential premises and various other factors.

Certain significant expenditures, including property taxes, capital repair and replacement costs, maintenance costs, mortgage payments, insurance costs and related charges must be made throughout the period of ownership of real property regardless of whether the property is producing any income. If Centurion Apartment REIT is unable to meet mortgage payments on any property, losses could be sustained as a result of the mortgagee's exercise of its rights of foreclosure or sale.

Real property investments tend to be relatively illiquid, with the degree of liquidity generally fluctuating in relation to demand for and the perceived desirability of such investments. Such illiquidity may tend to limit Centurion Apartment REIT's ability to vary its portfolio promptly in response to changing economic or investment conditions. If Centurion Apartment REIT was required to liquidate its real property investments, the proceeds to Centurion Apartment REIT might be significantly less than the aggregate value of its properties on a going-concern basis.

Centurion Apartment REIT will be subject to the risks associated with debt financing, including the risk that existing mortgage indebtedness secured by the Properties will not be able to be refinanced or that the terms of such refinancing will not be as favourable as the terms of existing indebtedness.

Development Risks

Centurion Apartment REIT may, directly or indirectly, invest in real estate development projects. Any existing or future development investments of the REIT will entail certain risks, including the expenditure of funds on and devotion of management's time to evaluating projects that may not come to fruition; the risk that development costs of a project may exceed original estimates, possibly making the project uneconomical; the risk of construction overrun or other unforeseeable delays, during which the interest rate and leasing risk may fluctuate; the risk that occupancy rates and rents at a completed project will be less than anticipated or that there will be vacant space at the project; the risk that expenses at a completed development will be higher than anticipated; and the risk that permits and other governmental approvals will not be obtained. In addition, the REIT's future real estate development investments may require a significant investment of capital. The REIT may be required to obtain funds for its capital expenditures and operating activities, if any, through cash flow from operations, property sales or financings. If the REIT is unable to obtain such funds, it may have to defer or otherwise limit certain development activities.

Future Property Acquisitions

While Centurion Apartment REIT may enter into non-binding letters of intent with respect to properties under review, there can be no assurance that such properties will be acquired. Accordingly, there can be no assurance that Centurion Apartment REIT will be able to acquire Properties at the rates of return that the Asset Manager is targeting. No forecast has been made for the acquisition of properties under review.

Revenue Producing Properties

The Properties generate income through rental payments made by the tenants thereof. Upon the expiry of any lease, there can be no assurance that such lease will be renewed or the tenant replaced. The terms of any subsequent lease may be less favorable to Centurion Apartment REIT than the existing lease. Unlike commercial leases which generally are "net" leases and allow a landlord to recover expenditures, residential leases are generally "gross" leases, and the landlord is not able to pass on costs to its tenants.

No Guarantees or Insurance on Mortgage Investments

A Mortgage borrower's obligations to the Centurion Apartment REIT or any other person are not guaranteed by the Government of Canada, the government of any province or any agency thereof nor are they insured under the National Housing Act (Canada). In the event that additional security is given by the borrower or a third party or that a private guarantor guarantees the Mortgage borrower's obligations, there is no assurance that such additional security or guarantee will be available or sufficient to make Centurion Apartment REIT whole if and when resort is to be had thereto.

Risks Related to Mortgage Extensions and Mortgage Defaults

The Asset Manager may from time to time deem it appropriate to extend or renew the term of a Mortgage past its maturity, or to accrue the interest on a Mortgage, in order to provide the borrower with increased repayment flexibility. The Asset Manager generally will do so if it believes that there is a very low risk to Centurion Apartment REIT of not being repaid the full principal and interest owing on the Mortgage. In these circumstances, however, Centurion Apartment REIT is subject to the risk that the principal and/or accrued interest of such Mortgage may not be repaid in a timely manner or at all, which could impact the cash flows of Centurion Apartment REIT during and after the period in which it is granting this accommodation. Further, in the event that the valuation of the asset has fluctuated substantially due to market conditions, there is a risk that Centurion Apartment REIT may not recover all or substantially all of the principal and interest owed to it in respect of such Mortgage.

When a Mortgage is extended past its maturity, the loan can either be held over on a month-to-month basis or renewed for an additional term at the time of its maturity. Notwithstanding any such extension or renewal, if the borrower subsequently defaults under any terms of the loan, the Mortgage Servicer has the ability to exercise its Mortgage enforcement remedies in respect of the extended or renewed Mortgage. Exercising Mortgage enforcement remedies is a process that requires a significant amount of time to complete, which could adversely impact the cash flows of Centurion Apartment REIT during the period of enforcement. In addition, as a result of potential declines in Real Property values, the priority ranking of the Mortgage and other factors, there is no assurance that Centurion Apartment REIT will be able to recover all or substantially all of the outstanding principal and interest owed to it in respect of such Mortgages by the Mortgage Service Provider's exercise of Mortgage enforcement remedies for the benefit of Centurion Apartment REIT. Should Centurion Apartment REIT be unable to recover all or substantially all of the principal and interest owed to it in respect of such Mortgage loans, the assets of Centurion Apartment REIT would be reduced, and the returns, financial condition and results of operations of Centurion Apartment REIT could be adversely impacted.

Foreclosure or Power of Sale and Related Costs on Mortgage Investments

One or more borrowers could fail to make payments according to the terms of their loan, and Centurion Apartment REIT could therefore be forced to exercise its rights as mortgagee. The recovery of a portion of Centurion Apartment REIT's assets may not be possible for an extended period of time during this process and there are circumstances where there may be complications in the enforcement of Centurion Apartment REIT's rights as mortgagee. Legal fees and expenses and other costs incurred by Centurion Apartment REIT in enforcing its rights as mortgagee against a defaulting borrower are usually recoverable from the borrower directly or through the sale of the mortgaged property by power of sale or otherwise, although there is no assurance that they will actually be recovered. In the event that these expenses are not recoverable they will be borne by Centurion Apartment REIT.

Furthermore, certain significant expenditures, including property taxes, capital repair and replacement costs, maintenance costs, Mortgage payments to prior charge holders, insurance costs and related charges must be made through the period of ownership of real property regardless of whether Mortgage payments are being made. Centurion Apartment REIT may therefore be required to incur such expenditures to protect its investment, even if the borrower is not honouring its contractual obligations.

Litigation Risks

Centurion Apartment REIT may, from time to time, become involved in legal proceedings in the course of its business. The costs of litigation and settlement can be substantial and there is no assurance that such costs will be recovered in whole or at all. During litigation involving a borrower in respect of a Mortgage, Centurion Apartment REIT may not be receiving payments of interest on a Mortgage that is the subject of litigation, thereby impacting cash flows. The unfavorable resolution of any legal proceedings could have an adverse effect on the Centurion Apartment REIT and its financial position and results of operations that could be material.

Competition for Real Property Investments

Centurion Apartment REIT competes for suitable real property investments with individuals, corporations and institutions (both Canadian and foreign) and other real estate investment trusts which are presently seeking, or which may seek in the future, real property investments similar to those desired by Centurion Apartment REIT. A number of these investors may have greater financial resources than those of Centurion Apartment REIT or operate without the investment or operating guidelines of Centurion Apartment REIT or according to more flexible conditions. An increase in the availability of investment funds, and an increase in interest in real property investments, may tend to increase competition for real property investments, thereby increasing purchase prices and/or reducing the yield on them.

Competition for Tenants

The real estate business is competitive. Numerous other developers, managers and owners of properties compete with Centurion Apartment REIT in seeking tenants. The existence of competing developers, managers and owners for Centurion Apartment REIT's tenants could have an adverse effect on Centurion Apartment REIT's ability to lease suites in its properties and on the rents charged.

Interest Rates

It is anticipated that the market price for the REIT Units at any given time may be affected by the level of interest rates prevailing at that time. A rise in interest rates may have a negative effect on the market price of the REIT Units. A decrease in interest rates may encourage tenants to purchase condominiums or other types of housing, which could result in a reduction in demand for rental properties. Changes in interest rates may also have effects on vacancy rates, rent levels, refurbishing costs and other factors affecting Centurion Apartment REIT's business and profitability.

Debt Financing

Centurion Apartment REIT is subject to the risks associated with debt financing, including the risk that Centurion Apartment REIT may be unable to make interest or principal payments or meet loan covenants, the risk that defaults under a loan could result in cross defaults or other lender rights or remedies under other loans, and the risk that existing indebtedness may not be able to be refinanced or that the terms of such refinancing may not be as favourable as the terms of existing indebtedness. A portion of Centurion's Acquisition and Operating Facilities are at floating interest rates, and accordingly, changes in short-term borrowing will affect Centurion Apartment REIT's costs of borrowing.

General Economic and Political Conditions

Centurion Apartment REIT is affected by general economic conditions, local real estate markets, competition from other available rental premises, including new developments, and various other factors. The competition for tenants also comes from opportunities for individual home ownership, including condominiums, which can be particularly attractive when home mortgage loans are available at relatively low interest rates. The existence of competing developers, managers and owners for Centurion Apartment REIT's tenants could have an adverse effect on Centurion Apartment REIT's ability to lease suites in its properties and on the rents charged, increased leasing and marketing costs and increased refurbishing costs necessary to lease and re-lease suites, all of which could adversely affect Centurion Apartment REIT's revenues and, consequently, its ability to meet its obligations. In addition, any increase in the supply of available space in the markets in which Centurion Apartment REIT operates or may operate could have an adverse effect on Centurion Apartment REIT.

The success of the Trust's activities may also be affected by other general economic and market conditions, such as interest rates, availability of credit, inflation rates, economic uncertainty, changes in laws, and national and international political circumstances including wars, public health crises, such as epidemics and pandemics, natural disasters, terrorist acts or security operations. The macroeconomic environment is complex stemming from the evolving COVID-19 pandemic, characterized with high headline inflation, supply chain pressures, social unrest, and uncertainty over the pace and timing of future central bank rate hikes.

General Uninsured Losses

Centurion Apartment REIT carries comprehensive general liability, fire, flood, extended coverage, rental loss and pollution insurance with policy specifications, limits and deductibles customarily carried for similar properties. There are, however, certain types of risks (generally of a catastrophic nature such as from wars) which are either uninsurable or not insurable on an economically viable basis. Centurion Apartment REIT has insurance for earthquake risks, subject to certain policy limits, deductibles, and self-insurance arrangements, and will continue to carry such insurance if economical to do so. Should an uninsured or underinsured loss occur, Centurion Apartment REIT could lose its investment in, and anticipated profits and cash flows from, one or more of its Properties, but Centurion Apartment REIT would continue to be obligated to repay any recourse mortgage indebtedness on such Properties.

Availability of Cash for Distributions

Distributable income is calculated before deducting items such as principal repayments and capital expenditures and, accordingly, may exceed actual cash available to Centurion Apartment REIT from time to time. Centurion Apartment REIT may be required to use part of its debt capacity or raise additional equity in order to accommodate such items, and there can be no assurance that funds from such sources will be available on favourable terms or at all. In such circumstances, distributions may be reduced or suspended, which may therefore also have an adverse impact on the market price of the REIT Units. Accordingly, cash distributions are not guaranteed and cannot be assured. Further, Distributable Income can exceed net income and have the result of an erosion of Adjusted Unitholder's Equity. See "Distribution Policy".

Distributable Income is calculated in accordance with Centurion Apartment REIT's Declaration of Trust. Distributable Income is not a measure recognized under Canadian generally accepted accounting principles and does not have a standardized meaning prescribed by IFRS. Distributable income is presented herein because management of Centurion Apartment REIT believes this non-IFRS measure is a relevant measure of the ability of Centurion Apartment REIT to earn and distribute cash returns to REIT Unitholders. Distributable Income as computed by Centurion Apartment REIT may differ from similar computations as reported by other similar organizations and, accordingly, may not be comparable to distributable income as reported by such organizations. Distributable income is calculated by reference to the net income of Centurion Apartment REIT on a consolidated basis, as determined in accordance with IFRS, subject to certain adjustments as set out in the constating documents of Centurion Apartment REIT.

Government Regulation

Centurion Apartment REIT currently has interests in properties located in the provinces of Ontario and Quebec. The nature of apartment construction and operation is such that refurbishment and structural repairs are required periodically, in addition to regular ongoing maintenance. In addition, legislation relating to, among other things, environmental and fire safety standards is continually evolving, and changes thereto may give rise to ongoing financial and other obligations of Centurion Apartment REIT, the costs of which may not be fully recoverable from tenants.

Multi-unit residential rental properties are subject to rent control legislation in most provinces in Canada. Each province in which the Trust operates maintains distinct regulations with respect to tenants' and landlords' rights and obligations. The legislation in various degrees provides restrictions on the ability of a landlord to increase rents above an annually prescribed guideline or require the landlord to give tenants sufficient notice prior to an increase in rent or restricts the frequency of rent increases permitted during the year. The annual rent increase guidelines as per applicable legislation attempts to link the annual rent increases to some measure of changes in the cost-of-living index over the previous year. The legislation also, in most cases, provides for a mechanism to ensure rents can be increased above the guideline increases for extraordinary costs. As a result of rent controls, the Trust may incur property capital investments in the future that will not be fully recoverable from rents charged to the tenants. Applicable legislation may be further amended in a manner that may adversely affect the ability of the Trust to maintain the historical level of cash flow from its properties. In addition, applicable legislation provides for compliance with several regulatory matters involving tenant evictions, work orders, health and safety issues, fire and maintenance standards, etc.

Environmental Matters

Environmental and ecological legislation and policies have become increasingly important, and generally restrictive. Under various laws, Centurion Apartment REIT could become liable for the costs of removal or remediation of certain hazardous or toxic substances released on or in its properties or disposed of at other locations. The failure to remove or remediate such substances, if any, may adversely affect an

owner's ability to sell such real estate or to borrow using such real estate as collateral, and could potentially also result in claims against the owner by private plaintiffs. Where a property is purchased and new financing is obtained, Phase I Environmental Assessments are performed by an independent and experienced environmental consultant. In the case of mortgage assumption, the vendor will be asked to provide a satisfactory Phase I and/or Phase II Environmental Assessment that the Asset Manager will rely upon and/or determine whether an update is necessary.

Unitholder Liability

The Declaration of Trust provides that no Unitholder will be subject to any liability whatsoever to any person in connection with the holding of a Unit. In addition, legislation has been enacted in the Province of Ontario and certain other provinces and territories that is intended to provide Unitholders in those provinces and territories with limited liability. However because of uncertainties in the law relating to investment trusts, there is a risk, which is considered by counsel to be remote in the circumstance, that a REIT Unitholder could be held personally liable for obligations of Centurion Apartment REIT (to the extent that claims are not satisfied by Centurion Apartment REIT) in respect of contracts which Centurion Apartment REIT enters into and for certain liabilities arising other than out of contracts including claims in tort, claims for taxes and possibly certain other statutory liabilities. The Trustees intend to cause Centurion Apartment REIT's operations to be conducted in such a way as to minimize any such risk including by obtaining appropriate insurance and, where feasible, attempting to have every material written contract or commitment of Centurion Apartment REIT contain an express disavowal of liability against Unitholders.

Dependence on Key Personnel

In assessing the risk of an investment in the Units offered hereby, potential investors should be aware that they will be relying on the good faith, experience and judgment of the directors and officers of the Asset Manager to manage the business and affairs of the Trust. The management of the Trust depends on the services of certain key personnel. The termination of employment by the Asset Manager or the Property Manager of any of these key personnel could have a materially adverse effect on the Trust.

There is no guarantee that the directors and officers of the Asset Manager or the Board of Trustees will remain unchanged. It is contemplated that the directors, officers and employees of the Asset Manager will devote to the Trust's affairs only such time as may be reasonably necessary to conduct its business.

Cyber-Security

The Trust maintains confidential information regarding its tenants, borrowers, business plans, strategy and potential origination opportunities in its computer systems. The Trust also maintains an Internet website. Despite the implementation of network security measures, this infrastructure may be subject to physical break-ins, computer viruses, malware, programming errors, cyber-attacks by third parties (such as ransomware) and other similar disruptions. A security breach of computer systems could disrupt operations, damage reputation, result in legal or regulatory liability, and/or have a material adverse effect on the Trust. If the Trust's network security is penetrated or its sensitive data is misappropriated, the Trust could be subject to liability or its business could be interrupted, and any of these developments could have a material adverse effect on the Trust's business, results of operations and financial condition. Since the start of the COVID-19 pandemic, the Trust's operations have been largely conducted remotely, which may impact the physical security of the Trust's devices, and create an increased risk of unauthorized access to, or disclosure of, confidential and personal information. Cyber-security risk has increased since the onset of the COVID-19 pandemic through various forms of attacks, such as phishing emails. The Trust expects to continue with a hybrid work environment following the pandemic.

Failure or Unavailability of Computer and Data Processing Systems and Software

The REIT is dependent upon the successful and uninterrupted functioning of its computer and data processing systems and software. The failure or unavailability of these systems could interrupt operations or materially impact the REIT's ability to collect revenues and make payments. If sustained or repeated, a system failure or loss of data could negatively and materially adversely affect the ability of the REIT to discharge its duties and the impact on Centurion Apartment REIT may be material.

Potential Conflicts of Interest

Centurion Apartment REIT may be subject to various conflicts of interest because of the fact that the Trustees and senior officers of Centurion Apartment REIT, the Asset Manager, the Mortgage Manager and the Mortgage Servicer are engaged in a wide range of real estate and other business activities. Centurion Apartment REIT may become involved in transactions which conflict with the interests of the

foregoing. The Trustees may from time-to-time deal with persons, firms, institutions, or corporations with which Centurion Apartment REIT may be dealing, or which may be seeking investments similar to those desired by Centurion Apartment REIT. The interests of these persons could conflict with those of Centurion Apartment REIT. In addition, from time to time, these persons may be competing with Centurion Apartment REIT for available investment opportunities.

The Asset Manager, the Mortgage Manager, and the Mortgage Servicer (collectively, the “**Service Providers**”) are not owned by Centurion Apartment REIT. Employees of the Asset Manager serve as senior management of Centurion Apartment REIT pursuant to the Asset Management Agreement. This could create conflicts of interest between the Asset Manager, the Mortgage Manager and the Mortgage Servicer and Centurion Apartment REIT.

Additionally, the Warehouse Agreement between the Trust, and Centurion Financial Trust and the arrangements thereunder may give rise to certain conflicts of interest, including with respect to (i) any Property Purchase Options or Property Offer Options (and the valuation and transfer thereof), (ii) the valuation and transfer of Warehoused Mortgages and/or Warehoused Other Investments between the Trust and Centurion Apartment REIT and (iii) the allocation of risk as between the Trust and Centurion Apartment REIT. The Asset Manager will follow procedures established by the Board of Trustees that are designed to ensure an appropriate allocation of risk under the Warehouse Agreement and related arrangements.

Centurion Apartment REIT is a connected issuer, and may be considered to be a related issuer, of Centurion Asset Management Inc. (the “Asset Manager”), its asset manager and an exempt market dealer, investment fund manager, and restricted portfolio manager in certain jurisdictions, in connection with the distribution of the REIT’s securities hereunder, which may result in potential conflicts of interest. Centurion Apartment REIT is a connected issuer of the Asset Manager due to the factors described in this Offering Memorandum under “Relationship between Centurion Apartment REIT, The Asset Manager and Affiliates of The Asset Manager” as a result of the fact that the President of Centurion Apartment REIT and the Asset Manager are the same and Mr. Gregory Romundt indirectly owns all of the shares of the Asset Manager, the Mortgage Manager and the Mortgage Servicer. Centurion Apartment REIT may be considered to be a related issuer of the Asset Manager by virtue of the Asset Manager’s right to appoint a prescribed number of nominees to the board of trustees of Centurion Apartment REIT.

The Centurion Apartment REIT Declaration of Trust contains “conflict of interest” provisions requiring Trustees to disclose material interests in Material Contracts and transactions and to refrain from voting thereon.

Allocation of Investment Opportunities

There may be instances in which Centurion Apartment REIT and CFIT have an interest in the same investment opportunity. For example, Centurion Apartment REIT may invest in long term real-estate properties and CFIT may from time to time invest in Mortgage Assets. In the event that Centurion Apartment REIT and CFIT are interested in pursuing the same investment opportunity, the Asset Manager will seek to allocate investment opportunities on a basis which it determines to be fair and reasonable. However, there is no requirement that the Asset Manager allocate investment opportunities on a pro-rata basis among Centurion Apartment REIT and CFIT. Additionally, there may be situations where an investment opportunity is allocated to CFIT despite Centurion Apartment REIT having an interest in such an investment opportunity.

Tax-Related Risks

There can be no assurance that income tax laws and the treatment of mutual fund trusts will not be changed in a manner which adversely affects Centurion Apartment REIT or the Unitholders.

If Centurion Apartment REIT fails or ceases to qualify as a mutual fund trust for the purposes of the Tax Act, the tax consequences described under “Canadian Federal Income Tax Considerations” and “Eligibility for Investment” would in some respects be materially and adversely different. In addition, REIT Unitholders may become subject to provincial taxes, such as Ontario Land Transfer Tax, in respect of their REIT Units.

If investments in Centurion Apartment REIT become publicly listed or traded, there can be no assurances that Centurion Apartment REIT will not be subject to the SIFT Rules, as described under “Canadian Federal Income Tax Considerations – SIFT Rules”, at that time. Centurion Apartment REIT or its subsidiaries may be reassessed for taxes from time to time. Such reassessments together with associated interest and penalties could adversely affect Centurion Apartment REIT.

The Tax Act contains loss restriction rules that could result in unintended tax consequences for unitholders, including an unscheduled allocation of income or capital gains that must be included in a unitholder's income for Canadian income tax purposes. If Centurion Apartment REIT experiences a "loss restriction event", it will: (i) be deemed to have a year-end for Canadian tax purposes whether or not Centurion Apartment REIT has losses (which would trigger an allocation of Centurion Apartment REIT's net income and net realized capital gains to unitholders to ensure that Centurion Apartment REIT itself is not subject to tax on such amounts); and (ii) Centurion Apartment REIT will become subject to the Canadian loss restriction rules that generally apply to corporations, including a deemed realization of any unrealized capital losses and disallowance of its ability to carry forward capital losses. Generally, Centurion Apartment REIT will be subject to a loss restriction event if a person becomes a "majority-interest beneficiary", or a group of persons becomes a "majority-interest group of beneficiaries", of Centurion Apartment REIT, as those terms are defined in the affiliated persons rules contained in the Tax Act, with certain modifications. Generally, a majority-interest beneficiary of Centurion Apartment REIT is a beneficiary in the income or capital, as the case may be, of Centurion Apartment REIT who, together with the beneficial interests of persons and partnerships with whom the beneficiary is affiliated, has a fair market value that is greater than 50% of the fair market value of all the interests in the income or capital, as the case may be, of Centurion Apartment REIT. A loss restriction event could occur because a particular unitholder or an affiliate acquires REIT Units of Centurion Apartment REIT or because another person redeems REIT Units of Centurion Apartment REIT. Pursuant to paragraph 251.2(3)(f) of the Tax Act, Centurion Apartment REIT will not be subject to the loss restriction event rules where a person becomes a "majority-interest beneficiary" or group of persons becomes a "majority-interest group of beneficiaries" from the acquisition or disposition of units of Centurion Apartment REIT at any time if (i) Centurion Apartment REIT is an "investment fund" immediately before that time, and (ii) the acquisition or disposition, as the case may be, is not part of a series of transactions or events that includes Centurion Apartment REIT ceasing to be an "investment fund". An "investment fund" generally includes a trust that is (i) a "mutual fund trust" throughout the period that begins the later of March 21, 2013 and the end of the calendar in which the trust is created, and (ii) at all times throughout the period that begins at the later of March 21, 2013 and the time of its creation, the trust (A) is resident in Canada, (B), all the beneficiaries under the trust hold fixed interests described by reference to units of the trust, (C) follows a reasonable policy of investment diversification, (D) limits its undertaking to the investing of its funds in property, (E) does not alone, or as a member of a group of persons, control a corporation, and (F) does not hold certain property (as detailed in the Tax Act).

Under U.S. withholding tax and reporting requirements, commonly referred to as the Foreign Account Tax Compliance Act ("FATCA"), Centurion Apartment REIT is required to collect information from all of its Unitholders and directly or indirectly provide that information to the U.S. Internal Revenue Service (the "IRS") in order to avoid a 30% U.S. withholding tax on the receipt of certain payments of: (1) U.S. source income (such as interest, dividends and other passive income) and (2) gross proceeds from the sale or disposition of property that can produce U.S. source interest or dividends made to Centurion Apartment REIT. To achieve the U.S. objectives of FATCA in a manner that is consistent with Canada's privacy and other laws, Canada enacted Part XVIII ("Part XVIII") of the Tax Act and signed an Intergovernmental Agreement with the U.S. for the Enhanced Exchange of Tax Information under the Canada-U.S. Tax Convention (the "Canada-U.S. IGA") and accordingly, Centurion Apartment REIT is generally required to conduct due diligence regarding its Unitholders and (where applicable) their beneficial owners, and to annually report to the CRA certain information regarding their U.S. Unitholders, including information regarding their name, address, and Taxpayer Identification Number. The CRA has agreed to provide this information to the IRS. In addition, Canada has signed the Organisation for Economic Co-operation and Development ("OECD") Multilateral Competent Authority Agreement and Common Reporting Standard ("CRS"). The CRS is a global model for the automatic exchange of information on certain financial accounts that is similar in many ways to FATCA. More than 95 countries, including Canada, have agreed to implement the CRS (referred to as "CRS participating countries"). Canada has enacted legislation under Part XIX ("Part XIX") of the Tax Act, which requires the annual reporting of information to the CRA since May 2018. In addition, the CRA will then proceed to exchange information with those CRS participating countries with which Canada has a tax exchange agreement. Generally, the CRS will require Centurion Apartment REIT to identify the tax residency status of, and other information relating to, their REIT Unitholders who are resident for tax purposes in any country other than Canada or the U.S.

If a REIT Unitholder does not provide the information required to comply with these obligations under Part XVIII and/or Part XIX, as the case may be, the REIT Unitholder's Units may be redeemed at the sole discretion of Centurion Apartment REIT without prior notice to such REIT Unitholder. Notwithstanding the foregoing, Centurion Apartment REIT's due diligence and reporting obligations under FATCA and CRS will not apply with respect to the following type of accounts, namely: registered retirement savings plans, registered retirement income funds, pooled registered pension plans, registered pension plans, tax-free savings accounts, and deferred profit-sharing plans. If Centurion Apartment REIT fails to meet its obligations under Part XVIII and/or Part XIX, as the case may be, it may be subject to the offences and

punishment of the Tax Act. The administrative costs arising from compliance with FATCA and CRS may cause an increase in the operating expenses of Centurion Apartment REIT or other underlying fund(s) in which Centurion Apartment REIT has invested, directly or indirectly, thereby reducing returns to REIT Unitholders. Investors should consult their own tax advisors regarding the possible implications of FATCA, Part XVIII, the Canada-U.S. IGA and CRS and Part XIX on their investment and the entities through which they hold their investment.

Critical Estimates, Assumptions and Judgements

The preparation of financial statements as per IFRS requires management to make judgments, assumptions and estimates that affect the reported amounts in the consolidated financial statements. Actual results could differ from these estimates. Financial statement carrying values, in addition to other factors (See "VALUATION POLICY"), serve as the basis for the calculation of the Fair Market Value of REIT Units. If such carrying values should prove to be incorrect, the Fair Market Value of the REIT Units could be different. To the extent that the carrying values or critical estimates, assumptions and judgements are inaccurate, and given that property portfolio values, which comprise the vast majority of the REITs assets, are calculated quarterly on a lagging basis, the Posted Price per REIT Unit in any given month may be understated or overstated as the case may be. In light of the foregoing, there is a risk that a Unitholder who redeems all or part of its Units will be paid an amount less than it would otherwise be paid if the critical estimates, assumptions and judgements were different and that the calculation of property values wasn't calculated on a quarterly basis and thus potentially lagging the market. Similarly, there is a risk that such Unitholder might, in effect, be overpaid if the actual Fair Market Value is lower than the calculated Fair Market Value. In addition, there is a risk than an investment in the REIT by a new Unitholder (or an additional investment by an existing Unitholder) could dilute the value of such investments for the other Unitholders if the Posted Price of the REIT Units is higher than the actual Fair Market Value of the REIT Units. Further, there is a risk that a new Unitholder (or an existing Unitholder than makes an additional investment) could pay more than it might otherwise if the actual Fair Market Value of the REIT Units is lower than the Posted Price. Centurion Apartment REIT does not intend to adjust the Fair Market Value of the REIT retroactively.

As set forth in the definitions of "Fair Market Value", the value of the REIT Units is determined by the Trustees, in their sole discretion, using reasonable methods of determining fair market value. Fair Market Value may or may not be equal to the net asset value of the Units. The description of the methodology of investment property valuations and the calculation of Fair Market Value and Post Prices of REIT Units reflects the methodology used by the Trustees as at the date hereof in calculating Fair Market Value. The Trustees may, in their discretion, adopt alternative methodologies to calculate investment property values and Fair Market Value from time to time, without notice to, or approval by, REIT Unitholders.

Lack of Independent Experts Representing Unitholders

Each of Centurion Apartment REIT and the Asset Manager has consulted with legal counsel regarding the formation and terms of the REIT and the offering of Units. Unitholders have not, however, been independently represented. Therefore, to the extent that the REIT, Unitholders, or this offering could benefit by further independent review, such benefit will not be available. Each prospective investor should consult his or her own legal, tax and financial advisors regarding the desirability of purchasing Units and the suitability of investing in the REIT.

Joint Arrangements

Centurion Apartment REIT may invest in, or be a participant in, joint arrangements and partnerships with third parties in respect of the mortgage investments and/or other real estate investments. A joint arrangement or partnership involves certain additional risks which could result in additional financial demands, increased liability and a reduction in the Asset Manager's control over the mortgage investments and/or the other real estate investments and its ability to sell the REIT's interests in a mortgage investment and/or other real estate investments within a reasonable time frame.

Dilution

The number of REIT Units Centurion Apartment REIT is authorized to issue is unlimited. The Centurion Apartment REIT Trustees have the discretion to issue additional REIT Units in other circumstances, pursuant to Centurion Apartment REIT's various incentive plans. Any issuance of additional REIT Units may have a dilutive effect on the holders of REIT Units.

Restrictions on Potential Growth and Reliance on Credit Facilities

The payout by Centurion Apartment REIT of a substantial part of its operating cash flow could adversely affect Centurion Apartment REIT's ability to grow unless it can obtain additional financing. Such

financing may not be available, or renewable, on attractive terms or at all. In addition, if current credit facilities were to be cancelled or could not be renewed at maturity on similar terms, Centurion Apartment REIT could be materially and adversely affected.

Potential Inability to Fund Investments

Centurion Apartment REIT may commit to making future investments in anticipation of repayment of principal outstanding and/or the payment of interest under existing Mortgage investments and/or in reliance on its credit facilities. In the event that such repayments of principal or payments of interest are not made, or where credit facilities aren't available, Centurion Apartment REIT may be unable to advance some or all of the funds required to be advanced pursuant to the terms of its commitments and may be required to obtain interim financing and to fund such commitments or face liability in connection with its failure to make such advances.

Liquidity of REIT Units and Redemption Risk

The REIT Units are not listed on an exchange. There is currently no secondary market through which the REIT Units may be sold, there can be no assurance that any such market will develop, and the REIT has no current plans to develop such a market. Accordingly, the sole method of liquidation of an investment in REIT Units is by way of a redemption of the REIT Units. Aggregate redemptions are limited to \$50,000 per month unless approved by the Board of Trustees. Accordingly, in the event that the REIT experiences a large number of redemptions, the REIT may not be able to satisfy all of the redemption requests. Depending upon the Purchase Option selected and the amount of time the REIT Units have been held, there may be a Deferred Sales Charge or Short-Term Trading Fee associated with an early redemption (see "Redemption of REIT Units").

Nature of REIT Units

The REIT Units are not the same as shares of a corporation. As a result, the Unitholders will not have the statutory rights and remedies normally associated with share ownership, such as the right to bring "oppression" or "derivative" actions.

CERTAIN SECURITIES LAWS MATTERS

Representations of Subscribers

Each Subscriber of Units will be deemed to have represented to Centurion Apartment REIT, the underwriters and any dealer who sells the Units to such Subscriber that:

- (a) the offer and sale of REIT Units was made exclusively through the final version of the Offering Memorandum and was not made through an advertisement of the REIT Units in any printed media of general and regular paid circulation, radio, television or telecommunications, including electronic display, or any other form of advertising in Canada;
- (b) it has reviewed and acknowledges the terms referred to above under the section entitled "Resale Restrictions";
- (c) where required by law, it is purchasing as principal, or is deemed to be purchasing as principal in accordance with applicable Canadian securities laws in which it is resident, for its own account and not as agent for the benefit of another person;
- (d) it is an accredited or eligible investor as defined in NI 45-106 if resident in a province in Canada; and

- (f) In addition, each resident of Ontario who purchases the REIT Units will be deemed to have represented to Centurion Apartment REIT, the underwriters and each dealer from whom a purchase confirmation is received, that such Subscriber:
 - (i) has been notified by Centurion Apartment REIT:
 - (ii) that Centurion Apartment REIT may be required to provide certain personal information ("personal information") pertaining to the Subscriber as required to be disclosed in Schedule I of Form 45-106F1 under NI 45-106 (including its name, address,

Furthermore, the Subscriber acknowledges that its name, address, telephone number and other specified information, including the number of REIT Units it has purchased and the aggregate purchase price paid by the Subscriber, may be disclosed to other Canadian securities regulatory authorities and may become available to the public in accordance with the requirements of applicable Canadian laws. By purchasing REIT Units, the Subscriber consents to the disclosure of such information.

Resale Restrictions

The distribution of the REIT Units in Ontario is being made on a private placement basis only and is exempt from the requirement that Centurion Apartment REIT prepare and file a prospectus with the relevant Canadian securities regulatory authorities. Accordingly, any resale of the REIT Units must be made in accordance with applicable Canadian securities laws which may require resales to be made in accordance with prospectus and dealer registration requirements or exemptions from the prospectus and dealer registration requirements and having been approved by the Trustees. Subscribers of REIT Units are advised to seek legal advice prior to any resale of the REIT Units.

The REIT Units are not listed on an exchange. There is currently no secondary market through which the REIT Units may be sold, there can be no assurance that any such market will develop, and the REIT has no current plans to develop such a market. Accordingly, the sole method of liquidation of an investment in REIT Units is by way of a redemption of the REIT Units. Aggregate redemptions are limited to \$50,000 per month unless approved by the Board of Trustees. Accordingly, in the event that the REIT experiences a large number of redemptions, the REIT may not be able to satisfy all of the redemption requests. Depending upon the Purchase Option selected and the amount of time the REIT Units have been held, there may be a Deferred Sales Charge or Short-Term Trading Fee associated with an early redemption (see "Redemption of REIT Units").

Purchasers' Rights of Action

If you purchase these securities you will have certain rights, some of which are described below. For information about your rights you should consult a lawyer.

However, these remedies must be exercised within the time limits prescribed. Purchasers should refer to the applicable legislative provisions for the complete text of these rights and/or consult with a legal advisor. See ITEM 13: Purchaser's Rights.

Any Offering Memorandum marketing materials related to the Offering and which are delivered or made reasonably available to a purchaser before the closing of that purchaser's subscription for Units are deemed to be incorporated by reference in this Offering Memorandum.

Notes:

"Suites" means a rental suite, irrespective of the number of bedrooms or rental units in that suite. E.g. a 3 bedroom apartment that rents as a whole would be considered a single suite

"Undiluted" means that the number doesn't factor in any portion of the building that may be owned by partners. E.g. a 100 suite building owned 50/50 with a partner would show above as 100 suites on an undiluted basis and 50 suites on a Diluted basis.

"Diluted" means that portions of the property owned by partners has been subtracted from the total. E.g. a 100 suite building owned with a partner would show above as 50 diluted suites

"Rental Units/Beds" adjusts for the number of student tenants renting individual units inside a suite. For example, a 5 bedroom student unit, would show as 1 suite, but 5 rental units as there may be 5 separate leases, each pertaining to a bed. This distinction only applies to properties classified as Student Residences. Thus an apartment that had a 2 bedroom suite that had room mates sharing the apartment, and wasn't classified as a "student residence" would be 1 Suite and 1 Rental Unit only. We make no distinction in "Rental Units" between individual leases on bedrooms and multi tenant leases with all residents in the suite on a single lease (the two forms of lease in the student rental business).

APPENDIX "E" - SUMMARY INFORMATION ABOUT THE PROPERTIES

Notes:

1. "Apt" is short for Apartment and "SH" is short for Student Housing.
2. "Suites" means a rental suite, irrespective of the number of bedrooms or rental units in that suite. E.g., a 3-bedroom apartment that rents as a whole would be considered a single suite.
3. "Rental Units/Beds" adjusts for the number of student tenants renting individual units inside a suite. For example, a 5-bedroom student unit, would show as 1 suite, but 5 rental units as there may be 5 separate leases, each pertaining to a bed. This distinction only applies to properties classified as Student Residences. Thus, an apartment that had a 2-bedroom suite that had roommates sharing the apartment and was not classified as a "student residence" would be 1 Suite and 1 Rental Unit only. We make no distinction in "Rental Units" between individual leases on bedrooms and multi-tenant leases with all residents in the suite on a single lease (the two forms of lease in the student rental business).
4. "Undiluted" means that the number doesn't factor in any portion of the building that may be owned by partners. E.g., a 100-suite building owned 50/50 with a partner would show above as 100 suites on an undiluted basis and 50 suites on a diluted basis.
5. "Diluted" means that portions of the property owned by partners has been subtracted from the total. E.g., a 100-suite building owned with a partner would show above as 50 diluted suites.

1. Trust Information

Centurion Apartment Real Estate Investment Trust (“REIT” or the “Trust”) is an unincorporated, open-ended real estate private investment trust which was created pursuant to a Declaration of Trust initially dated August 31, 2009, as further amended from time to time and most recently amended on January 13, 2022 (“Declaration of Trust”) and is governed by the laws of the Province of Ontario. The registered office of the Trust is located at 25 Sheppard Avenue West, Suite 1800, Toronto, Ontario, M2N 6S8. The Trust invests primarily in multi-suite residential properties, student residence properties, mortgages and other opportunistic real estate investments in Canada and the United States.

2. Basis of Presentation

a) Statement of Compliance

The unaudited condensed consolidated interim financial statements for the three and six months ended June 30, 2023, have been prepared in accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board (“IASB”).

The unaudited condensed consolidated interim financial statements have been approved for issue by the Board of Trustees on August 24, 2023.

b) Basis of Measurement

The unaudited condensed consolidated interim financial statements have been prepared on a historical cost basis except for investment properties, real estate held in equity accounted investments, participating loan interests, and foreign currency forward contracts each of which have been measured at fair value through profit or loss (“FVTPL”) as determined at each reporting date.

c) Principles of Consolidation

The unaudited condensed consolidated interim financial statements reflect the operations of the Trust, its subsidiaries and its proportionate share of joint arrangements which are classified as joint operations. Entities subject to joint arrangements that have been separately characterized as joint ventures are accounted for using the equity method.

The financial statements of the subsidiaries included in the unaudited condensed consolidated interim financial statements are from the date that control commences until the date that control ceases.

The accounting policies of the subsidiaries are consistent with the accounting policies of the Trust and their financial statements have been prepared for the same reporting period as the Trust. All intercompany transactions and balances have been eliminated upon consolidation.

d) Functional and Presentation Currency

The unaudited condensed consolidated interim financial statements are presented in Canadian dollars (unless otherwise stated), which is the functional currency of the REIT.

e) Critical Accounting Estimates, Assumptions and Judgments

The preparation of the unaudited condensed consolidated interim financial statements requires management to make estimates, assumptions, and judgments that affect accounting policies and the reported amounts of assets, liabilities at

the date of the unaudited condensed consolidated interim financial statements, and income and expenses during the reporting period. Estimates, assumptions, and judgments have been applied in a manner consistent with the prior period and there are no known trends, commitments, events or uncertainties that management believes will materially affect the methodology or assumptions utilized in making those estimates and judgments. While management makes its best estimates and assumptions, actual results could differ from these and other estimates.

The significant estimates, assumptions, and judgments used in the preparation of the unaudited condensed consolidated interim financial statements are as follows:

Business Combinations

The Trust exercised judgment in determining whether the acquisition of a property should be accounted for as an asset purchase or business combination. This assessment impacts the treatment of transaction costs (including commissions, land transfer tax, appraisals, and legal fees associated with an acquisition), and whether or not goodwill is recognized. A business generally consists of inputs, processes applied to these inputs and resulting outputs that are, or will be, used to generate revenues. In the absence of such criteria, a group of assets is deemed to have been acquired. The Trust generally accounts for its investment property acquisitions as asset acquisitions.

Classification of Co-Investments

The Trust makes judgments as to whether its co-investments provide it with control, joint control, significant influence or little to no influence. The Trust has determined that it has a direct interest in all its co-ownerships and, therefore, has accounted for its investment in these co-ownerships as joint operations and applied the proportionate consolidation method to account for the share of net assets, liabilities, revenues and expenses method to account for these arrangements. Co-investments structured through entities require the Trust to assess joint control and apply judgment in determining the appropriate accounting treatment based on the terms of the governing documents.

Measurement of Fair Value

Fair value measurements are recognized in financial and non-financial assets and liabilities categorized using a fair value hierarchy that reflects the significance of inputs used in determining their fair values:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Quoted prices in active markets for similar assets or liabilities or valuation techniques where significant inputs are based on observable market data.
- Level 3: Valuation techniques for which any significant input is not based on observable market data.

Each type of fair value is categorized based on the lowest level input that is significant to the fair value measurement in its entirety. The information about assumptions made in the determination of fair value is included in the following notes:

- Note 4: Investment properties
- Note 5: Equity accounted investments
- Note 7: Participating loan interests
- Note 15: Other income and expenses
- Note 21: Fair value measurement disclosures
- Note 23: Financial Instruments

Measurement of Expected Credit Loss (“ECL”)

The ECL model requires evaluation and recognition of an allowance for expected credit losses over the next 12 months for investments without significant deterioration in credit risk and an allowance of lifetime losses on investments that have experienced a significant increase in credit risk since origination.

Management assesses financial assets for objective evidence of significant changes in credit risk at each reporting period by specifically considering, but not limited to, the following:

- Payment default by a borrower is not cured within a reasonable period
- Whether the security of the mortgage is significantly negatively impacted by recent events
- Financial difficulty experienced by a borrower
- Changes in assumptions about local economic and other real estate market conditions in the geographic area in which a borrower’s project is located
- Management’s judgment as to whether current economic and credit conditions are such that potential losses at the reporting date are likely to be higher or lower than the amounts suggested by historic experience

The calculation of expected credit losses requires judgment to determine whether there has been significant credit risk deterioration since origination, and the variables that are relevant for each mortgage investment and the probability weights that should be applied. Management exercises expert credit judgment in determining the amount of ECLs at each reporting date by considering reasonable and supportable information that is not already incorporated in the quantitative modelling process. Changes in these inputs, assumptions, models, and judgments directly impact the measurement of ECLs.

3. Significant Accounting Policies

a) Investment Properties

The Trust accounts for its investment properties using the fair value model in accordance with IAS 40 - Investment Properties (“IAS 40”). Investment property is defined as property held to earn rentals or for capital appreciation or both. Investment properties are initially recorded at cost, including related transaction costs if the transaction is deemed to be an asset acquisition. Subsequent to initial recognition, investment properties are measured at fair value, which reflects market conditions at the reporting date.

Any changes in the fair value are included in the statement of net income and comprehensive income. Fair value is supported by independent external valuations or detailed internal valuations using market-based assumptions, each in accordance with recognized valuation techniques.

Investment properties are derecognized when they have either been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gains or losses on the retirement or disposal of investment property are recognized in the statement of net income and comprehensive income in the period of retirement or disposal.

b) Financial Instruments

Recognition and measurement

Financial instruments are classified as one of the following: (i) FVTPL, (ii) fair value through other comprehensive income (“FVOCI”) or (iii) amortized cost. Initially, all financial instruments are recorded in the statement of financial position at fair value. After initial recognition, the income is recognized at the effective interest rate related to financial instruments measured at amortized cost and the gain or loss arising from the change in the fair value of the financial instruments classified as FVTPL are included in net income for the period in which they arise. The classification of financial instruments depends on the purpose for which the financial instruments were acquired or issued, their characteristics and the Trust's designation of such instruments. The Trust has no financial instruments classified as FVOCI. Interest income from financial assets, not classified as FVTPL, is determined using the effective interest rate method.

Derecognition of financial assets and liabilities

The Trust derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. On derecognition of a financial asset, the difference between the carrying amount of the asset and the sum of the consideration received (including any new asset obtained less any new liability assumed) and any cumulative gain or loss that had been recognized in other comprehensive income is recognized in profit or loss. The Trust derecognizes a financial liability when the obligation under the liability is discharged, cancelled or expires.

c) Mortgage Investments

Mortgage investments are classified and measured at amortized cost using the effective interest method, less any impairment losses. Mortgage investments are assessed at each reporting date to determine whether there is objective evidence of significant changes in credit risk. A mortgage investment's credit risk increases when objective evidence indicates that factors have occurred after the initial recognition of an investment and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably. The Trust's internal credit risk rating process involves judgment and combines multiple factors to arrive at a specific score to assess each mortgage investment the probability of default. These factors include the loan to value ratio, borrower's net worth and ability to service debt, project location, experience with the borrower and credit assessment. Significant changes in the internal credit risk rating have resulted in reclassifications of mortgage investments into Stage 2 and Stage 3.

Allowance for ECL on Mortgage Investments

The Trust maintains an allowance to cover impairment in the existing portfolio for loans that have not yet been individually identified as impaired. Under IFRS 9, an allowance is recorded for ECL on financial assets according to the following stages:

Stage 1	When mortgage investments are recognized they are classified into Stage 1. The Trust recognizes an allowance based on 12 months ECL, which represent ECLs related to default events that are expected to occur within 12 months after the reporting date. Stage 1 mortgage investments also include investments where the credit risk has subsequently improved such that the increase in credit risk since initial recognition is no longer significant and the mortgage investments have been reclassified from Stage 2.
Stage 2	When a mortgage investment has shown a significant increase in credit risk since origination, the Trust reclassifies the mortgage investment to Stage 2 and an allowance is recognized at an amount equal to ECL over the remaining life. Stage 2 mortgage investments also include investments where the credit risk has improved and the mortgage has been reclassified from Stage 3.
Stage 3	The Trust classifies mortgage investments to Stage 3 when payment defaults by the borrower are not cured within a reasonable period. In certain other cases, where qualitative thresholds indicate unlikelihood to pay as a result of a credit event, the Trust carefully considers whether the event should result in an assessment at Stage 2 or Stage 3 for ECL calculations. Allowances required for impaired loans are recorded for individually identified impaired investments to reduce their carrying value to the expected recoverable amount. The Trust reviews investments on an ongoing basis to assess whether any loans should be classified as impaired and whether an allowance or write-off should be recorded.

An impairment loss is calculated as the difference between the carrying amount of the mortgage investment and the present value of the probability weighted estimated future cash flows discounted at the original effective interest rate. Losses are charged to the statement of net income and comprehensive income and are reflected in the allowance for expected credit losses. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through the statement of net income and comprehensive income.

If there is no significant deterioration in credit risk for a specific debt investment, the allowance for ECL for a particular debt investment is calculated based on management's estimated deterioration in the probability weighted value of the underlying security.

d) Joint Arrangements

The Trust enters into joint arrangements through joint operations and joint ventures. A joint arrangement is a contractual arrangement pursuant to which the Trust and other parties undertake an economic activity that is subject to joint control, whereby the strategic financial and operating policy decisions relating to the activities of the joint arrangement require the unanimous consent of the parties sharing control. A joint operation is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the assets, and obligations for the liabilities, relating to the arrangement. Joint arrangements that involve the establishment of a separate entity in which each party to the venture has rights to the net assets of the arrangement are referred to as joint ventures.

The Trust accounts for its interest in joint ventures using the equity method. The Trust's investments in joint ventures are initially accounted for at cost, and the carrying amount is increased or decreased to recognize the Trust's share of

the profit or loss and other comprehensive income of the joint venture after the date of acquisition. If an arrangement is considered a joint operation, the Trust will recognize its proportionate share of assets, liabilities, income, and expenses on a line-by-line basis.

e) Leased Assets

A contract contains a lease if it conveys the right to control the use of a specified asset for a time period in exchange for consideration. To identify a lease, the Trust determines whether it has the right to direct the use of the specified underlying asset and also to obtain substantially all the economic benefits from its use. The Trust does not apply the provisions of IFRS 16 to intangible assets.

When assessing the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option or to not exercise a termination option. This judgment is based on factors such as contract rates compared to market rates, the significance of other assets such as leasehold improvements, termination and relocation costs, location characteristics, and any sublease term.

The Trust has elected not to recognize lease assets and lease liabilities for low-value assets or short-term leases with a term of 12 months or less. Fixed lease payments on such leases are recognized in administrative or operating expenses, as applicable, on a straight-line basis over the lease term.

The lease liability is discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Trust's incremental borrowing rate. The Trust estimates the incremental borrowing rate based on the lease term, collateral, and the applicable economic environment. The lease liability is subsequently measured at amortized cost using the effective interest method. The lease liability is remeasured when the expected lease payments change as a result of certain modifications, changes in payments based on an index or rate, or changes in the lease term.

The lease asset is recognized at the present value of the liability at the commencement date of the lease. The lease asset is subsequently depreciated on a straight-line basis from the commencement date to the end of the lease term. The lease asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

f) Property, Plant, and Equipment

Property, plant, and equipment are stated at historical cost less accumulated depreciation and mainly comprise head office and regional offices leasehold improvements, corporate and information technology systems. These items are amortized on a straight-line basis over their estimated useful lives ranging from three to five years, or, in the case of leasehold improvements, are amortized over the shorter of the lease term and their estimated useful lives.

g) Participating Loan Interests

The Trust enters into debt investments that comprise a combination of contractual interest and potentially enhanced returns such as profit participation. Participating loan interests are measured at FVTPL due to the characteristics of the instrument not being solely for the payment of principal and interest. The Trust recognizes interest income on participating loan interests based on the contractual terms of the agreement and is included as part of interest income on the statement of net income and comprehensive income. At the end of each reporting period, the Trust determines the fair value of the entire instrument with the corresponding gain or loss recorded as fair value gain/loss in the statement of net income and comprehensive income.

h) Foreign Currency Forward Contracts

The Trust may enter into foreign currency forward contracts to economically hedge the foreign currency risk exposure of its mortgage and other investments that are denominated in foreign currencies. The value of foreign currency forward contracts entered into by the Trust is recorded as the difference between the value of the contract on the reporting period and the value on the date the contract originated. Any resulting gain or loss is recognized in the statement of net income and comprehensive income unless the foreign currency contract is effective as a hedging instrument and designated as such under IFRS. The Trust has elected to not account for the foreign currency contracts as an accounting hedge.

i) Revenue Recognition

Revenue from investment properties includes rents from tenants under leases and ancillary income (such as utilities, parking, and laundry) paid by the tenants under the terms of their existing leases which is treated as one overall performance obligation. Revenue recognition under a lease commences when a tenant has a right to use the leased asset, and revenue is recognized when control of the goods or services is transferred to the customer at an amount that reflects the consideration to which the REIT expects to be entitled in exchange for those goods or services. The REIT has not transferred substantially all of the risks and benefits of ownership of its income-producing properties and, therefore, accounts for leases with its tenants as operating leases.

Rental income is accounted for on a straight-line basis over the lease terms. Ancillary income is considered non-lease components and is within the scope of IFRS 15 – Revenue from Contracts with Customers. The performance obligation for property management and ancillary services is satisfied over the period the related services are performed.

j) Provisions

Provisions are recognized when the Trust has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognized for future operating losses.

The amount of a provision is based on management's best estimate of the expenditure that is required to settle the obligation at the end of the reporting period. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance expense.

k) Borrowing Costs and Interest on Mortgages Payable

Mortgage expenses include mortgage interest, which is expensed at the effective interest rate and all transaction costs incurred in connection with obtaining mortgages and credit facilities are amortized over the associated debt term.

Fees and insurance premiums paid to Canada Mortgage and Housing Corporation ("CMHC") are capitalized to Other Assets and are amortized over the amortization period of the underlying mortgage loans when incurred (initial amortization period is typically 25 to 35 years). Amortization expenses are included in finance costs in the consolidated statements of net income and comprehensive income. If the Trust fully refinances an existing mortgage, any unamortized prepaid CMHC premiums and fees associated with the existing mortgages on that property will be written off through finance costs in the period in which full refinancing occurs. Any premium credits received upon refinancing will be capitalized and amortized over the new amortization period. Similarly, if the Trust discharges an existing mortgage, any unamortized prepaid CMHC premiums and fees associated with that mortgage will be written

off through finance costs in the period in which the discharge occurs. If the Trust renews a mortgage, it will continue to amortize the existing prepaid CMHC premiums and fees associated with the existing mortgage over the remaining amortization period.

l) Employee Benefits

Short-term employee benefit obligations, including vacation and bonus payments, are measured on an undiscounted basis and are expensed as the related service is provided. Liabilities are recognized for the amounts expected to be paid within 12 months as the Trust has an obligation to pay this amount as a result of a past service provided by the employee, and the obligation can be estimated reliably. Short-term employee benefits are recorded in Accounts payable and accrued liabilities.

The Trust maintains a deferred trust unit plan for some of its employees. This plan is considered cash-settled and the fair value of the amount payable is recognized as an expense with a corresponding increase in liabilities, over the vesting period of the units issued. The liability is remeasured at each reporting date and settlement date. Any changes in the fair value of the liability are recognized in the consolidated statement of net income and comprehensive income.

m) Distribution Reinvestment and Unit Purchase Plan (“DRIP”)

The Trust has instituted a Dividend Reinvestment Plan (“DRIP”) in accordance with Article 5.8 of the Declaration of Trust which provides that the Trustees may in their sole discretion establish a distribution reinvestment plan at any time providing for the voluntary reinvestment of distributions by some or all the Trust Unitholders as the Trustees determine. Currently, Unitholders receive a 2% discount on Units purchased through DRIP. No commissions, service charges or brokerage fees are payable by participants in connection with the DRIP.

n) Income Taxes

The Trust qualifies as a Mutual Fund Trust for Canadian income tax purposes. In accordance with the terms of the Declaration of Trust, the Trust intends to distribute its income for income tax purposes each period to such an extent that it will not be liable for income taxes under Part I of the Income Tax Act (Canada). The Trust is eligible to claim a tax deduction for distributions paid and, intends to continue to meet the requirements under the Income Tax Act (Canada). Accordingly, no provision for income taxes payable has been made related to Canadian domiciled investments. Income tax obligations relating to distributions of the Trust are the obligations of the Unitholders.

The Trust's U.S. investment properties and certain equity accounted investments are held by U.S. subsidiaries are taxable legal entities. The Trust uses the liability method of accounting for U.S. income taxes. Under the liability method of tax allocation, current income tax assets and liabilities are based on the amount expected to be paid to tax authorities, net of recoveries, based on the tax rates and laws enacted or substantively enacted as at each reporting date.

Deferred income tax assets and liabilities are determined based on differences between the financial reporting and tax bases of assets and liabilities and are measured using substantively enacted tax rates and laws that will be in effect when the differences are expected to reverse. Deferred income tax assets are recognized for all deductible temporary differences, carryforward of unused tax credits and unused tax losses to the extent that it is probable that deductions, tax credits and tax losses can be utilized. The carrying amounts of deferred income tax assets are reviewed as at each reporting date and reduced to the extent it is no longer probable that the income tax asset will be recovered.

o) Net Assets Attributable to Unitholders

In accordance with *IAS 32 - Financial Instruments: Presentation* (“IAS 32”), puttable instruments are generally classified as financial liabilities. The Trust’s units are puttable instruments, meeting the definition of financial liabilities in IAS 32. There are exception tests within IAS 32 that could result in a classification as equity; however, the Trust’s units do not meet these exception requirements. Therefore, the Trust has no instrument that qualifies for equity classification on its Statement of Financial Position pursuant to IFRS. The classification of all units as financial liabilities with the presentation as net assets attributable to Unitholders does not alter the underlying economic interest of the Unitholders in the net assets and net operating results attributable to Unitholders.

The Trust’s units are carried on the Statement of Financial Position at net asset value. Although puttable instruments classified as financial liabilities are generally required to be remeasured to fair value at each reporting period, the alternative presentation as net assets attributable to Unitholders reflects that, in total, the interests of the Unitholders are limited to the net assets of the Trust.

p) Changes in Accounting Policies

The accounting policies used in the preparation of these unaudited condensed consolidated interim financial statements are consistent with those of the prior period.

4. Investment Properties

Investment properties are measured at fair value as at each reporting date. Any changes in the fair value are included in the statement of net income and comprehensive income.

The Trust investment properties consist of the following:

	June 30, 2023	December 31, 2022
Balance, beginning of period	\$ 5,106,772	\$ 3,110,516
Property acquisitions	234,763	1,653,916
Increase in property valuation	107,320	343,809
Other adjustments	19,901	(1,469)
Balance, end of period⁽¹⁾	\$ 5,468,756	\$ 5,106,772

⁽¹⁾ Included in the ending balance amount are the right-of-use assets with a fair value of \$85,503 (December 31, 2022 - \$72,687).

	Note	June 30, 2023	December 31, 2022
Increase in property valuation		\$ 107,320	\$ 343,809
Less: Acquisition costs		(8,630)	(66,528)
Less: Property improvements		(33,859)	(61,109)
Less: Other adjustments		—	2,361
Fair value adjustment on investment properties		64,831	218,533
Fair value adjustment on participating loan interests	7	(2,177)	(1,514)
Total fair value gains, net		\$ 62,654	\$ 217,019

The following valuation techniques were considered in determining the fair value which are all considered a level 3 valuation technique in the fair value hierarchy:

1. Consideration of recent prices of similar properties within similar market areas;
2. The direct capitalization method, which is based on the conversion of estimated future normalized earnings potential directly into an expression of market value. The Normalized Net Operating Income (“NNOI”) for the period is divided by an overall capitalization rate (inverse of an earnings multiplier) to arrive at the estimate of fair value.

At each reporting date, the Trust assembles the property specific data used in the valuation model based on the process outlined in the valuation framework, reviews the valuation framework to determine whether any changes or updates are required, inputs the capitalization rates, set-offs and normalization assumptions provided by the valuers, and delivers the completed valuation framework to the external appraiser for review.

The external appraiser determines the capitalization rates that should be used in valuing the properties, provide charts of comparable sales and supporting relevant market information, determining the appropriate industry standard. Set off amounts and normalization assumptions used in the calculation of NOI, and supplying a fair value report for the Trust to reflect in the unaudited condensed consolidated interim financial statements.

Capitalization Rate Sensitivity Analysis

As at June 30, 2023, the Trust conducted a valuation of its investment properties on an individual basis, with no portfolio effect considered, to determine the estimated fair value of its investment properties.

Capitalization rates used to generate estimated fair values for the investment properties ranged from 3.21% to 5.50% at June 30, 2023 (December 31, 2022 – 3.13% to 5.50%) with a weighted average capitalization rate across the total portfolio of 4.13% (December 31, 2022 – 4.06%).

The table below presents the sensitivity of the fair valuation of investment properties to the changes in capitalization rate.

Capitalization rate sensitivity increase (decrease)	Weighted average capitalization rate	Fair value of investment property	Fair value variance	% change
(0.15)%	3.98%	\$ 5,675,072	\$ 206,316	3.8%

17. Commitments

The Trust is committed to asset management services under an asset management agreement with Centurion Asset Management Inc. ("CAMI" or the "Asset Manager"), a company controlled by the President and Trustee of the Trust, for a five-year term ending December 31, 2024, with a renewal term for an additional five year unless terminated by either of the parties or at any time, upon 180 days prior written notice by the Asset Manager to the Trust. Under the agreement, the Trust is required to pay an acquisition fee to CAMI or its affiliate equal to 1.0% of the gross purchase price of each investment property and certain equity accounted investments acquired.

The Trust has entered into a warehouse agreement ("the agreement") with a related party, Centurion Financial Trust ("CFIT"). This agreement allows the Trust, at its sole discretion to fund investments originated by the CFIT. As at June 30, 2023, the Trust has a warehouse receivable balance of \$11,179 (December 31, 2022: \$13,087) from CFIT. The warehouse loan bears interest at rates ranging between 10.00% and 12.25%, with a weighted average interest rate of 11.60%. The warehouse loans are secured by the underlying investment assets with CFIT's carrying value of \$12,482 as at June 30, 2023.

18. Contingencies

The Trust is currently not engaged in any material legal matters and management is not aware of any such matters that could have a material impact on these unaudited condensed consolidated interim financial statements.

19. Related Party Transactions

Except as disclosed elsewhere in the unaudited condensed consolidated interim financial statements, related party balances and transactions include the following:

As at June 30, 2023, the Trust has co-invested with CFIT on \$1,138 of debt investments and \$2,246 of participating loan interests on a pari passu basis (December 31, 2022: \$1,138 of debt investments and \$2,435 of participating loan interests).

As at June 30, 2023, a related party of the Asset Manager holds 2,140 Class M Trust units of the REIT. On January 13, 2023, 1,606 Class M units were redeemed for \$15,000 (December 31, 2022: \$130,000 - 46,254 Class M Trust Units which represents the cumulative Class M Trust Unit redemptions). The distributions in cash for these units were \$272 and \$572 for the three and six months ended June 30, 2023 (three and six months ended June 30, 2022: \$499 and \$1,044).

During the six months ended June 30, 2023, the Trust was charged acquisition fees under the agreement described in Note 17 of \$3,030 (six months ended June 30, 2022: \$12,664). A related party of the Asset Manager earned commitment fees of \$674 and \$1,145 for the three and six months ended June 30, 2023, payable by the borrower on debt investments made by the Trust (three and six months ended June 30, 2022: \$762 and \$1,710).

20. Income Taxes

a) Canadian Status

The REIT is a “mutual fund trust” pursuant to the Act. Under current tax legislation, a mutual fund trust that is not a Specified Investment Flow-Through (“SIFT”) Trust pursuant to the Act is entitled to deduct distributions of taxable income such that it is not liable to pay income taxes provided that its taxable income is fully distributed to Unitholders. The REIT intends to continue to qualify as a mutual fund trust that is not a SIFT Trust and to make distributions not less than the amount necessary to ensure that the REIT will not be liable to pay income taxes.

b) U.S. Status

Certain of the REIT’s operations or a portion thereof are conducted through its taxable U.S. subsidiaries, which are subject to U.S. federal and state corporate income taxes.

c) Income Tax Expense

	Three Months Ended June 30		Six Months Ended June 30	
	2023	2022	2023	2022
Current income tax expense (recovery)	\$ (20)	\$ 6,219	\$ 3,032	\$ 6,219
Deferred income tax expense (recovery)	445	(7,555)	(5,988)	(4,814)
Income tax expense (recovery)	\$ 425	\$ (1,336)	\$ (2,956)	\$ 1,405

During the three months ended June 30, 2023, the Trust did not make any tax installments on its current income tax liabilities.

During the three months ended June 30, 2023, the Trust made income tax payments of \$9,307 (three months ended June 30, 2022 – \$3,960).

d) Deferred Income Tax Liabilities

As at June 30, 2023, total net deferred income tax liabilities is \$7,103, which is predominantly due to the unrealized fair value gains recognized on the underlying real estate held within Equity Accounted Investments (December 31, 2022: \$13,391).

21. Fair Value Measurement

Fair value is the price that market participants would be willing to pay for an asset or liability in an orderly transaction under current market conditions at the measurement date.

The fair values of the Trust's financial assets and liabilities were determined as follows:

- The carrying amounts of cash, restricted cash, unit subscriptions in trust, rents receivables, accounts payable and other liabilities, other assets and tenant deposits approximate their fair values based on the short-term maturities of these financial instruments.
- Management determines fair value of mortgage investments based on its assessment of the current lending market of the same or similar terms since there are no quoted prices in an active market for these investments. Management has determined that the fair value of mortgage investments approximates their carrying value.
- Fair values of mortgages payable and credit facilities are estimated by discounting the future cash flows associated with the debt at current market interest rates. The fair value at June 30, 2023, is \$2,603,750 (December 31, 2022: \$2,223,715). Carrying value at June 30, 2023 is \$2,836,413 (December 31, 2022: \$2,612,857).
- Management determines the fair value of participating loan interests, as detailed in Note 7, based on the fair value of the underlying asset which uses either the direct capitalization approach or the direct comparison approach.
- The long term incentive plan trust units is valued based on the Trust's Net asset value
- The fair value of the foreign currency futures and forward contracts was determined using Level 2 inputs which include spot and futures and forward foreign exchange rates.

The table below analyzes assets and liabilities carried at fair value in the consolidated statement of financial position, by the levels in the fair value hierarchy, which are defined as follows:

22. Capital Management

The Trust defines capital as net assets attributable to Unitholders, debt (including mortgages), and lines of credit. The Trust's objectives in managing capital are to ensure adequate operating funds are available to maintain consistent and sustainable Unitholder distributions, to fund leasing costs and capital expenditure requirements, and to provide for resources needed to acquire new investment properties and fund real estate, equity investments or mortgage investments as identified.

Various debt and earnings distribution ratios are used to ensure capital adequacy and monitor capital requirements. The primary ratios used for assessing capital management are the interest coverage ratio and net debt-to-gross carrying value. Other indicators include weighted average interest rate, average term to maturity of debt, and variable debt as a portion of total debt.

These indicators assist the Trust in assessing that the debt level maintained is sufficient to provide adequate cash flows for Unitholder distributions and capital expenditures, and for evaluating the need to raise funds for further expansion.

Various mortgages have debt covenant requirements that are monitored by the Trust to ensure there are no defaults. The Trust's credit facilities also (see Note 10) require compliance with certain financial covenants, throughout the period. These include loan-to-value ratios, cash flow coverage ratios, interest coverage ratios, and debt service coverage ratios.

The carrying value of the units is impacted by earnings and Unitholder distributions. The Trust endeavors to make annual distributions. Amounts retained are used to fund new investments and working capital requirements. Management monitors distributions through various ratios to ensure adequate resources are available. These include the proportion of distributions paid in cash, DRIP participation ratio, and total distributions as a percent of distributable income and distributable income per unit.

The Declaration of Trust provides for a maximum total indebtedness level of up to 75% of Gross Book Value (GBV). GBV means the book value of the assets. Indebtedness includes obligations incurred in connection with acquisitions. The following table highlights the Trust's existing leverage ratio, excluding any syndicated assets or liabilities, in accordance with the Declaration of Trust:

	June 30, 2023	December 31, 2022
Total unrestricted assets	\$ 6,153,834	\$ 5,717,936
Mortgages payable and credit facilities	2,836,413	2,612,857
Ratio of Debt to GBV	46.09 %	45.70 %

The following schedule details the components of the Trust's capital structure:

	June 30, 2023	December 31, 2022
Mortgages payable and credit facilities	\$ 2,836,413	\$ 2,612,857
Net assets attributable to Unitholders	3,264,120	3,038,080
Total Capital Structure	\$ 6,100,533	\$ 5,650,937

23. Financial Instruments

Risk Management

The main risks that arise from the Trust's financial instruments are liquidity, interest, credit and currency risk. The Trust's approach to managing these risks is summarized below.

Management's risk management policies are typically performed as a part of the overall management of the Trust's operations. Management is aware of risks related to these objectives through direct personal involvement with employees and outside parties. In the normal course of its business, the Trust is exposed to several risks that can affect its operating performance. Management's close involvement in operations helps to identify risks and variations from expectations. As a part of the overall operation of the Trust, management considers the avoidance of undue concentrations of risk.

These risks include, and the actions taken to manage them, are as follows:

i) Liquidity Risk

Liquidity risk is the risk that the Trust may not be able to meet its financial obligations as they fall due. The Trust's principal liquidity needs arise from working capital, debt servicing and repayment obligations, planned funding of maintenance, mortgage funding commitments, leasing costs and distributions to Unitholders, and possible property acquisition funding requirements. The Trust manages its liquidity risk by ensuring its projected financial obligations can be met through its cash flows from operations, credit facilities, new capital issuances and projected repayments under the existing mortgage investment portfolio.

There is a risk that lenders will not refinance maturing debt on terms and conditions acceptable to the Trust. Management's strategy is to mitigate the Trust's exposure to excessive amounts of debt maturing in any one year. The features and quality of the underlying assets being financed and the debt market parameters existing at the time will affect the success of debt refinancing.

Management prepares cash forecasts and budgets on an ongoing basis to manage liquidity risks, ensure efficient use of resources and monitor the ongoing timing of liquidity events.

The success of new capital issuances is subject to the capital markets being receptive to a unit issue with financial terms favorable to the Trust. As at June 30, 2023, the Trust had cash of \$9,597 (December 31, 2022: \$37,344) and credit facilities as follows:

	June 30, 2023	December 31, 2022
Credit facilities agreed	\$300,000	\$200,000
Available for use	\$300,000	\$200,000
Available as undrawn	\$224,164	\$119,664

As at June 30, 2023, the Trust has contractual obligations totaling \$362,661 (December 31, 2022: \$572,014) due in less than one year, which includes all current liabilities noted within the statement of financial position and the unfunded mortgage, equity accounted and participating interests commitments (Notes 5, 6 and 7). For purposes of contractual obligations, no interest on the credit facility has been included as it is not practical to forecast the outstanding balance on the credit facility.

ii) Interest Rate Risk

The Trust's objective of managing interest rate risk is to minimize the volatility of earnings. Management establishes floor rates for all variable rate mortgage investments to limit their exposure to interest rate risk. Management monitors the Trust's variable interest rates on an ongoing basis and assesses the impact of any changes on earnings. Management also routinely assesses the suitability of the Trust's current credit facilities, mortgage liabilities and terms. As at June 30, 2023, the Trust had mortgage investments and participating loans of \$59,764 (December 31, 2022: \$72,068) and a credit facility with a balance of \$75,500 (December 31, 2022: \$80,000) that bore interest at variables rates.

The Trust is subject to the risks associated with mortgage financing, including the risk that the interest rate on floating debt may rise before the long-term fixed-rate debt is arranged and that the mortgages and credit facilities will not be able to be refinanced on terms similar to those of the existing indebtedness.

	Carrying Amount	-1%		+1%	
		Income	Equity	Income	Equity
Financial assets					
Variable rate mortgage investments due to mature in a year	\$ 59,764	\$ (598)	(598)	\$ 598	598
Financial liabilities					
Variable rate debt due to mature in a year	\$ 75,500	\$ 755	755	\$ (755)	(755)

As of June 30, 2023, variable rate mortgage investments were at their floor rate, a 1% decline in interest rates would have no impact on the Trust.

iii) Credit Risk

Tenant credit risk arises from the possibility that tenants and mortgage borrowers may default on their rent and mortgage obligations respectively to the Trust. The risk of credit loss is mitigated by leasing and credit policies. The Trust monitors its collection experience every month and ensures that a stringent policy is adopted to provide for all past due amounts that are doubtful of being collected. All residential accounts receivable balances written off are recognized in the consolidated statement of comprehensive income and subsequent recoveries of amounts previously written off are credited in the consolidated statement of comprehensive income. The Trust has considered the cash flow difficulties that may be experienced by tenants due to the impact of COVID-19 and the probability of default. The Trust continues to assist tenants on a case-by-case basis dependent upon need.

Investment credit risk is the possibility that a borrower under one of the mortgages comprising the investment portfolio, may be unable to honor their debt commitment as a result of a negative change in the borrower's financial position or market conditions that could result in a loss to the Trust. Any instability in the real estate sector or an adverse change in economic conditions in Canada could result in declines in the value of investment property securing the Corporation's investments. The Trust's maximum exposure to credit risk is represented by the mortgage investments, profit participation and warehouse loans. The Trust mitigates this risk by rigorously vetting all borrowers during the underwriting process, ensuring all new mortgage, participating investments and equity investments are approved by the investment committee before funding and actively monitoring the mortgage and other investments and initiating recovery procedures, in a timely manner, where required.

iv) Currency Risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in foreign exchange rates. The Trust is exposed to currency risk from investment properties, equity accounted investments and mortgage investments that is denominated in US Dollars (“USD”). The Trust uses foreign currency futures contracts to economically hedge the variability of future earnings and cash flows caused by movements in foreign exchange rates. Under the terms of the foreign currency futures contracts, the Trust buys or sells a currency against another currency at a set price on a future date.

As at June 30, 2023, the Trust has a portion of its assets denominated in USD and has entered into currency derivatives to sell USD and reduce its exposure to foreign currency risk. As at June 30, 2023, the Trust has USD currency derivatives with an aggregate notional value of \$35,500 USD (December 31, 2022: \$76,950 USD) at a rate of \$0.75 and a weighted average maturity of September 14, 2023. As at June 30, 2023, the Trust estimates the fair value of the currency derivative to be in an asset position of \$136 CAD. During the six months ended June 30, 2023, the Trust recognized a cumulative fair value gain of \$1,295 CAD (June 30, 2022: cumulative fair value loss of \$67 CAD) on currency derivatives, included in foreign currency gain on the statement of net income and comprehensive income.

The following schedule outlines the Trust’s net exposure to USD:

	June 30, 2023	December 31, 2022
Cash	\$ 2,600	\$ 16,956
Equity accounted investments	33,382	45,181
Total assets held in USD	35,982	62,137
USD currency derivatives (notional value)	(35,500)	(76,950)
Net exposure	\$ 482	\$ (14,813)

For the period-end June 30, 2023, a 1% change in the United States to Canadian Dollar exchange rate would have the following impact on net income and equity:

		-1%		1%	
	Carrying Amount	Income	Equity	Income	Equity
Net US dollar exposure	\$ 482	\$ (5)	(5)	\$ 5	5
